Flaunting it : Your Ultimate Guide to Effortless Style Amacom Books

Though it's a potentially lucrative enterprise, the reality of independent consulting seldom matches the dream. Most solo consultants and boutique consulting firms are perpetually within six months of bankruptcy due to the sputtering unreliability of their new business engines. The problem, according to international consulting expert David A. Fields, is twofold: 1)

lack of a consistent, proven plan, and 2) fundamental

misunderstanding about what clients want in a consultant. Fields, who has helped hundreds of consultants and boutique firms worldwide build lucrative, sustainable practices, replaces the typical consultant's mindset of emphasizing expertise and differentiated processes with a focus on building relationships, engendering trust, and solving clients' existing problems. In *The Irresistible Consultant's Guide to Winning Clients: Six Steps to Unlimited Clients and Financial Freedom*, Fields synthesizes his decades of experience into a step-by-step approach to winning more projects from more clients at higher fees. From nuts-and-bolts business advice and tactics to a deeply insightful breakdown of the human side of a very human profession, Fields delivers a comprehensive guidebook that is at once highly approachable and satisfyingly detailed.

The Sense of Style Council Oak Books

Start living (and dressing for) the life you've always wanted! Do you want a 7 figure salary, less stress in your life, or simply a sense of purpose? No matter what your goals are, having a strong, well presented personal brand, is vital! You would never pull a diamond ring out of a greasy sack to propose to your loved one, so why would you ever think about dressing the incredible person that you are in anything less than your best? Your character traits, accomplishments, and experiences are all part of your personal brand and they are worth much, much more than an engagement ring, so give them the packaging they deserve. In *Dressing Your Personal Brand*, Leslie Friedman walks you through the fundamentals of personal branding before showing you how to use your brand and your appearance to achieve your goals. Equal parts entertaining and informative, fashion smarts and branding

advice, *Dressing Your Personal Brand* will help you uncover the diamond within and dress it to success! In this book, you'll discover: -> How to identify and develop your personal brand -> How to change the way you're perceived by others...simply by changing your clothes! -> How to master the art of body language to get what you want -> How to set life goals and find a job you'll really love -> How to easily and practically reduce stress at home -> How to survive (and thrive!) during tough transitional times -> And much, much more! *Dressing Your Personal Brand: The Ultimate Guide to Leveraging your Appearance to be Happier, More Successful, and Less Stressed* is a practical guide to developing your personal brand and then dressing it for ultimate success. Along with easy to follow advice, you'll find helpful worksheets and an action plan to help you get started becoming the person you've always wanted to be. If you're ready to take your life in your own hands and start living a truer, more fulfilled life, purchase this book today!

How to Transform Your Wardrobe and Dress for the Job You Want Createspace Independent Publishing Platform

CLIENT, CLARIFY, CREATE, CHANGE, CONFIRM, CONTINUE, CLOSE = THE SEVEN SECRETS OF CONSULTANCY "Most change methods are effective. For the most part, each one is theoretically sound, well-researched, and clearly articulated. But when they're put in organizations, they fail-at least 70 to 80% of the time". George Smart, Managing Partner, Strategic Development Incorporated The definition of a consultant is someone who facilitates organisational change and provides expertise on technical, functional

and business topics during development or implementation. In other words a consultant is someone who helps others to change. However, change isn't such an easy target to achieve. Research shows that the vast majority of change programmes fail. On a daily basis we hear about projects that are delayed, cancelled, over budget or boycotted by the end user. The problem is that we can never force people to change - remember the backlash against Jamie Oliver's healthy school meals campaign where parents handed junk food to their children through school fences. The key to successful change is to engage with the end user and help them want to change. The Seven Cs of Consulting offers a consistent and collaborative language that helps both consultant and client deliver value through sustainable change. Based around the author's highly successful 7Cs model (Client, Clarify, Create, Change, Confirm, Continue, Close) this approach is simple and accessible but firmly grounded in research and real life experience. The 7Cs approach opens up the complexity of sustainable change to the consultant and client and helps them explore- and then avoid - the real issues that cause change to fail within a more professional and trusting relationship.

A 5-step Cure for the Common Closet Firmsconsulting LLC

Packed with fashion tips that serve as a handy guide for students and professionals alike, Your Personal Style uses an active learning approach to teach what a fashion consultant does. Author Nancy Plummer shares an intimate knowledge of how the design and fashion merchandising industry best suits the client. The book is divided into five parts, all of which build upon each other. Unlike other image management texts, which simply dictate general rules about body type and coloring, this book uses personality and lifestyle assessment as a method for guiding readers in establishing a style that is truly their own.

Book 1 - The Guide Book Fairchild Books

This text aims to teach the reader how to assess her body type and then choose clothing. The process involves what the

authors call an individual's design pattern. This pattern is made up of lines, shapes, proportions, body particulars, scale, colours and textures. How they fit together in harmony and how an individual infuses them with her innate creativity is what authors call 'style'.

Image Consulting for the 21st Century Graphic Sha Publishing Company

The Secrets of Consulting--techniques, strategies, and first-hand experiences--all that you'll need to set up, run, and be successful at your own consulting business.

Male Image Consulting Routledge

Written for business leaders and consultants who are trying to solve significant problems and create measurable value. Readers can view the templates used in consulting studies and how they are used. All the foundational strategy and business analyses tools are taught along with the soft skills and practical tools to solve any business problem. This is the only book of its kind walking the reader step-by-step through a complete consulting study.

This book follows an engagement team as they assist a large company in diagnosing and fixing deep and persistent organizational issues over an 8-week assignment. Readers will learn how they successfully navigate a challenging client environment, frame the problem and limit the scope, develop hypotheses, build the analyses and provide the final recommendations. We have placed the explanation of management consulting techniques within a lively and engaging storyline, which allows the reader to truly understand the challenges faced on consulting engagements, connect with the characters, and understand both how and why they debated elements

of the study. It is written so that the reader may follow, understand, and replicate a strategic engagement using the same techniques used by the leading firms, such as McKinsey, Bain, and BCG. To make the story realistic and useful, we have worked with one client engagement throughout the book. Using different examples and different clients to explain concepts would have made it difficult for readers to see the data linkages and development of the final recommendations. The client and engagement are fictitious. The data presented are also fictitious, but they are based on actual consulting engagements and the experiences of the author and the contributing McKinsey, BCG, et. al. partners at FIRMSconsulting.com & StrategyTraining.com. RESERVE YOUR SPOT FOR FREE EPISODES FROM EX-MCK ET AL. PARTNERS AT FIRMSCONSULTING.COM/PROMO FREE EPISODE FROM THIS BOOKS COMPANION COURSE AT FIRMSCONSULTING.COM/SAAMC Your Fashion Guide Based on Body Shape & the Space of the Waist(r) FabJob Guide to Become an Image Consultant Student workbook to accompany online course at FashionStylistInstitute.com - Image consulting has always been an informal passion for many men and women the world over. As a profession it was formalized in 1983 with the founding of the Association of Image Consultants International (AICI). Today it is a respected profession and a career choice for many since it offers relatively easy entry with minimal start-up financial investment. But, of course, like any profession, you need training. This book is one of many guides Gillian Armour has published to train aspiring image, style and fashion consultants and to provide continuing education for established

consultants. This book is not a menswear guide. It is a guide to the methods of consulting with the male client and is written specifically for fashion consultants. The guidelines in this book take the consultant through the ten steps of a male image makeover. The method is based on the transformative steps I take my clients through. I have added information about male style personas to give you an understanding of the "image" and look that relates to the most popular for men. In the final chapter of this book you will find dress guidelines relating to occasion dressing (date, interview etc.) along with a guide to fashion terminology for men's clothing (pick stitching, collar bar, tie tack etc.). By the end of this book, the reader will be able to process an image consultation with a male client and provide solid fashion and style guidance to that client. She/he will also understand the variations in body shapes and style personas to better guide her clients sartorial choices. I also include a section on additional services you can provide your clients, from the art of grooming to sock, tie, and shoe shopping!

It's All about Optics CreateSpace

It is a practical and comprehensive guide for beginning and established image consultants, as well as for those who want to know if this career is right for them.

The Ultimate Guide to Leveraging Your Appearance to Be Happier, More Successful, and Less Stressed Createspace Independent Publishing Platform

"Pinker has a lot of ideas and sometimes controversial opinions about writing and in this entertaining and instructive book he rethinks the usage guide for the 21st century. Don't blame the internet, he says, good writing has always been hard. It requires imagination, taking pleasure in reading, overcoming the difficult we all have in imaging what it's like to not know something we do know."--Publisher information.
