All parents want their child to be happy and successful at school, but few decisions are harder than identifying the right school for your child. The Independent Schools Guide, now in its 17th edition, provides all the guidance and advice needed to make the most informed decisions. The book includes an extensive reference section for over 2,000 schools; details on fee planning, scholarships and bursaries; guidance for overseas parents, including language support and guardianship; and detailed profiles of over 200 schools and colleges. For any parent, guardian or carer who is considering the independent sector, the Guide is the definitive reference source.  
*The Roles of Language in CLIL* Heinemann

What does home education involve? What are the advantages and disadvantages? How can you decide whether it is right for your child? If it is right, how do you go about it? And where can you go for help, advice for information. This practical self-help book for parents provides a one-stop resource for parents contemplating or embarking on home education with their children. This book: --helps parents to decide if home education will work for their family --provides information on the first steps to home education and answers parents' most common questions --provides guidance as to subjects and curriculum, methods of teaching and how to deal with special circumstances --acts as parenting guide to parents with children in school to help support their children's learning outside of school --helps more experienced home educators refine their own approaches to their children's learning
