FLORENS

The Institute of International Container Lessors (IICL) is the leading trade

association of the marine container leasing and chassis provider industry. IICL

container leasing member companies engage in leasing marine cargo

containers to ship operators and others on a broad international basis. IICL

intermodal chassis provider members are in the business of owning and

leasing chassis to motor carriers, ship operators, and cargo owners.

Education and training have long been key components of the

IICL's initiatives. IICL members recognize that the quality and

serviceability of their equipment is based upon the skills and

knowledge of container and chassis inspectors, as well as

maintenance and repair service providers that are utilized. The

education and training area of our web site offers two key

components that include training and testing of individuals for all

technical responsibilities of our industry.
