We created Cambridge IGCSE more  
than 30 years ago. Today, it's  
the world's most popular  
international qualification for  
14 to 16 year olds. Not only is  
it truly international - it  
gives students more options  
than any other international  
qualification. That means more  
subjects to choose from, more  
ways to learn and more ways to  
succeed.
