Whirlpool ® manuals can help you get the most out of your  
appliance, and provide important information about parts and  
accessories. Downloading manuals is also a convenient way of  
obtaining a back-up in case your original document goes  
missing. Enter your appliance ' s model number above to  
obtain an official Whirlpool manual.

Hi, I have a Whirlpool (/ Ikea) built in oven type FCSM6 (model  
50065640) which is indicating a fault code F03. From searching  
the web, this seems to indicate a faulty temperature sensor. I  
have checked the temp sensor which gives 1000 ohms at  
ambient which I understand is normal, so that is not the direct  
problem.
