Insights Into IFRS John Wiley & Sons

The one-stop resource for IFRS interpretation and application, updated for 2018 Wiley IFRS 2018 offers a complete resource for the interpretation and application of the latest International Financial Reporting Standards (IFRS) as outlined by the International Accounting Standards

Board (IASB). With up-to-date coverage and a host of practical tools, this book provides invaluable guidance on the expanding framework for unified financial reporting. Organised for easy navigation, each chapter includes general statement information followed by topic-specific discussion to facilitate both quick-reference and in-depth study. The expert team at PKF International provides authoritative insight from a practitioner's perspective: IFRIC interpretations and practical real-world guidance ensure full understanding of the newest standards, and the Disclosure Checklist helps verify compliance. The IASB's efforts are paying off as more and more countries around the globe either

adopt IFRS as their national standards, or adjust local standards in alignment. A working understanding of IFRS application is becoming essential, even as the rules continue to evolve. This book provides full coverage of the latest standards and thorough guidance for implementation. Review the latest IFRS rules and standards Apply guidelines and best practices appropriately Gain expert insight on IFRS interpretation and implementation Ensure compliance and verify completeness Uniform financial reporting reduces the costs of financial statement preparation for multinational companies, and streamlines the assessment of business results. As the standards themselves evolve, so must practitioners' understanding of how to apply them correctly in real-world cases. Wiley IFRS 2018 offers a complete, up-to-date reference to help you apply and comply with the latest international standards.

Wiley IFRS 2008 John Wiley & Sons 'International Financial Reporting' delivers a focused, user-friendly introduction to international financial reporting and how to implement the IASB standards for undergraduate students. With more than 140 countries in the world now using international financial reporting standards (IFRSr Standards), knowledge of the standards issued by the International Accounting Standards Board (IASBr) is vital to students' success in financial accounting. Melville's International Financial Reporting employs a practical,

applied approach in exploring and explaining the key international standards. With a focus on how to implement the standards, this text delivers a focused, user-friendly introduction to international financial reporting. Renowned for clear and concise language, this seventh edition brings the book completely up-to-date with international standards issued as of 1 January 2019.

All rights reserved. Wiley Interpretation and Application of IFRS Standards 2020 John Wiley & Sons The industry-specific guide to IFRS interpretation and application One of the biggest challenges of any reporting standard is how best to interpret and implement it in the context of a

specific company or industry, given that each industry has its own intricacies and nuances. The Impact of IFRS on Industry provides specific guidance on applying IFRS in a diverse range of sectors. Opening with an overview of IFRS, including a summary of all the standards, the book goes on to provide detailed coverage of the standards that can impact all industries, including IAS-40, IFRS 1, and IFRS 5. Thereafter, it offers practical advice and guidance on the application of IFRS in specific industries, including automotive; oil and gas; bio-sciences; infrastructure; airlines; media and communications; government-owned entities; mining; software; banking and financial services; insurance; FMCG; shipping; pharmaceuticals; telecoms; real estate and construction; power; SMEs; retail; e-

commerce; and the service sector. The book concludes with a discussion on the collateral impact of implementing IFRS and how forthcoming IFRS Standards could impact specific industries. Worked examples are used throughout to demonstrate how the standards are applied in practice. Understand the IFRS standards comprehensively Learn which standards impact all industries Examine the ways in which IFRS is applied in practice See how different standards are applied in specific industries Suitable as a quick reference or a comprehensive guide, The Impact of IFRS on Industry gives you the real-world IFRS answers you need. Wiley IFRS 2012 Createspace Independent Pub The globally-sourced guide to the latest IFRS, with practical

application advice Wiley IFRS 2015 is a complete guide to the latest International Financial Reporting Standards set forth by the International Accounting Standards Board. Written by an international team of experts in global accounting standards, this guide provides detailed information on the latest changes to the IFRS, with comprehensive coverage of IFRIC interpretations and the tools needed to maintain IFRS-compliance. Readers will find clear, concise explanations delineated by topic for easy navigation, designed for both quick reference in-depth study, with practical advice for implementing

IFRS in real-life scenarios. The goal of the IASB is to achieve global convergence of accounting standards, reducing preparation costs and facilitating the assessment of business outcomes. The IFRS are a key part of the strategy, simplifying reporting for multinational corporations and the analysts and investors tasked with evaluating results. Wiley IFRS 2015 details the most recent changes to the standards, with expert guidance toward implementation. Readers will: Grasp the underlying framework of the International Financial Reporting Standards Understand how to interpret the

standards and apply them in the real world. Follow the Disclosure Checklist to verify completeness and IFRS compliance. Learn from the experts when implementing IFRS for the first time. More and more countries are either adopting IFRS or adapting local standards to align with those set by the IASB. The standards change annually, and failure to stay up to date can affect business strategy and outcomes, especially when working internationally. Wiley IFRS 2015 provides the latest information and expert guidance, helping practitioners match IFRS to real-world practice.

Managing the Transition to IFRS-Based Financial Reporting. John Wiley & Sons. The one-stop guide to transitioning to IFRS financial reporting. The International Financial Reporting Standards (IFRS) have already been adopted in Europe, and plans are in place to transition to IFRS reporting in the UK, India, Japan, and other major economies. The US is deliberating the nature of its convergence with IFRS and US entities will need to understand the implications of transition. This means all finance managers and financial controllers will be responsible, not only for understanding IFRS, but for making the transition and dealing with implications. Managing the Transition to IFRS-Based Financial Reporting is a one-stop resource for navigating this major change. Case studies and project management advice

help moves smoothly from GAAP to IFRS principles and requirements. Managing the Transition to IFRS-Based Financial Reporting is the only book on the market that focuses on both the accounting and non-accounting implications of IFRS transition. This complete approach will guide you from the history and conceptual basis of IFRS through each stage of the transition process, ensuring expert change management and fluid communication from start to finish. Takes a holistic approach, covering non-accounting implications like educating and communicating IFRS requirements. Provides case studies to illustrate best practices for moving to the new international standards. Provides a framework for planning and executing the entire IFRS transition project. With nearly two decades of financial training experience, author Lisa Weaver is

imminently qualified to deliver clear, concise, and understandable content. In addition, the reference material and other resources in Managing the Transition to IFRS-Based Financial Reporting will help you simplify the transition and take advantage of all the benefits IFRS reporting confers.

Wiley IFRS 2015 John Wiley & Sons
