Goodreads

If You Really Loved Me, You Would... We  
control to get love and avoid pain, yet by  
controlling rather than loving ourselves and  
others, we create the very pain we are trying  
to avoid. The negative aspects of your  
relationship and your expectations are fertile  
areas for exploration within yourself and with  
your partner. By.

Ann Rule's "If You Really Loved Me" is the sad,  
sick, twisted story of David Brown, who loved  
power, prestige and money so much that he was  
willing to manipulate his teenage daughter into  
killing his young wife, in order that he might  
collect insurance money on his dead wife, buy a  
nicer, larger home and conveniently marry HER  
younger sister (his sister-in-law).

If You Really Loved Me, You Would... |  
HuffPost Life

1. Manipulation: If you really loved me you would... take out the trash, not raise your voice, stop drinking. 2. Score Keeping: You owe it to me because I did it your way last time, because I ' m such a good mother to your children, because I never ask for anything. 3. Belittle Your Partner ' s Preference: Do you know how silly that is? If You Love Me (Really Love Me) lyrics - KAY STARR
