A witty, insightful, and delightfully snarky blend of pop culture meets memoir meets real-life Devil Wears Prada as readers learn the stories behind twenty-five years at Vanity Fair from the magazine's former deputy editor "Dilettante offers the best seat in the house into the workings of one of the great cultural institutions of our time." —Buzz Bissinger, New York Times bestselling author of Friday Night Lights Dana Brown was a twenty-one-year-old college dropout playing in punk bands and partying his way through downtown New York's early-nineties milieu when he first encountered Graydon Carter, the legendary editor of Vanity Fair. After the two had a handful of brief interactions (mostly with Brown in the role of cater waiter at Carter's famous cultural salons he hosted at his home), Carter saw what he believed to be Brown's untapped potential, and on a whim, hired him as his assistant. Brown instantly became a trusted confidante and witness to all of the biggest parties, blowups, and takedowns. From inside the famed Vanity Fair Oscar parties to the emerging world of the tech elite, Brown's job offered him access to some of the most exclusive gatherings and powerful people in the world, and the chance to learn in real time what exactly a magazine editor does—all while trying to stay sober enough from the required party scene attendance to get the job done. Against all odds, he rose up the ranks to eventually become the magazine's deputy editor, spending a quarter century curating tastes at one of the most storied cultural shops ever assembled. Dilettante reveals Brown's most memorable moments from the halcyon days of the magazine business, explores his own journey as an unpedigreed outsider to established editor, and shares glimpses of some of the famous and infamous stories (and people) that tracked the magazine's extraordinary run all keenly observed by Brown. He recounts tales from the trenches, including encounters with everyone from Anna Wintour, Lee Radziwill, and Condé Nast owner Si Newhouse, to Seth Rogen, Caitlyn Jenner, and acclaimed journalists Dominick Dunne and Christopher Hitchens. Written with equal parts affection, cultural exploration, and nostalgia, Dilettante is a defining story within that most magical time and place in the culture of media. It is also a highly readable memoir that skillfully delivers a universal coming-of-age story about growing up and finding your place in the world.

"A scrumptious gem of a story!"—Jennifer A. Nielsen, New York Times bestselling author of The False Prince Meet Gladys Gatsby: New York's toughest restaurant critic. (Just don't tell anyone that she's in sixth grade.) Gladys Gatsby has been cooking gourmet dishes since the age of seven, only her fast-food-loving parents have no idea! Now she's eleven, and after a crême brûlée accident (just a small fire), Gladys is cut off from the kitchen (and her allowance). She's devastated but soon finds just the right opportunity to pay her parents back when she's mistakenly contacted to write a restaurant review for one of the largest newspapers in the world. But in order to meet her deadline and keep her dream job, Gladys must cook her way into the heart of her sixth-grade archenemy and sneak into New York City—all while keeping her identity a secret! Easy as pie, right?

The truth is subjective to what the lonely lets in. Emalyn Spicer has lived with it for a long time. She thinks it goes back further than her memories do. She knows it goes back further than the OCD. When she arrives at college, her OCD's and the lonely refuse to let her have her wish to be normal. When she meets Sebastian and starts to fall for him, she lets herself believe it's possible to outrun the things chasing her from the past. But how to you get away from the things inside of you? How do you run from yourself? Just as she gives up and succumbs to the lonely, the unthinkable happens. She finds herself once again trapped in the dark, once again held against her will. This time she meets the lonely head on. In the darkest corners of her mind, she discovers there is more to her world than she ever imagined. She discovers that the lonely was there for her, protecting her from herself and her secrets. How far would you go to find yourself?

The End of Days: The Light Imaginations In the Club of the Unknown, where the music blares and the faces are hidden behind masks, Gwyn meets a boy. Not just any boy, but one she is certain she has met before. Only that's not possible. Gwyn lives in the last city of men, where memories are made through repetition and yesterday is forgotten with the reset. The world has peace, what's left of it anyway. Peace that has been gained through sacrifice. But as behavioural school ends and Gwyn is sent out into the work force, she discovers that not everyone resets. Not everything is as it seems. The peace they live in is as fake as the masks they wear in the clubs. She starts to see that the walls surrounding the city, to keep the monsters out, might actually be keeping them in. And maybe the boy she thought she knew, isn't what he appeared to be at all. Don't miss this exciting new Post Apocalyptic Romance from the author of the bestselling series The Born Trilogy! City of Men 1

Book 1 of Cowboys & Brides From New York Times and USA Today bestselling author Carolyn Brown comes a contemporary Western romance filled to the brim with sexy cowboys, gutsy heroines, and genuine down-home Texas twang. Colton Nelson was twenty-eight years old when he won the Texas Lottery and went from ranch hand to ranch owner overnight. Now he's desperate to keep the gold diggers away. It shouldn't be too hard to find a pretty girl and hire her to pretend to be his one-and-only. Laura Baker's got mixed feelings about this—she's on the ranch to work, not to be arm candy. On the other hand, being stuck for a while in the boondocks with a gorgeous cowboy isn't half-bad. What neither Colton nor Laura expects are the intensely hard lessons they have to learn about the real cost of love... Fans of Linda Lael Miller and Diana Palmer will thrill to this moving story of a marriage of convenience between a cowboy who has it all...and the woman he could never have enough of. In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Nineteenth-century chemists were faced with a particular problem: how to depict the atoms and molecules that are beyond the direct reach of our bodily senses. In visualizing this microworld, these scientists were the first to move beyond high-level philosophical speculations regarding the unseen. In Image and Reality, Alan Rocke focuses on the community of organic chemists in Germany to provide the basis for a fuller understanding of the nature of scientific creativity. Arguing that visual mental images regularly assisted many of these scientists in thinking through old problems and new possibilities, Rocke uses a variety of sources, including private correspondence, diagrams and illustrations, scientific papers, and public statements, to investigate their ability to not only imagine the invisibly tiny atoms and molecules upon which they operated daily, but to build detailed and empirically based pictures of how all of the atoms in complicated molecules were interconnected. These portrayals of "chemical structures," both as mental images and as paper tools, gradually became an accepted part of science during these years and are now regarded as one of the central defining features of chemistry. In telling this fascinating story in a manner accessible to the lay reader, Rocke also suggests that imagistic thinking is often at the heart of creative thinking in all fields. Image and Reality is the first book in the Synthesis series, a series in the history of chemistry, broadly construed, edited by Angela N. H. Creager, John E. Lesch, Stuart W. Leslie, Lawrence M. Principe, Alan Rocke, E.C. Spary, and Audra J. Wolfe, in partnership with the Chemical Heritage Foundation.

Babe Walker, center of the universe, is a painstakingly manicured white girl with an expensive smoothie habit, a proclivity for Louboutins, a mysterious mother she's never met, and approximately 50 bajillion Twitter followers. But her "problems" have landed her in shopping rehab-that's what happens when you spend \$246,893.50 in one afternoon at Barneys. Now she's decided to write her memoir, revealing the gut-wrenching hurdles she's had to overcome in order to be perfect in every way, every day. Hurdles such as: I hate my horse. Every job I've ever had is the worst job I've ever had. He's not a doctor, a lawyer, or a prince. I'll eat anything, as long as it's gluten-free, dairy-free, low-carb, low-fat, low-calorie, sugar-free, and organic. In an Adderall-induced flash of inspiration, Babe Walker has managed to create one of the most enjoyable, unforgettable memoirs in years.

They came after the Diseray. Some were terrors ripped from our collective imaginations, remnants of every mythology across the world. And some were like nothing anyone had ever dreamed up, even in their worst nightmares. Monsters. Long ago, the barriers between our world and the Otherworld were ripped open, and it's taken centuries to bring back civilization in the wake of the catastrophe. Now, the luckiest Cits live in enclosed communities, behind walls that keep them safe from the hideous monsters fighting to break through. Others are not so lucky. To Joyeaux Charmand, who has been a Hunter in her tight-knit mountain community since she was a child, every Cit without magic deserves her protection from dangerous Othersiders. Then she is called to Apex City, where the best Hunters are kept to protect the most important people. Joy soon realizes that the city's powerful leaders care more about luring Cits into a false sense of security than protecting them. More and more monsters are getting through the barriers, and the close calls are becoming too frequent to ignore. Yet the Cits have no sense of how much danger they're in to them, Joy and her corp of fellow Hunters are just action stars they watch on TV. When an act of sabotage against Joy takes an unbearable toll, Joy uncovers a terrifying conspiracy in the city. There is something much worse than the usual monsters infiltrating Apex. And it may be too late to stop them

Draw with Confidence and Creativity! New in paperback! Creativity occurs in action. It is not a trait; it is something you do. To be creative, you need to engage in the art-making process. When you are "in the flow," you shift out of the future and into the present, making connections, generating variations and surrendering to the process. This ten-year edition of Keys to Drawing With Imagination is a course for artists in how to take something, do something to it and make something new. Bert Dodson, author of the best-selling Keys to Drawing (more than 250,000 copies sold!) presents fun techniques and mind-stretching strategies to get you drawing better and more imaginatively than you ever have before. In every section, he offers you basic guidelines that help you channel your creative energies in the right direction. Before you know it, you'll lose yourself in the process, enjoying the experience as you create something gratifying and worthwhile. The subjects covered in this hands-on book are as vast as the imagination itself. Through 58 strategies, 36 exercises and 13 step-by-step demonstrations, you'll explore how to:

- Take your doodling from mindless to masterful
- Create your own reality by crumbling, melting or breaking objects
- Flip the familiar on its ear to create something utterly original
- Experiment with visual paradox and metaphor
- Tell vivid stories through the details in your drawings
- Play with patterns to create captivating compositions
- Build your drawings by borrowing ideas from different cultures
- Develop a theme in your work

Along the way, Dodson offers you priceless advice on the creative process culled from his 70 years of drawing and teaching. For additional inspiration and encouragement, he includes the work of 30 other outstanding artists, including R. Crumb and Maya Lin. So what are you waiting for? Grab this book and start drawing! You'll be amazed at what you can create. \*Note to readers: This book is a 10-year

anniversary paperback reprint of the Keys to Drawing with Imagination hardcover edition (2006).
