going to move. Having always been shy and not so confident about her body, Eliza took that opportunity to start a list in her private notebook of all the things she planned on doing when she moved but had always been afraid to--like wearing a miniskirt and asking guys to dance; singing karaoke in front of strangers; posting a photo of herself on her Facebook wall in a bikini...you get the idea. New town, new Eliza, right? Well, she'll never know because the transfer fell through and they didn't move. But Eliza kept adding her goals and secret fears to the list in the notebook. It was supposed to be a trip to remember for Dare Williams and her best friend Hayley. Rome was one of their dream destinations, after all. But things don't always go as planned. Her best friend's boyfriend tags along and Dare becomes the third wheel. To make things worse, they get separated. All is not lost, though, because she meets Blake Durham, a hot British guy who just happens to be her best friend's boyfriend's cousin. Upside to all this? He's hot and has offered to take Dare to meet her best friend.

Downside? He's rude and seems to have no interest in her. For a girl who doesn't believe in cliches, would this typical road trip lead to love?"
