Nationwide, more than 4 million teachers will be needed over the next decade, and all must take appropriate tests to be licensed. REA gets you ready for your teaching career with our outstanding library of Teacher Certification test preps. Our test prep is designed to help teacher candidates master the information on the ILTS Test of Academic Proficiency (TAP) exam and get certified. It's perfect for college students, teachers, and career-changing professionals who are looking to become Illinois teachers. Written by Illinois teacher educators, our complete study package contains an in-depth

review of all the competencies tested on the ILTS Test of Academic Proficiency (TAP) exam, including reading, language arts, writing, and math. A diagnostic test and a full-length practice test are offered online in a timed format with instant scoring, diagnostic feedback, and detailed explanations of answers. Each test features every type of question, subject area, and skill you need to know for the exam. Our online practice replicates the ILTS question format, allowing you to assess your skills and gauge your test-readiness. The online tests at REA's Study Center offer the most powerful scoring and diagnostic tools available today. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts. Every practice exam comes with detailed feedback on every question. We don't just say which answers are right - we explain why the other answer choices are wrong - so you'll be prepared on test day. The book includes the same practice test that is offered online,

but without the added benefits of detailed scoring analysis and diagnostic feedback. This complete test prep package comes with a customized study schedule and REA's test-taking strategies and tips. This test prep is a must-have for anyone who wants to teach in Illinois!

The ILTS Expanded Study Guide for Basic Skills is designed as an online study tool for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics, brought to you by the experts at the Evaluation Systems group of Pearson, the most experienced company in standards-based educator licensure testing. The online Illinois Licensure Testing

System: Expanded Study Guide for Basic Skills -- Access Card provides 6-months of online access to prepare for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics. This online study guide features: An annotated test framework with an overview of each subtest, and includes 50 authentic multiple-choice questions and 2 authentic writing assignments. A rationale for each multiple-choice question explains why the correct response is the best answer. Sample responses for the writing assignments demonstrate the level of writing skills that correspond to a strong score and a weak score. A score report interpretation helps

examinees better understand their test results and offers strategies for retaking subtests. A description of the test development process and a list of resources for further study are also included. Once the access code is activated, the subscription is valid for six months.

Passing the Illinois driver's license test can be easier than you ever imagined when you use this handbook or manual which is a compendium of road and traffic signs, to prepare. Experience has shown that over 70% of the test questions border around road and traffic signs which have been systematically organized to adequately cover all-road/traffic signs. Using this all-in-one road and traffic sign handbook would certainly be very helpful to all

test-takers and other road users and Instructors. The more you take these practice tests, the more you get familiar with the answers. For a successful test, I strongly advise you to get very familiar with each sign. This is made possible as you ensure to you flip through the pages of this manual as many times as you can so as to hit a consistent score of up to 85% and above correct answers each time you take the practice test. This approach would help you get very conversant with the signs which automatically put you on track to securing a mind-blowing score in the real DMV test. This book contains skillfully formulated questions and answers on road and traffic signs. You will be amazed to find the questions in this book to be really very similar to the actual test questions. And as you prepare using these practice questions and answers as opposed to reading the DMV driver's handbook which has shown to be really time-consuming,

you will learn basic driving skills, road signs, and traffic signals with their meanings. This book will among other things teach you how to answer the trick questions which always appear in the DMV test. As I have guided many test-takers towards achieving success in their DMV exams, this manual was put together to give a helping hand to many more people. Get your copy and enjoy success all the way in your DMV Exam and driving experience. Buy this book now!
