From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone

numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F\*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. \*Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

"I have to be honest with you. Islam is on very thin

ice with me....Through our screaming self-pity and our conspicuous silences, we Muslims are conspiring against ourselves. We're in crisis and we're dragging the rest of the world with us. If ever there was a moment for an Islamic reformation, it's now. For the love of God, what are we doing about it?" In blunt, provocative, and deeply personal terms, Irshad Manji unearths the troubling cornerstones of mainstream Islam today: tribal insularity, deep-seated anti-Semitism, and an uncritical acceptance of the Koran as the final, and therefore superior, manifesto of God. In this open letter to Muslims and non-Muslims alike, Manji asks arresting questions. "Who is the real colonizer of Muslims - America or Arabia? Why are we all being held hostage by what's happening between the Palestinians and the Israelis? Why are we squandering the talents of women, fully half of God's creation? What's our excuse for reading the Koran literally when it's so contradictory and ambiguous? Is that a heart attack you're having? Make it fast. Because if more of us don't speak out against the imperialists within Islam, these guys will walk away with the show." Manji offers a practical vision of how the United States and its allies can help Muslims undertake a reformation that empowers women, promotes respect for religious minorities, and fosters a competition of ideas. Her vision revives Islam's lost tradition of independent thinking. This book will inspire struggling Muslims worldwide to revisit the foundations of their faith. It will also compel non-Muslims to start posing the important questions without fear of being deemed "racists." In more ways than one, *The Trouble with Islam* is a clarion call for a fatwa-free future.
