KNOCKIN' ON EVIL'S DOOR

Werewolves. Trolls. Sea Monsters. Rain of toads. Skyquakes. Sunnydale is being besieged by dark forces. But even with Buffy providing her unique style of damage control while Giles is hospitalized out of town, it's more than one Slayer can handle -- especially since the abominations are coming from a centuries-old portal through time and space. Somehow, the hell-hole must be found and corked at its source. For Buffy, Angel, and the rest of her gang, that means a road trip to Boston where an ailing Gatekeeper resides over a supernatural mansion that has been, until recently, holding the world's worst monsters at bay. Once there, Buffy discovers the catastrophic truth: the magical structure

houses thousands of rooms, all of which are doorways to limbo's "ghost roads," and all of which may bring her face-to-face with the most nefarious forces in hell and on earth -- forces bent on horrific plans far worse than the Slayer ever imagined.

"A man is lucky if he is the first love of a woman. A woman is lucky if she is the last love of a man." The *Mystery of Edwin Drood* is one of the most celebrated books by the Victorian novelist Charles Dickens. It is basically a story of love, jealousy and murder with a detective tone. The beautiful orphan Rosa Bud is engaged to Edwin Drood, yet she is also secretly loved by her music teacher John Jasper, an opium addict who happens to be Edwin's uncle. While Rosa finds Jasper completely unsuitable for her and hates the way he treats her, Jasper informs her that he is foolishly enthralled by her and that he is ready to do anything to realize his dream.

Furthermore, another young man named Neville Landless sees Rosa and falls in love

with her too. Many events follow as Rosa's lovers go through different quarrels. One morning, the town learns about the mysterious murder of Edwin Drood and Neville Landless is suspected of the crime. The real murderer remains unknown to the readers, however, since Charles Dickens died before writing a conclusion to the book. Numerous attempts were made after Dickens's death to complete the story and different theories were developed to confirm that the true murderer is none but John Jasper.
