For Whom the Bell Tolls Entangled: Embrace

'A fantastic read' – Andy Weir, author of *The Martian* A compulsive, breathtaking exploration of memory and what it means to be human, *Recursion* is a mind-bending thriller from the author of *Dark Matter*, Blake Crouch. \* \* \* At first, it looks like a disease. An epidemic that spreads through no known means, driving its victims mad with memories of a life they never lived. But the force that's sweeping the world is no pathogen. It's just the first shockwave, unleashed by a stunning discovery – and what's in jeopardy is not just our minds. In New York City, Detective Barry Sutton is closing in on the truth – and in a remote laboratory, neuroscientist Helena Smith is unaware that she alone holds the key to this mystery . . . and the tools for fighting back. Together, Barry and Helena will have to confront their enemy – before they, and the world, are trapped in a loop of ever-growing chaos. \* \* \* 'Recursion takes mind-twisting premises and embeds them in a deeply emotional story about time and loss and grief and most of all, the glory of the human heart' – Gregg Hurwitz, author of *Orphan X* 'Blake Crouch's fantastic, mind-blowing philosophical thriller' – Yahoo News 'This is a mind-twisting exploration of memory and what it means to be human. If you're into thoughtful, fluidly written science fiction, this one will hit the mark' – ES Magazine

What If Alpha Edition

J.D. Barker's *Forsaken* is a remarkable debut, a gripping tale of suspense in the tradition of Stephen King, Dean Koontz, and John Saul. Truly the birth of a new master in the genre. Bram Stoker Award Nominee - Superior Achievement in a First Novel "Barker's ambitious debut is aimed squarely at fans of classic horror. Witches, spells, miniature demons, and personal doubt give plenty to latch on to... the plot moves at a brisk pace... a promising start to a planned series." - Editorial Review, *Publisher's Weekly* "A talented writer with a delightfully devious mind!" Jeffery Deaver #1 International Bestselling Author Book One of the Shadow Cove Saga Inspired by Actual Events Excerpt from the Journal of Clayton Stone – 1692 She was examined today without torture at Shadow Cove township on the charge of witchcraft. She said she was wholly innocent of the crime and has never in life renounced God. I watched as they brought her out. A poor, sickly thing, worn by her time behind the walls of her prison. Her

bared feet and hands bound in leather, her clothing tattered to that of ruin. Despite such condition, her head was held high, her eyes meeting those of her accusers. She still refuses to provide her name so we remain unable to search baptismal records, nor has her family stepped forward to claim her as their own. We have no reason to believe she is anything but an orphaned child. I find myself unable to look at her directly in the moments preceding her trial. She is watching me though; with eyes of the deepest blue, she is watching me. Thad McAlister, *Rise of the Witch* When horror author Thad McAlister began his latest novel, a tale rooted in the witch trials of centuries past, the words flowed effortlessly. The story poured forth, filling page after page with the most frightening character ever to crawl from his imagination. It was his greatest work, one that would guarantee him a position among the legends of the craft. But was it really fiction? He inadvertently opened a door, one that would soon jeopardize the lives of his family. She wants to come back. At home, his wife struggles to keep their family alive. Secretly wondering if she caused it all...a deal she made long ago. A deal with the Forsaken.

The Road Macmillan + ORM

A small-town woman is swept off her feet by a caring stranger in this charming western romance from a "fabulous storyteller" (Carolyn Brown, New York Times bestselling author). Forty candles, and one for luck. Jenna Owens wants one thing for her birthday this year: a fairy-tale ending of her own and a little relaxation at a quaint California ranch. What she didn't want was to get caught in a storm on her way to Meadow Valley. Or to get stuck with a ridiculously hot, too-charming-for-his-own-good cowboy—one who makes Jenna reconsider her "I don't date younger guys" rule. But a little vacation flirtation might be just what she needs. Colt Morgan isn't interested in long-term relationships. Not since his last one crashed and burned after his fiancée found out he wanted a big family. So when he learns that Jenna has a list of items to accomplish on her trip—including having fling—Colt is all too happy to oblige. Yet the more he and Jenna get to know each other, the more Colt starts to wonder if maybe they have a chance at a real future. But when Jenna's past upends everything Colt thought he wanted, are all bets off? Or will they find a way to make both their dreams come true? Includes the bonus novella *Sealed with a Kiss* by Melinda Curtis!

The authors of the cultural phenomenon *Bar Mitzvah Disco* pick up the story of their generation's coming of age where that tome left off, painstakingly retelling tall tales of golden summers from the 1970s to the early 1990s. Full-color photos throughout. There's Something about Merry New York : AMS Press A new adult novel from Entangled's Embrace imprint... Sometimes it takes letting go of the past to find out who you want to be. During his semester abroad, Griffin Reed almost gave his heart to a girl who loved someone else. Lesson learned. Now he's home, where following in his father's footsteps may not be what he wants, but it's what

his parents expect. It might be taking the easy road, but he doesn't see a way out. Something that could have killed Maggie Kendall took away the person she used to be instead. Her condition makes her dependent on sticky notes, photos, and medication just to get through each day. The last thing she needs is a distraction—or someone new to disappoint. What they refuse to see is they are perfect for each other. Maggie makes Griffin want to be a better man, and he makes her believe a future is possible. But these two have to find a way to share the secrets ripping them apart, if they're ever going to have a chance at happiness.

**FALLING FAST, FALLING HARD** Everyone wants a piece of Jaden Alexander. Ever since the famous "Snowboarding Cowboy" took a near-fatal spill on live television, he's been hounded by the media. Every reporter in the country wants an exclusive interview with the chiseled Olympic heartthrob. But only one of them has the easygoing charm—and breathtaking beauty—to knock Jaden off balance . . . Kate Livingston isn't looking for a scoop. As senior editor for *Adrenaline Junkie* magazine, she's testing out camping gear on the Colorado Trail when Jaden's rescue dog Bella seeks refuge in her tent. Before she knows it, Kate is face to face with the world's sexiest snow-riding cowboy—and the biggest opportunity of her career. But getting close to Jaden isn't just about her job, and for the first time ever Kate has no idea how this story will end.

Prepare to fall under the spell of "this sometimes whimsical, often insightful, always absorbing story" (Shelf Awareness) following two fiercely independent women and their truly magical friendship in a sleepy Southern town, from New York Times bestselling author of *Karen Hawkins*. Sarah Dove is no ordinary bookworm. To her, books live, breathe, and sometimes even speak. As the librarian in her quaint Southern town of Dove Pond, her gift helps place every book in the hands of the perfect reader.

Recently, however, the books have been whispering about something out of the ordinary: the arrival of a displaced city girl named Grace Wheeler. If the books are right, Grace could be the savior Dove Pond desperately needs. The problem is, Grace wants little to do with the town or its quirky residents—Sarah chief among them. But with a bit of urging, and the help of an especially wise book, will Grace ultimately embrace the challenge to rescue her charmed new community? "A mesmerizing fusion of the mystical and the everyday" (Susan Andersen, New York Times bestselling author), *The Book Charmer* is a heartwarming story about the magic of books that feels more than a little magical itself.

**Hard Loving Cowboy** Penguin Group

Based on Stanford University psychologist Kelly McGonigal's wildly popular course "The Science of Willpower," *The Willpower Instinct* is the first book to explain the science of self-control and how it can be harnessed to improve our health,

happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, *The Willpower Instinct* explains exactly what willpower is, how it works, and why it matters. For example, readers will learn:

- Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep.
- Willpower is not an unlimited resource. Too much self-control can actually be bad for your health.
- Temptation and stress hijack the brain's systems of self-control, but the brain can be trained for greater willpower.
- Guilt and shame over your setbacks lead to giving in again, but self-forgiveness and self-compassion boost self-control.
- Giving up control is sometimes the only way to gain self-control.
- Willpower failures are contagious—you can catch the desire to overspend or overeat from your friends—but you can also catch self-control from the right role models.

In the groundbreaking tradition of *Getting Things Done*, *The Willpower Instinct* combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work.

*If Only* by A.J. Pine A new adult novel from Entangled's Embrace imprint... Sometimes it takes crossing an ocean to figure out where you belong. It's been two years since twenty-year-old Jordan had a boyfriend—which means it's been forever since she, well, you know. But now she's off to spend her junior year in Aberdeen, Scotland, the perfect place to stop waiting for Mr. Right and just enjoy Mr. Right Now. Sexy, sweet (and possible player) Griffin may be her perfect, no-strings-attached match. He's fun, gorgeous, and makes her laugh. So why can't she stop thinking about Noah who, minutes after being trapped together outside the train's loo, kisses Jordan like she's never been kissed before? Never mind his impossible blue eyes, his weathered, annotated copy of *The Great Gatsby* (total English-major porn)...oh, and his girlfriend. Jordan knows everything this year has an expiration date. Aberdeen is supposed to be about fun rather than waiting for life to happen. But E. M. Forster, Shakespeare, and mistletoe on Valentine's Day make her reconsider what love is and how far she's willing to go for the right guy.

**Never Apart** Clarkson Potter

New York Times bestselling author Maisey Yates enthralls again when a cowboy returns to Copper Ridge, Oregon, to keep a promise—even if it means losing his heart... Putting down roots in Copper Ridge was never Alex Donnelly's intention. But if there's one thing the ex-military man knows, it's that life rarely unfolds as expected. If it did, his best friend and brother-in-arms would still be alive. And Alex wouldn't have inherited a ranch or responsibility for his late comrade's sister—a woman who, despite her inexperience, can bring tough-as-iron Alex to his knees. Clara Campbell didn't ask for a hero to ride in and fix her ranch and her life. All she wants is the one thing

stubborn, honorable Alex is reluctant to give: a chance to explore their intense chemistry. But Clara has a few lessons to teach him, too...about trusting his heart and his instincts, and letting love take him on the wildest adventure of all.

*Wild Ride Cowboy* Rowman & Littlefield Publishers  
"Passionate, personal, insightful, testy, and unique." –Kirkus (starred review) "Verdelle offers us testimony in praise and consideration of life as a literary citizen and Black woman alongside the guiding light of Toni Morrison. This is a holy testimony, indeed, one that deserves to be amen'd forever." –Jason Reynolds, #1 New York Times Bestselling Author "Verdelle gives us the greatest gift—our beloved ancestor returned to us—generous and alive, remembered and revered. So grateful for this book in the world." –Jacqueline Woodson, author of *Another Brooklyn* "If you let a black girl loose in a library, you may not recognize the woman who emerges." –from *Miss Chloe* Toni Morrison, born Chloe A Wofford, was a towering figure in the world of literature when she entered A.J. Verdelle's life. Their literary friendship was a young writer's dream—simultaneously exhilarating, intimidating, fulfilling, and challenging. The relationship crossed generations, spanned several cycles in life, exhibited high and low notes, reached and dipped and found its way. Like many women friends, these two writers imagined and built a relationship that was responsive, inventive, and engaged. Miss Chloe powerfully situates the risks writers face and the freedom they find when they put Black women's lives into words. Verdelle chronicles her grief at Morrison's passing, and finds comfort in Morrison's astute advice—wisdom Verdelle didn't always recognize at the time. In this pensive and intricately lyrical book, Verdelle honors Morrison among the cultural greats, while illuminating and celebrating the power of language, legacy, and genius. A. J. Verdelle is the award-winning author of the novel, *The Good Negress*. She teaches Creative Writing at Morgan State University and at the MFA program at Lesley University.

Only a Cowboy Will Do Forever

In a blistering scenario almost too close to the headlines, former Brigadier General Anthony J. Tata delivers a chillingly authentic glimpse of tomorrow's wars—and the anonymous hackers who hold the fate of the world at their fingertips . . . By the time anyone realizes what's happening, it is too late. A dark network of hackers has infiltrated the computers of the U.S. military, unleashing chaos across the globe. U.S. missiles strike the wrong targets. Defense systems fail. Power grids shut down. Within hours, America's enemies move in. Russian tanks plow through northern Europe. Iranian troops invade Iraq. North Korea destroys Seoul and fires missiles at Japan. Phase 1 of ComWar is complete. Enter Jake Mahegan and his team of highly trained operatives. Their mission is to locate the nerve center of ComWar—aka Computer Optimized Warfare—and to shut down the operation through any means necessary. Mahegan knows it's a virtual suicide mission. There are three ComWar headquarters, each hidden deep underground in Russia, Iran, and North Korea. Each contains a human biometric nuclear key that the team must capture to shut down the imminent nuclear strikes. Splitting up the team is Mahegan's only chance to prevent the next wave of cyber attacks. But even that won't stop the sleeper cell agents—here in the United States . . . When Phase 2 ends, World War III begins.

In the tradition of New Adult superstar Jessica Sorensen, Ellie Cahill's debut novel is a charming friends-with-benefits story . . . with a twist! What if after every bad breakup, there was someone to help "cleanse your palate"—someone who wouldn't judge you, who was great in bed, someone you were sure not to fall in love with? "Sorbet sex" could solve everything—as long as it never got too sweet. Joss and Matt have been friends since freshman year of college, meeting one night after Joss is dumped by her boyfriend. After a few drinks, Matt humors her with a proposition: that he'll become her go-to guy whenever she needs to heal a broken heart. In return, she'll do the same for him. The #1 Rule: They'll never fall in love with each other. People scoff at the arrangement. But six years later, Joss and Matt are still the best of friends . . . with benefits. Through a string of boyfriends and girlfriends—some almost perfect, some downright wrong—Joss and Matt are always there for each other when the going gets tough. No strings. No attachments. Piece of cake. No problem. After all, since they wrote the rules, surely they can play by them. Or can they? Advance praise for *When Joss Met Matt* "Hands down, one of my favorite New Adult reads . . . Ellie Cahill is definitely one to watch!"—New York Times

bestselling author Cora Carmack "This is one of those books that make you forget everything around you. Prepare to be consumed by this story."—Sophie Jordan, New York Times bestselling author of Wild "Fun, sexy, and full of amazing chemistry, When Joss Met Matt is an entertaining escape that will leave you smiling with every turn of the page."—Cassie Mae, author of The Real Thing

Make Mine a Cowboy Hachette UK

Now available in an affordable softcover edition, this classic in Springer's acclaimed Virtual Laboratory series is the first comprehensive account of the computer simulation of plant development. 150 illustrations, one third of them in colour, vividly demonstrate the spectacular results of the algorithms used to model plant shapes and developmental processes. The latest in computer-generated images allow us to look at plants growing, self-replicating, responding to external factors and even mutating, without becoming entangled in the underlying mathematical formulae involved. The authors place particular emphasis on Lindenmayer systems - a notion conceived by one of the authors, Aristid Lindenmayer, and internationally recognised for its exceptional elegance in modelling biological phenomena. Nonetheless, the two authors take great care to present a survey of alternative methods for plant modelling.

*Dear Mrs. Bird* DigiCat

A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).

**Forsaken** Entangled: Teen

From this "fabulous storyteller" (Carolyn Brown, New York Times bestselling author) comes the first book in an all-new western romance series. Delaney Harper thought she'd seen the last of Meadow Valley after her deadbeat husband left her brokenhearted and, well, just flat broke. But news that her ex sold their land means she's heading back to reclaim her share of the property and the dreams she was forced to put on hold. Only one thing stands in her way now: a smoking hot cowboy. Sam Callahan is too busy trying to keep his new guest ranch afloat to spend any time on serious relationships—at least, that's what he tells

himself. But when a gorgeous blonde shows up insisting she owns half his property, Sam quickly realizes he's got bigger problems than Delaney's claim on the land---she could also claim his heart. /~B~Includes the bonus novel The Toughest Cowboy in Texas by New York Times bestselling author Carolyn Brown!  
Tough Luck Cowboy Houghton Mifflin Harcourt  
Twenty-two-year-old Karla is thrilled to be hired as an entertainer on the Sound of Music cruise ship—where the rum punch is 80 percent Kool-Aid, the ice sculptures are plastic, and her "fake it till you make it" M.O. seems adventuresome. Karla is less thrilled when her new boyfriend, Jack, suggests that they form a singing duo on land, but by now faking enthusiasm has become a way of life. She and Jack buy backing tracks, crib lyrics from the radio, and embark on a not-as-glamorous-as-it-should-be career performing in the luxury hotel bars of the Middle East and China. But after a thousand and one nights on the road, Karla and Jack find themselves struggling to keep their act—both personal and professional—together. Funny, fast-paced, and incisive, A Thousand and One Nights captures the performances, large and small, we use to make it through life.
