If You Take a Mouse to School Cleverkick

In this book, novelist Colm T ó ib í n offers a deeply personal introduction to the work and life of one of his most important literary influences—the American poet Elizabeth Bishop. Ranging across her poetry, prose, letters, and biography, T ó ib í n creates a vivid picture of Bishop while also revealing how her work has helped shape his sensibility as a novelist and how her experiences of loss and exile resonate with his own. What emerges is a compelling double portrait that will intrigue readers interested in

both Bishop and T ó ib í n. For T ó ib í n, the secret of Bishop's emotional power is in what she leaves unsaid. Exploring Bishop ' s famous attention to detail, T ó ib í n describes how Bishop is able to convey great emotion indirectly, through precise descriptions of particular settings, objects, and events. He examines how Bishop ' s attachment to the Nova Scotia of her childhood, despite her later life in Key West and Brazil, is related to her early loss of her parents—and how this connection finds echoes in T ó ib í n ' s life as an Irish writer who has lived in Barcelona, New York, and elsewhere. Beautifully written and skillfully blending biography, literary appreciation, and descriptions of T ó ib í n ' s travels to Bishop ' s Nova Scotia, Key West, and Brazil, *On Elizabeth Bishop* provides a fresh and memorable look at a beloved poet even as it gives us a window into the mind of one of today ' s most acclaimed novelists.

Looking for a Moose Balzer + Bray From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought

you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they 've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get

curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

Lights! Camera! Moose! MOOSE? Yes, Moose! When a movie director tries to capture the life of a moose on film, he's in for a big surprise. It turns out the moose has a dream bigger than just being a moose--he wants to be an astronaut and go to the moon. His forest friends step in to help him, and action ensues. Lots of action. Like a lacrosse-playing grandma, a gigantic slingshot into space, and a flying, superhero chipmunk. In this hilarious romp, Richard T. Morris and bestselling illustrator Tom Lichtenheld remind us to dream big and, when we do, to aim for the moon.
