My Noble Knight Litres

A New York Times bestseller and Oprah Book Club 2.0 selection, the epic, unforgettable story of a man determined to protect the woman he loves from the town desperate to destroy her. This beautiful and devastating debut heralds the arrival of a major new voice in fiction. Ephram Jennings has never forgotten the beautiful girl with the long braids running through the piney woods of Liberty, their

small East Texas town. Young Ruby Bell, "the kind of pretty it hurt to look at," has suffered beyond imagining, so as soon as she can, she flees suffocating Liberty for the bright pull of 1950s New York. Ruby quickly winds her way into the ripe center of the city—the darkened piano bars and hidden alleyways of the Village—all the while hoping for a glimpse of the red hair and green eyes of her mother. When a telegram from her cousin forces her to return home, thirty-year-old Ruby finds herself reliving the devastating violence of her girlhood. With the terrifying realization that she might not be strong enough to fight her way back out again, Ruby struggles to survive her memories of the town's dark past.

Meanwhile, Ephram must choose between loyalty to the sister who raised him and the chance for a life with the woman he has loved since he was a boy. Full of life, exquisitely written, and suffused with the pastoral beauty of the rural South, Ruby is a transcendent novel of passion and courage. This wondrous page-turner rushes through the red dust and

gossip of Main Street, to the pit fire where men swill bootleg outside Bloom's Juke, to Celia Jennings's kitchen, where a cake is being made, yolk by yolk, that Ephram will use to try to begin again with Ruby. Utterly transfixing, with unforgettable characters, riveting suspense, and breathtaking, luminous prose, Ruby offers an unflinching portrait of man's dark acts and the promise of the redemptive power of love. Ruby was a finalist for the PEN America Robert Bingham Debut Novel Award, a Barnes & Noble Discover Great New Writers selection, and an Indie Next Pick.

She hates him. Dexter Ryan is smug. Arrogant. Manipulative. And he is also...Lacey Amari's new partner. Well, her partner on one case. A case she doesn't even want to take, but when Dex—CIA super operative and all around puppet-master—basically blackmails her, she has no choice. Then he asks her the big question... Will you marry me? The proposal isn't real. It's just an undercover assignment. Dex needs Lacey to be

his fake fiancée for a case. Not exactly her dream job. But, she'll do it. He wants her to pretend to be head over heels in love with him, he wants her help on a dangerous investigation in a remote ski lodge, and he...wants her? Their desire isn't pretend. Dex doesn't work well with others and handling a case with a partner in close proximity—as in 24/7 close—isn't his normal style. He's pulled Lacey into the investigation because she is smart and resourceful, and maybe because he knows a secret about her that could prove to be very useful to him. After all, Dex uses people all the time. It's his thing. Yet the more he is around her, the idea of using Lacey suddenly doesn't seem like such a good plan. But getting her into his bed? Stellar idea. He wants her, but so do the bad guys. The attraction between Dex and Lacey burns red-hot, hot enough to melt the snow around them. Except, just as he planned, Lacey's presence draws in the enemy. Now the bad guys are after her, and Dex has to stick even closer to her. He's playing the role of the obsessed

lover, only it's not just a role. Because for the first time in his life, Dex is falling hard. He's losing his control. He's lied. He's cheated. He's about to give up his heart. When Lacey finds out the secret he's known, her rage and pain break his heart. Dex has to find a way to make things up to her, and he has to stop the enemies who are closing in. Nothing he can't handle. Maybe. Dex is a master multi-tasker—most days, anyway. Dex will use every trick in his very large arsenal to win this case. Lacey melted the ice around what the whole world knows is Dex's very, very cold heart, and Dex will fight like hell to protect her and to prove to her that even master spies can fall in love. Author's note: Dex loves playing games. Some would even say he enjoys playing with other people's lives, but this time...it is Dex's life on the line. His life and his heart. The longer his pretend engagement to Lacey lasts, the longer Dex finds himself longing for the real deal. Prepare for lies, tricks, dangerous enemies, and romance hot enough to melt some heavy

snow...Dex's story will burn like fire and things will get WILDE. Stand-alone romance, no cliff-hangers, and a guaranteed happy ending.
