GENERAL STUDIES & ENGINEERING APTITUDE (2020-21 IES/ESE)

IES Master Publication

The book is meant for B.E./B.Tech. students of different universities of India and abroad. It contains all basic material required at

undergraduate level.

The author has included "Examination questions" from several Indian Universities as solved examples. The sections on "Descriptive Questions" and "Multiple Choice Questions" contains the theory type examination questions and objective questions respectively.

Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C.
EduGorilla

This book follows a logical concept

building approach rather than only formula based, as offered by other books. The objective has been to structure a complete examination-oriented reference book covering the fundamental aspects of theory at a glance before proceeding to their relevant questions. The latest questions (2017 and 2018) from IES with their complete explanations have been given at the end of the text to impart a valuable insight into problem-solving approach.
