## Create Guides — iFixit EDU

iFixit is a global community of people helping each other repair things. Let's fix the world, one device at a time. Troubleshoot with experts in the Answers forum—and build your own how-to guides to share with the world. Fix your Apple and Android devices—and buy all the parts and tools needed for your DIY repair projects.

### Phone Repair - iFixit

Write a short summary for your guide. The summary is used in search results, so keep it brief (one or two sentences), and include any terms or phrases that your readers would be likely to search for. A good example of a summary might be, "Fix a hole in your jeans by sewing on a denim patch." Add the "Fast Fix" tag to your guide.
