'So many useful tips in here - this is so different to most other books out there!' - Alex Stedman, The Frugality 'There seems to be no end of resourceful, affordable and creative ideas.' - Sophie Robinson You've got the keys from your landlord, moved into your new home, and the boxes are unpacked. Now you want to put your stamp on the place, but how do you do this when you can't paint the walls, refurbish the kitchen or replace the old, tired flooring? And can you really live with magnolia walls? What about those outdated kitchen cupboards? Not to mention the tattered lampshades, old sofa and sparse furniture... In this invaluable book, award-winning interiors blogger Medina Grillo shares her favourite tips, tricks and DIY projects for transforming a rented space. Discover ways to add a splash of colour with removable wallpaper, learn how to hang artworks without damaging the walls, and turn your hand to upcycling those furniture bargains you picked up at the flea market. With chapters covering all aspects of the home, from walls, flooring and lighting to storage and accessories, Home Sweet Rented Home will enable every reader to make their house feel like home, whether they are a DIY expert or have never before lifted a paintbrush. Filled with photography and illustrations, it is the perfect read for any renter looking to live in a beautiful and stylish home.

Desks, Tables and Chairs Timber Press (OR)

Leverage the power of systems thinking to clarify your purpose, build your strategy, and design your culture. It's no secret that culture is key to attracting and engaging top talent. But the vast majority of culture efforts fail as quickly as they started. Why? Because leaders are creating and communicating organizational values, but they're failing to connect those values to their behaviors, processes, and practices of the organization. ReCulturing is the playbook for building a business in which employees are clear on the why, what, and how they are working. ReCulturing is not a one-time change effort because culture is not something we ultimately have, but rather something we do. One of today's most renowned thought leaders and practitioners on the issue, Melissa Daimler provides a modern definition of culture that is more of a verb than a noun. Culture needs to be reviewed consistently, just like strategy and purpose. Focusing on these three areas leads to higher performance and engagement. In the pages of this book, you will learn: A powerful framework for designing and evolving organizational culture that goes beyond values to also include behaviors, processes, and practices. How to embed behaviors into core people processes like hiring, onboarding, talent managing, offboarding, strategizing and decision making How to integrate "why you work" "what you do" and "how you do it" into an employee experience Why it's crucial to make sure a company's practices evolve as the company changes The book also features illuminating real-life stories recounting what has and hasn't worked at some of today's largest and most influential companies. Whether you're launching a startup, running a global firm, or overseeing the shift to a hybrid work setting, ReCulturing provides everything you need to the kind of culture that drives long-term business success.

Create a Beautiful, Modern Home with One-of-a-Kind DIY Furniture Beds, organizers, Adirondack chairs, a play table, and more! It's easy to build inexpensive, quality furnishings with this indispensable collection of woodworking projects from Ana White, the popular

blogger who has inspired millions of homemakers with her stylish furniture plans and DIY spirit. As a young mom on a tight budget, Ana learned to make her own well-designed pieces inspired by the styles in her favorite stores—saving thousands of dollars in the process. Now, in this reference for woodworkers of all skill levels, Ana shares everything she has learned along the way. Inside The Handbuilt Home you'll find:

- Plans for 34 versatile furniture projects for every room in your house—from beginner-friendly home accessories to sturdy tables, a media center, kids' items, and storage solutions
- Comprehensive information on using off-the-shelf lumber and basic equipment—almost every project can be made with a drill, a saw, and some hand tools
- Easy-to-follow instructions, costs, and time estimates to guide even the most amateur of carpenters through any project

You don't need to be physically tough or superstrong to make your own furniture, and it's okay if you don't know that a 2x4 doesn't actually measure 2 by 4 inches. All you need is the determination to create a better home for yourself or your family and the confidence to say, "I can build that." Also available as an eBook

ReCulturing: Design Your Company Culture to Connect with Strategy and Purpose for Lasting Success Little, Brown Spark

Dr. Edith Vane is nicely ensconced at the University of Inivea and is about to see her dissertation on Beulah Crump-Withers published. All should be well. Except for her broken washing machine, her backstabbing fellow professors, a cutthroat new dean — and the fact that the sentient and malevolent Crawley Hall has decided it wants them all out. Native American Ethnobotany Potter Craft

Meet Cloud! Follow along as she moves, transforms, precipitates, and more in this charming and humorous portrayal of the water cycle. The lifecycle of our protagonist, Cloud, is delightfully and sparsely narrated in nine short chapters that follow the stages of the water cycle. Young readers will immediately fall for this wide-eyed puff, and welcome facts along with humor and personality as they bask in the accomplishment of breezing through each chapter.

Lean Management of Global Supply Chain Penguin

A companion to the best-selling book by the founder of a top interiors blog, this easy-to-use dictionary of interior design answers all those hard-to-solve decorating questions. The book begins with the most important questions of all: Who? What? Where? Why? How? And When? The aim is to answer these before you start any decorating scheme to avoid the most common mistakes, save money, and, most importantly, create a home that works for you and the people who live there. Mad About the House: The Practical Stuff is the super-practical guide that allows you to dip in and out so you can solve all your decorating dilemmas. The chapters focus on Walls, Floors, Ceilings, Windows, Doors and Skirtings, Furniture Layout, and Lighting, before finally a roundup of Fixtures and Fittings. In addition to the no-nonsense practical answers, there are checklists and step-by-step guides to key decorating challenges—everything from How to Hang Wallpaper, to Arranging a Gallery Wall and Removing Stains from Carpets and Soft Furnishings. A Toy Book Clarkson Potter

Declutter your desk and brighten up your business with this transformative guide from an organizational psychologist and the #1 New York Times bestselling author of The Life-Changing Magic of Tidying Up. The workplace is a magnet for clutter and mess. Who hasn't felt drained by wasteful meetings, disorganized papers, endless emails, and unnecessary tasks?

These are the modern-day hazards of working, and they can slowly drain the joy from work, limit our chances of career progress, and undermine our well-being. There is another way. In Joy at Work, bestselling author and Netflix star Marie Kondo and Rice University business professor Scott Sonenshein offer stories, studies, and strategies to help you eliminate clutter and make space for work that really matters. Using the world-renowned KonMari Method and cutting-edge research, Joy at Work will help you overcome the challenges of workplace mess and enjoy the productivity, success, and happiness that come with a tidy desk and mind.

[Leading Change toward Sustainability](#) Routledge

As the world struggles to cope with the growing threat of a global carbon crisis, Doppelt has revised one of the best books ever written about change management, leadership and sustainability to focus on de-carbonisation. Doppelt's research, presented in this hugely readable book, demystify the sustainability-change process by providing a theoretical

framework and a methodology that managers can use to successfully transform their organisations to embrace sustainable development. Filled with case examples, interviews and checklists on how to move corporate and governmental cultures toward sustainability, the book argues that the key factors that facilitate change appear in the successful efforts at companies such as AstraZeneca, Nike, Starbucks, IKEA, Chiquita, Interface, Swisscom and Norm Thompson and in governmental efforts such as those in the Netherlands and Santa Monica in California. For these and other cutting-edge organisations, leading change is a philosophy for success. Leading Change toward Sustainability has been used by change leaders around the world to guide their internal global warming and sustainability organisational change initiatives. This new edition is essential reading for leaders from all types of organisations.

Bookshelf World Bank Publications

You can make the furniture you want at a fraction of the price of store-bought furniture. Not only will you save tons of money, but you'll also make environmentally sustainable pieces that are solidly built, using real materials like metal, wood, concrete, and other recycled ready-mades. The projects in this book don't require special skills, prior experience, or even a garage full of tools. You'll be walked step-by-step through the process of making furniture, from where to buy the materials (or where to scavenge) to how to make the most of the tools you own.

Trust Me, I'm Lying Sourcebooks, Inc.

Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. You might think that its name says it all. A bookshelf is just that - a shelf for books. It's the stuff of libraries, offices, and the bane of movers' existence. But every shelf is different and every bookshelf tells a different story. One bookshelf can creak with character in a bohemian coffee shop and another can groan with gravitas in the Library of Congress. Bookshelf takes an almost meta-approach to the object studies aim of Object Lessons: exploring the stacks as well as our bedside tables, writer and historian Lydia Pyne unpacks not just the material parts but the secret lives of bookshelves. Pyne finds bookshelves to be holders not just of books but of so many other things: values, vibes, and verbs that can be contained and displayed in the buildings and rooms of contemporary human existence. With a shrewd eye toward this particular moment in the history of books, Pyne takes the reader on a tour of the bookshelf that leads critically to this juncture: amid rumors of the death of book culture, why is the life of bookshelf in full bloom? Object Lessons is published in partnership with an essay series in the The Atlantic.

Real Life Organizing Kumon Pub North America Limited

#1 NEW YORK TIMES BESTSELLER • The authors of The Home Edit and stars of the Netflix series Get Organized with The Home Edit teach you how to apply their genius, holistic approach to your work life, on-the-go necessities, and technology. At home or on the go, you don't have to live like a minimalist to feel happy and calm. The Home Edit mentality is all about embracing your life—whether you're a busy mom, a roommate living with three, or someone who's always traveling for work. You just need to know how to set up a system that works for you. In the next phase of the home organizing craze, Clea Shearer and Joanna Teplin go beyond the pantry and bookshelf to show you how to contain the chaos in all aspects of your life, from office space and holiday storage to luggage and pet supplies. Get to know your organizing style, tailor it to your family's lifestyle, and lead the low-guilt life as you apply more genius ideas to every aspect of your life. Clea and Joanna are here to remind you that "it's okay to own things" in the quest for pretty and smart spaces. With The Home Edit Life, you'll soon be corralling phone cords, archiving old photos, arranging your phone apps by color, and packing your suitcase like a pro.

The Joy of Cannabis Rizzoli Publications

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. "A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way." —Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who

made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Leading By Design Running Press Adult

An extraordinary compilation of the plants used by North American native peoples for medicine, food, fiber, dye, and a host of other things. Anthropologist Daniel E. Moerman has devoted 25 years to the task of gathering together the accumulated ethnobotanical knowledge on more than 4000 plants. More than 44,000 uses for these plants by various tribes are documented here. This is undoubtedly the most massive ethnobotanical survey ever undertaken, preserving an enormous store of information for the future.

Country Threads McGraw Hill Professional

The book looks to address the following questions in a post-crisis world: How have lead firms responded to the crisis? Have they changed their traditional supply chain strategy and relocated and/or outsourced part of their production? How will those changes affect developing countries? What should be the policy responses to these changes?
