Shrubs of broom grow black and twistedAs if by Devil's fingers And the wind that never ceases, Like a chorus from the dead. Those who lived here it's for certain, would grow dark and tortured too' In Jamaica Inn, at the heart of the bleak Bodmin Moor, young Mary Yellen soon discovers mysterious goings-on in the dead of night. But worse is yet to come as Mary finds herself helplessly ensnared in the deadly activities taking place around her. Evocative, atmospheric and chilling, this new adaptation of Jamaica Inn has all the hallmarks of a great adventure classic — murder, mystery and malevolence. Jamaica Inn was produced at the Salisbury Playhouse in May 2004and was followed by a UK tour.

Looking to expand your English vocabulary in a unique and smart way? Look no further than decoding Greek and Latin roots in English! These ancient roots form the gene of modern English vocabulary, and by unlocking their meanings, you can easily understand and remember even the most difficult words. In

this book, I will explore how many English words are formed by combining prefixes and suffixes with basic root words, which are mostly derived from Latin and Greek. Similarly, Chinese language also contains Radicals which provide hints to the word's meaning. By understanding the root words, we can "decode" new words and quickly grasp their meanings. Whether you're a non-native English speaker looking to improve your vocabulary or a native speaker wanting to expand your knowledge, this book will provide you with the tools to do so. Using my experience as a native Chinese speaker who learned English later in life, I have developed unique strategies for understanding and remembering English words. Through my work in data mining and creating a Chinese-English vocabulary database, I have discovered nearly one million entries that enable me to identify vocabulary with the same root. The List of Greek and Latin roots in English provided by resources such as Wikipedia have also been invaluable in my research. In this book, I will provide a comprehensive alphabetical list of prefixes and suffixes, with a special focus on those used in medical terminology. By understanding the meanings of these roots, you will be able to easily remember difficult medical terms and other complex vocabulary. In summary, decoding Greek and Latin roots in English is a smart and unique way to expand your English vocabulary. With the tools and strategies provided in this book, you'll be well on your way to mastering even the most challenging words.

More than 800,000 copies in print! From the author of critically acclaimed and bestselling memoir *Falling Leaves*, this is a poignant and moving true account of her childhood, growing up as an unloved daughter in 1940s China. A Chinese proverb says, "Falling leaves return to their roots." In her own courageous voice, Adeline Yen Mah returns to her roots to

tell the story of her painful childhood and her ultimate triumph in the face of despair. Adeline's affluent, powerful family considers her bad luck after her mother dies giving birth to her, and life does not get any easier when her father remarries. Adeline and her siblings are subjected to the disdain of her stepmother, while her stepbrother and stepsister are spoiled with gifts and attention. Although Adeline wins prizes at school, they are not enough to compensate for what she really yearns for -- the love and understanding of her family. Like the classic Cinderella story, this powerful memoir is a moving story of resilience and hope. Includes an Author's Note, a 6-page photo insert, a historical note, and the Chinese text of the original Chinese Cinderella. A PW BEST BOOK OF THE YEAR AN ALA-YALSA BEST BOOK FOR YOUNG ADULTS "One of the most inspiring books I have ever read."

Collins IGCSE Spanish as a Foreign Language provides comprehensive coverage of the Cambridge IGCSE Spanish (0530) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language learning and skills development can be taught in real-world contexts. All four skills (reading, writing, listening and speaking) are fully covered in a skills-based communicative approach. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of Spanish or those who need more support. Each unit starts with a Listo page to allow for revision and consolidation of earlier language learning. An Introductory unit also serves as a language refresher as well as being specifically designed to engage and enthuse students at the start of the course. The Student's Book also offers opportunities for those looking for an extra level of challenge, with activities included to stretch higher-ability students. The layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. A checklist towards the end of the unit encourages students to reflect on their progress, and is followed by a useful vocabulary section for ease of reference. Each unit also includes an "El Mundo hispanohablante" spread which offers stimulating, thought-provoking and enjoyable insights into the culture and society of Hispanophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions in Listening and Reading included to help students develop their skills for success. Audio files are available as a

free download from the Collins website for listening comprehension exercises and development of oral fluency. This resource supports both the IGCSE Spanish (0530) and and IGCSE (9-1) 7160 syllabuses. Collins is working with Cambridge Assessment International Education for endorsement of this title to support the full syllabus for first teaching from 2019 and first examination from 2021.

The Edexcel International GCSE in English as a Second Language (ESL) is designed as a qualification for either students obtaining their secondary education through English as a medium of instruction, or studying English in order to enhance their future educational or employment prospects. Achievement in this qualification is benchmarked against the Council of Europe's Common European Framework of Reference for Languages (CEFR). The framework has been developed as a design tool. Please refer to the Council of Europe website for more information. This examination series targets a range of abilities; from level B1 (intermediate) to C1 (advanced) of the CEFR. Based on our many years' experience in HSK and IGCSE Chinese teaching and course contents preparation, we find vocabulary level classification is so important. Students can use CEFR levels for self-assessment so that they can more clearly define what they need to work on, and work out what they would like to achieve in their target language. Our Classified Chinese vocabulary list HSK and IGCSE has total 5000 vocabularies with the Best English Translation for better understanding. Many students call it "LIFE SAVING STRAW" for their exam. This book is a great success and encourages us to work beyond it. Based on our pass experience and data collection, by referring the authoritative resources like Cambridge and Oxford dictionary, here is our painstaking effort!

English Proverbs: A Journey Through Timeless Wisdom ??????????????????
Proverbs are short, commonly known expressions that convey wisdom, truth, morals, and traditional beliefs in a concise and often metaphorical manner. English proverbs have been passed down through generations, reflecting the cultural values, experiences, and common sense of the English-speaking world. These pithy sayings are integral to the language, offering insights and practical advice for everyday situations. The beauty of proverbs lies in their brevity and depth, encapsulating complex ideas in a few memorable words. They are used to teach lessons, reinforce norms, and provide comfort and guidance in times of uncertainty. Whether in conversation, literature, or public speaking, proverbs add a layer of richness and resonance to the message being conveyed. Understanding and using English proverbs can enhance one's communication skills, providing a way to express ideas vividly and effectively. As you delve into the world of English proverbs, you will uncover a treasure trove of wisdom that has shaped and continues to shape the way people think, speak, and live.
