But unlike traditional service organizations, Disney does not provide a service. Neither does your hospital. They both provide an "experience". Disney is the premier example of this newly evolved economic category, and hospitals would do well to emulate the most vital things that earn Disney the love of their guests and employees.

#3 of 8 from "If Disney Ran Your Hospital" (by Fred Lee): Patient Loyalty is more important than patient satisfaction Apr 15, 2016 7:21pm If Disney Ran Your Hospital , they would focus on patient ...

If Disney Ran Your Hospital

If Disney ran your hospital, it would look a lot friendlier, respond to your needs immediately, and it would keep you safer and healthier. The strengths of Fred Lee's easy to read book, in my opinion, are: it speaks in plain English, not healthcare/management jargon

What Would Happen If Disney Ran Your Hospital?

If Disney Ran Your Hospital: 9 1/2 Things You Would Do Differently Fred Lee was an American hospital executive who left his senior role in health care and joined Disney. He is clearly fascinated by the Disney

approach and the importance of the customer experience, and in his book he reflects on how some of the approach could be translated into a better patient experience.
