This is why you remain in the best website to see the unbelievable books to have.

The Works of
William Shakspere
Picador USA
From Catherine
McKenzie, the
instant

bestselling author of *The Good Liar*, comes a riveting domestic suspense in the vein of Liane Moriarty that sees five siblings forced to confront a tragedy they thought was buried long ago. What happened to Amanda Holmes? After the sudden death of their parents, the MacAllister children return to the run-down summer camp where they spent their childhood. The four sisters and their elder brother haven't all been together at Camp Macaw in over twenty years—ever since a tragic and mysterious accident. Over the

course of the Labour Day weekend, the siblings must determine what to do with the property, now worth millions. But a stunning condition of their father's will compels them to face their past—and come to a decision that threatens to tear them apart forever. A sharp and engrossing novel of suspense, *I'll Never Tell* reveals what happens when the secrets and lies that hold a family together are finally exposed. *All the Light We Cannot See* *Firefly Books* *Suite Française* is

both a brilliant novel of wartime and an extraordinary historical document. An unmatched evocation of the exodus from Paris after the German invasion of 1940, and of life under the Nazi occupation, it was written by the esteemed French novelist Irène Némirovsky as events unfolded around her. This haunting masterpiece has been hailed by European critics as a *War and Peace* for the Second World War. Though she conceived the book as a five-part work (based on the form of Beethoven's Fifth Symphony), Irène Némirovsky was able to write only

the first two parts, Storm in June and Dolce, before she was arrested in July 1942. She died in Auschwitz the following month. The manuscript was saved by her young daughter Denise; it was only decades later that Denise learned that what she had imagined was her mother's journal was in fact an invaluable work of art. Storm in June takes place in the tumult of the evacuation from Paris in 1940, just before the arrival of the invading German army. It moves vividly between different levels of society – from the wealthy P é ricand family, whose

servants pack up their possessions for them, to a group of orphans from the 16th arrondissement escaping in a military truck. N é mirovsky's immense canvas includes deserting soldiers and terrified secretaries, cynical bank directors and hapless priests, egotistical writers and hardscrabble prostitutes – all thrown together in a chaotic attempt to escape the capital. Moving between them chapter by chapter, this thrilling novel describes a journey hampered and in some cases abandoned because of confusion, shelling, rumour, lack of supplies, bad

human weakness. Cars break down or are stolen; relatives are forgotten; friends are divided; but there are also moments of love and charity. Throughout, whether depicting saintly forbearance or the basest selfishness, Storm in June neither sweetens nor demonizes its characters; unsentimentally, with stunning perceptiveness, N é mirovsky shows the complexities that mean no-one is simply a hero or villain. The second volume, Dolce, is set in the German-occupied village of Bussy. Again, N é mirovsky switches seamlessly

between social strata, from tenant farmers to the local aristocracy. The focus, however, is on the delicate, secret love affair between a German soldier and the French woman in whose house he has been billeted; the passion, doubts and deceptions of their burgeoning relationship echo the complex mixture of hostility and acceptance felt by the occupied community as a whole. Némirovsky is amazingly sensitive in her depiction of changing, often contradictory emotions, but her attention to the personal is matched by her sharp-eyed discussion of small-

town life and the politics of occupation. In this myth-dissolving book, the French villagers see the Germans as oppressive warriors, but also as handsome young men, and occupation does nothing to remedy the condescension and envy that bedevil relations between rich and poor. Quite apart from the astonishing story of its survival, *Suite Française* is a novel of genius and lasting artistic value. Subtle, often fiercely ironic, and deeply compassionate, it is both a piercing record of its time and a humane, profoundly moving novel.

author Paula Hawkins On a rainy afternoon, a mother's life is shattered as her son slips from her grip and runs into the street... I Let You Go follows Jenna Gray as she moves to a ramshackle cottage on the remote Welsh coast, trying to escape the memory of the car accident that plays again and again in her mind, desperate to heal from the loss of her child and the rest of her painful past. At the same time, the novel tracks the pair of Bristol police investigators trying to get to the bottom of this hit-and-run. As they chase down one hopeless lead after another, they find themselves as drawn to each other as they are to the frustrating, twist-filled case before

The award-
winning,
bestselling French
novel by Philippe
Besson—"the
French Brokeback
Mountain"
(Elle)—about an
affair between two
teenage boys in
1984 France,

translated with
subtle beauty and
haunting lyricism
by the iconic and
internationally
acclaimed
actress/writer
Molly Ringwald.
We drive at high
speed along back
roads, through
woods, vineyards,
and oat fields. The
bike smells like
gasoline and
makes a lot of
noise, and
sometimes I'm
frightened when
the wheels slip on
the gravel on the
dirt road, but the
only thing that
matters is that I'm
holding on to him,
that I'm holding
on to him outside.
Just outside a hotel

in Bordeaux,
Philippe chances
upon a young man
who bears a
striking
resemblance to his
first love. What
follows is a look
back at the
relationship he's
never forgotten, a
hidden affair with
a gorgeous boy
named Thomas
during their last
year of high
school. Without
ever
acknowledging
they know each
other in the halls,
they steal time to
meet in secret,
carrying on a
passionate, world-
altering affair.
Dazzlingly
rendered in

English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time. Penguin
A cloth bag containing 20 paperback copies of the title that may also include a folder with sign out sheets. The Spectator I'll Never Be French (no matter what I do)
A work of fantasy, *I Who Have Never Known Men* is the haunting and unforgettable account of a near

future on a barren earth where women are kept in underground cages guarded by uniformed groups of men. It is narrated by the youngest of the women, the only one with no memory of what the world was like before the cages, who must teach herself, without books or sexual contact, the essential human emotions of longing, loving, learning, companionship, and dying. Part thriller, *I Who Have Never Known Men* shows us the power of one person without memories to reinvent herself piece by piece, emotion by emotion, in the process

teaching us much about what it means to be human. The London Journal e-artnow
Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time. **The Reference Shakespeare** Back Bay Books
"In the 1930s, Shanghai was a haven for outlaws from all over the world: a place where pasts could be forgotten, fascism and communism outrun, names invented, fortunes made--and

lost. 'Lucky' Jack Riley was the most notorious of those outlaws. An ex-Navy boxing champion, he escaped from prison in the States, spotted a craze for gambling and rose to become the Slot King of Shanghai. 'Dapper' Joe Farren--a Jewish boy who fled Vienna's ghetto with a dream of dance halls--ruled the nightclubs. His chorus lines rivaled Ziegfeld's. In 1940 they bestrode the Shanghai Badlands like kings, while all around the Solitary Island was poverty, starvation and genocide. They thought they ruled Shanghai; but the city had other ideas.

This is the story of their rise to power, their downfall, and the trail of destruction they left in their wake."--Jacket
The Athenaeum Vintage Canada Updated for today's readers, Dale Carnegie's timeless bestseller *How to Win Friends and Influence People* is a classic that has improved and transformed the professional and personal and lives of millions. One of the best-known motivational guides in history, Dale Carnegie's groundbreaking book has sold tens of millions of copies, been

In this delightfully
witty, provocative
book, literature
professor and
psychoanalyst
Pierre Bayard
argues that not
having read a
book need not be

an impediment to
having an
interesting
conversation about
it. (In fact, he says,
in certain
situations reading
the book is the
worst thing you
could do.) Using
examples from
such writers as
Graham Greene,
Oscar Wilde,
Montaigne, and
Umberto Eco, he
describes the
varieties of "non-
reading"-from
books that you've
never heard of to
books that you've
read and forgotten-
and offers advice
on how to turn a
sticky social
situation into an
occasion for

creative brilliance.
Practical, funny,
and thought-
provoking, How to
Talk About Books
You Haven't Read-
which became a
favorite of readers
everywhere in the
hardcover edition-
is in the end a love
letter to books,
offering a whole
new perspective on
how we read and
absorb them.
*I'll Never Get Out
of This World Alive*
Simon and Schuster
The instant #1 New
York Times
bestseller! "It's the
best memoir I've
ever read." —Oprah
Winfrey "Will
Smith isn't holding
back in his bravely
inspiring new
memoir . . . An

ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along

the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith’s transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it’s only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn’t see it that way: they felt more like star

performers in his circus, a seven-days-a-week job they hadn’t signed up for. It turned out Will Smith’s education wasn’t nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of

performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts

Il Circolo is a reunion story, the rediscovery of

family and roots. It's the real dolce vita, lived to the tune of "Italian Girls Just Want to Have Fun." If you like laughing, eating, and shopping, you're in for a romp of a read. Magnifico!

—Mark Greenside, author of *I'll Never Be French (No Matter What I Do*

Typographical Journal Simon & Schuster

In a story that stands above the throngs of travel memoirs, full of gorgeous descriptions of Brittany and at times hysterical encounters with the locals, Mark Greenside describes his initially reluctant travels in this

"heartwarming story" (San Francisco Chronicle) where he discovers a second life. When Mark Greenside—a native New Yorker living in California, political lefty, writer, and lifelong skeptic—is dragged by his girlfriend to a tiny Celtic village in Brittany at the westernmost edge of France in Finistère, or what he describes as "the end of the world," his life begins to change. In a playful, headlong style, and with enormous affection for the Bretons, Greenside shares how he makes a life for himself in a country where he doesn't speak the language or understand the culture. He gradually places his trust in the villagers he encounter

s—neighbors, workers, landscapes—not only acquaintances—and he's consistently won over and surprised as he manages to survive day-to-day trials. From opening a bank account and buying a house to removing a beehive from the chimney, he begins to learn the cultural ropes, live among his neighbors, and make new friends. Until he came to this town, Greenside was lost, moving through life without a plan, already in his 40s with little money and no house. He lived as a skeptic who seldom trusts others and has an inclination to be alone. So when he settles into the rhythm of this new French culture—against the backdrop of Brittany's streets surrounded by gorgeous architecture and breathtaking

does he find a home and meaningful relationships in this French countryside, he finds himself. I'll Never Be French (no matter what I do) is both a new beginning and a homecoming for Greenside. It is a memoir about fitting in, not standing out; being part of something larger, not being separate from it; following, not leading. It explores the joys and adventures of living a double life. He has never regretted his journey and, as he advises to those searching for their next adventure, neither will you. [Love You Forever](#) Houghton Mifflin Harcourt
