Dragon Guard: Book 1: Prophecy of the Dragons Kindle Edition
I always enjoy reading Ms Mills Dragon Guard books. This is no exception. They are a good mix of humour and darkness. Her characters are well rounded and have an interesting back story..If you have not read the series from the beginning I would recommend doing so although if like me you live outside the US for some dumb reason Amazon will not allow you to buy the books Ms Mills writes in the ... What isn't a series? Series was designed to cover groups of books generally understood as such (see Wikipedia: Book series). Like many concepts in the book world, "series" is a somewhat fluid and contested notion. A good rule of thumb is that series have a conventional name and are intentional creations, on the part of the author or publisher ...
