Mometrix Test Preparation's NCLEX RN 2021 and 2022 Secrets Study Guide is the ideal prep solution for anyone who wants to pass their National Council Licensure Examination for Registered Nurses. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Step-by-step video tutorials to help you master difficult concepts * Tips and strategies to help you get your best test performance * A complete review of all NCLEX test sections Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your NCLEX exam: the concepts, procedures, principles, and vocabulary that the National Council of State Boards of Nursing (NCSBN) expects you to have mastered before sitting for your exam. Test sections include: * Management of Care * Safety and Infection Control * Health Promotion and Maintenance * Psychosocial Integrity * Physiological Integrity * Pharmacological and Parenteral Therapies * Reduction of Risk Potential * Physiological Adaptation ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix NCLEX study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of NCLEX practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our NCLEX RN 2021 and 2022 Secrets Study Guide is no exception. It's an excellent investment in your future. Get the NCLEX review you need to be successful on your exam.

Illustrated Study Guide for the NCLEX-RN® Exam E-Book Elsevier Health Sciences

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's

Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

Saunders Comprehensive Review for NCLEX-PN Elsevier

Help alleviate your pre-test jitters with this essential nursing resource! Written by the most trusted experts in NCLEX® prep, Saunders 2020-2021 Strategies for Test Success, 6th Edition introduces tools for overcoming text anxiety and tactics for developing effective study habits. Essentially, it teaches you how to master the things that matter most on your nursing school exams: critical thinking, problem solving, and time management. This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of Interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment.

Illustrated Study Guide for the NCLEX-RN® Exam Test Prep Books

With more review cards than any other product on the market, you'll have the perfect tool for study groups or on-the-go review, and with a new chapter focusing on pharmacology, you'll be more prepared than ever before. This edition features over 1,200 questions with alternate item-format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. UNIQUE! Provides more practice questions than any other card set with over 1,200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test-taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item-format questions, including multiple response, fill-in-the-blank, and illustrated questions, offer valuable preparation for the newer question formats appearing on the NCLEX-RN examination. Each question is classified by cognitive level, nursing process step, and NCLEX test plan client needs area to help you identify areas where more review may be required. A section on integrated concepts includes questions on leadership, management of patient care, cultural competence, and community-based practice, addressing the integrated concepts covered in the NCLEX-RN examination. UNIQUE! A separate section on pharmacology reflects the increased focus on this subject in the NCLEX examination and enables you to concentrate on the most frequently tested content. Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers. Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats.

Illustrated Study Guide for the NCLEX-RN® Exam - E-Book F.A. Davis

Introduction to Clinical Pharmacology - E-Book Lippincott Williams & Wilkins

Who says studying for the NCLEX® can't be fun? Illustrated Study Guide for the NCLEX-RN® Exam, 11th Edition uses colorful drawings and mnemonic cartoons to help you review and remember the nursing content found on the NCLEX-RN examination. A concise outline format makes it easier to study key facts, principles, and applications of the nursing process. More than 2,500 NCLEX exam-style questions on the Evolve website allow you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by noted NCLEX expert JoAnn Zerwekh, this study guide provides a visual, unintimidating way to prepare for success on the NCLEX-RN exam. More than 2,500 review questions on the Evolve website allow you to practice test-taking in Study or Exam mode. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! Integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations for basic nursing care concepts. UNIQUE! Appendixes in each

chapter summarize diagnostic tests, medications, and nursing procedures for quick reference. Answers and rationales are provided for all review questions. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority, drag-and-drop, and hot-spot questions. Priority Concepts at the beginning of each chapter focus your attention on the chapter’s key nursing concepts. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Test Alert boxes highlight concepts frequently found on the NCLEX test plan. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify Self-Care and Home Care content. NEW! Patient Scenarios and Next Generation NCLEX® (NGN) Examination-Style question types on the Evolve website provide practice with these new types of questions. NEW! Review of the NCSBN’s clinical judgment model and six cognitive skills helps to prepare you for the nursing profession and taking the NCLEX-RN® examination. NEW! Pediatric content is moved into a separate new chapter and organized by body systems.

Illustrated Study Guide for the NCLEX-PN Examination Lippincott Williams & Wilkins
Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

Illustrated Study Guide for the NCLEX-RN® Exam - Elsevier Ebook on Vitalsource & Evolve Access Cards Illustrated Study Guide for the NCLEX-RN® Exam - E-Book
Known for its accuracy, consistency, and portability, Pediatric Physical Examination: An Illustrated Handbook, 3rd Edition teaches the unique range of skills needed to assess children of all ages. Spiral-bound for quick reference in clinical settings, this photo-rich, step-by-step guide to physical examination for advanced practice providers prepares you to expertly examine children from birth through adolescence. Body system chapters begin with fetal development and take you through the key developmental stages of childhood. For infants and young children, Duderstadt uses the quiet-to-active approach favored by pediatric experts and considered more effective for this age-group than the traditional head-to-toe approach used for adults. This edition features a new chapter on newborn physical examination, expanded coverage of skin conditions and new Red Flag highlights that help you recognize high-priority health issues. Expert guidance for the pediatric exam employs the quiet-to-active approach to the examination and assessment of infants — including preterm infants — and young children. This pediatric assessment approach, which starts with listening and moves on to touching, yields the best results in this age group. Richly illustrated in full color to help facilitate learning, with more than 300 photos and drawings that familiarize you with assessment techniques and common assessment findings. Easy-to-use two-column format provides quick access to concise guidance for the pediatric physical exam. Quick-reference special features, including: Information Gathering tables highlight questions and data needed from the patient/guardian, with questions conveniently separated by age group, to guide history-taking. Concise Conditions tables summarize common abnormal findings for each examination area. Pediatric Pearls highlight effective physical examination findings and techniques gleaned from years of expert practice. Family, Cultural, and Racial Considerations sections address the increasingly important areas of family and cultural assessment to prepare you for differences to anticipate when assessing children of various cultural or racial groups. Evidence-Based Practice Tips highlight useful research findings that guide clinical practice. Bulleted Summary of Examination lists at the end of each examination chapter highlight key assessment points associated with each body system and serve as a convenient learning aid and quick reference. End-of-chapter Charting examples demonstrate how to record physical examination findings in the health record and familiarize you with documentation language and format. Convenient spiral binding lets you lay the book flat or fold it back for easy visualization and quick reference in clinical settings.

Illustrated Study Guide for the NCLEX-RN® Exam - E-BookElsevier Health Sciences
Illustrated Study Guide for the NCLEX-PN® Exam Elsevier Health Sciences
Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanyingPassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the fullPassPointexperience.

Mosby Incorporated
The ABC of Passing the NCLEX-RN® Exam is a study guide developed specifically for nurses as a learning tool, not as a primary source of information. The book utilizes various forms of presentation of nursing facts that includes an easy-to-read-outline of facts, bullets and tests. The alphabetical presentation of facts for every topic makes information recall easy. This book is designed for nurses preparing for the NCLEX-RN® Exam!

NCLEX-PN Prep Plus 2018 Mosby Incorporated
Like other titles in the popular Lippincott® Illustrated Review Series, this text follows an intuitive outline organization and boasts a wealth of study aids that clarify challenging information and strengthen retention and understanding. This updated and revised edition emphasizes clinical application and features new exercises, questions, and accompanying digital resources to ready students for success on exams and beyond.

NCLEX-RN REVIEW BOOK-SarahElsevier Health Sciences
With its concise outline format summarizing essential nursing content and multiple illustrations, this updated guide is the perfect study companion for the NCLEX-PN exam. It includes a review of the latest NCLEX test plan and new alternate item format questions, plus chapters on pharmacology, lifespan, basic nursing concepts, and body systems to provide the most complete study guide available for the NCLEX-PN exam.

CliffsNotes NCLEX-RN Cram Plan Elsevier
The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.
