The Art of Animal Drawing North Light Books

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for

art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as

well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Internationally renowned artist and best selling author Stephen Quiller shows readers how to discover their own personal "color sense" in Color Choices, a book that offers readers a fresh perspective on perfecting their own color styles. With the help of his own "Quiller Wheel," a

special foldout wheel featuring 68 precisely placed colors, the author shows artists how they can develop their own unique color blends. First, Quiller demonstrates how to use the wheel to interpret color relationships and mix colors more clearly. Then he explains, step by step, how to develop five structured color schemes, apply underlays and overlays, and use color in striking, unusual ways. This book will bring out every artist's unique sense of color whether he or she works in oil, watercolor, acrylics, gouache, or casein.

Draw with Confidence and Creativity! New in paperback! Creativity occurs in action. It is not a trait; it is something you do. To be creative, you need to engage in the art-making process. When you are "in the flow," you shift out of the future and into

the present, making connections, generating variations and surrendering to the process. This ten-year edition of *Keys to Drawing With Imagination* is a course for artists in how to take something, do something to it and make something new. Bert Dodson, author of the best-selling *Keys to Drawing* (more than 250,000 copies sold!) presents fun techniques and mind-stretching strategies to get you drawing better and more imaginatively than you ever have before. In every section, he offers you basic guidelines that help you channel your creative energies in the right direction. Before you know it, you'll lose yourself in the process, enjoying the experience as you create something gratifying and worthwhile. The subjects covered in this hands-on book are as vast as the imagination itself. Through 58 strategies, 36 exercises and 13 step-by-step demonstrations, you'll explore how to:

- Take your doodling from mindless to masterful
- Create your own reality by crumbling, melting or breaking objects
- Flip the familiar on its ear to create something utterly original
- Experiment with visual paradox and metaphor
- Tell vivid stories through the

details in your drawings

- Play with patterns to create captivating compositions
- Build your drawings by borrowing ideas from different cultures
- Develop a theme in your work

Along the way, Dodson offers you priceless advice on the creative process culled from his 70 years of drawing and teaching. For additional inspiration and encouragement, he includes the work of 30 other outstanding artists, including R. Crumb and Maya Lin. So what are you waiting for? Grab this book and start drawing! You'll be amazed at what you can create. *Note to readers: This book is a 10-year anniversary paperback reprint of the *Keys to Drawing with Imagination* hardcover edition (2006).
