If Only by A.J. Pine A new adult novel from Entangled's Embrace imprint...

Sometimes it takes crossing an ocean to figure out where you belong. It's been two years since twenty-year-old Jordan had a

boyfriend—which means it's been forever since she, well, you know. But now she's off to spend her junior year in Aberdeen, Scotland, the perfect place to stop waiting for Mr. Right and just enjoy Mr. Right Now. Sexy, sweet (and possible player) Griffin may be her perfect, no-strings-attached match. He's fun, gorgeous, and makes her laugh. So why can't she stop thinking about Noah who, minutes after being trapped together outside the

train's loo, kisses Jordan like she's never been kissed before? Never mind his impossible blue eyes, his weathered, annotated copy of *The Great Gatsby* (total English-major porn)...oh, and his girlfriend. Jordan knows everything this year has an expiration date. Aberdeen is supposed to be about fun rather than waiting for life to happen. But E. M. Forster, Shakespeare, and mistletoe on Valentine's Day make her reconsider what love is and how far she's willing to go for the right guy.

Only a Cowboy Will Do Forever

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind.

Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*."

—BookRiot.com Dill isn't the

most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past.

A fiercely independent engineer walks out on the man her parents have set her up with -- only to start working side-by-side with him at her job in this laugh-out-loud debut with "delicious banter, deep wounds, heartwarming friendships, and a path to love that often feels impossibly hard, and [a payoff] satisfying enough to give you a book hangover the size of Texas" (Sonali Dev, USA Today bestselling author of *Recipe for Persuasion*). Liya Thakkar is a successful biochemical engineer, takeout enthusiast, and happily single woman.

The moment she realizes her parents' latest dinner party is a setup with the man they want her to marry, she's out the back door in a flash.
