*The Writings of Oscar Wilde* Courier Corporation

Best-selling author Kostya Kennedy delivers evocative answers in his fascinating reexamination of Pete Rose's life; from his cocky and charismatic early years through his storied playing career to his bitter war against baseball's hierarchy to the man we find today—still incorrigible, still adored by many. Where has his improbable saga landed him in the redefined, post-steroid world? Do we feel any differently about Pete Rose today? Should we?

A Suitable Boy GRIN Verlag

Oscar Wilde created his final and most lasting play, comic masterpieces of all time, *THE IMPORTANCE OF BEING EARNEST*, in 1895. Considered one of the greatest *THE IMPORTANCE OF BEING EARNEST* is a farce, playing with love, religion, and truth as it tells the tale of two men. Jack Worthing and Algernon Moncrieff, who bend the truth in order to add excitement to their lives. Jack invents an imaginary brother, Ernest, whom he uses as an excuse to escape from his dull country home and gallivant in town. Meanwhile, Algernon follows Jack's scam, but his imaginary friend, Bumbury, provides a convenient method of adventuring in the country. However, their deceptions eventually cross paths, resulting in a series of crises that threaten to spoil their romantic pursuits. Hailed as the first modern comedy in England, *THE IMPORTANCE OF BEING EARNEST* is Wilde's most famous work. This collection also features two other plays that Wilde penned earlier in his career, *LADY WINDERMERE'S FAN* and *AN IDEAL HUSBAND*, that also display his ability to convey warmth and wit through his hilarious characters and their outlandish situations.

Epigrams & Aphorisms Read Books Ltd

Concise and illuminating articles explore Oscar Wilde's life and work in the context of the turbulent landscape of his time.

Originally published in 1898, "The Ballad of Reading Gaol" is a poem written by Oscar Wilde. Composed after his release from the titular prison whilst he was in exile in Berneval-le-Grand, the poem deals with the hanging at Reading Gaol of Charles Thomas Wooldridge, a 30-year-old man who was imprisoned for cutting his wife's throat. Within the poem, Wilde narrates the execution in full and explores the brutal nature of the punishment that all inmates must endure. Oscar Wilde (1854 – 1900) was an Irish poet and playwright who became one of the most popular in London during the 1880s and 1890s. Well-known for his sharp wit and extravagant attire, Wilde was a proponent of aestheticism and wrote in a variety of forms including poetry, fiction, and drama. He was famously imprisoned for homosexual acts from 1895 to 1897 and died at the age of 46, just three years after his release. Other notable works by this author include: "Picture of Dorian Gray" (1890), "Salome" (1891), and "The Importance of Being Earnest" (1895). Ragged Hand is proudly republishing this classic poem now complete with a specially-commissioned new biography of the author.

An Ideal Husband Usborne Publishing Ltd

Subtitled "A Trivial Comedy for Serious People," Wilde's play is a brilliantly satirical comedy of manners, sending up the absurdity of Victorian social mores and cleverly critiquing the conventions of love and marriage. The tale of two gentlemen who adopt fictitious identities in order to woo the objects of their affections is Wilde's most beloved work, considered to be one of the wittiest plays ever written in English. The glowing critical reception in London on opening night at the St. James Theater in 1895 marked the high point of Wilde's career as a writer.

The Picture of Dorian Gray Createspace Independent Publishing Platform

Wilde's witty and buoyant comedy of manners, filled with some of literature's most famous epigrams, reprinted from an authoritative British edition. Considered Wilde's most perfect work.

Seminar paper from the year 2010 in the subject English - Literature, Works, grade:

2,3, University of Koblenz-Landau (Anglistik), language: English, abstract: It is impossible to imagine living without irony in our everyday life. Irony as a form of "linguistic indirectness" has become a phenomenon in recent years. It is used by, no matter what age or social group in our speaking, writing and literature. The term "irony" derives etymologically from the Greek word "eironeia" and actually means "adjustment," "escape," or especially "lack of seriousness." But another significant element is being added, which is "making fun of someone." So if you call someone a hero, who just ran away from something harmless, you do not mean it literally, you indirectly try to express the opposite. Actually you would have said, that he is a total coward. But exactly that is what makes a definition of the term "irony" so difficult, because it is not always exactly the opposite when you are ironic; sometimes it just means something else. If we now start from this explanation of the term, you could assume that something ironic is almost a lie, as someone who uses irony wants to express something else than he actually says. It is not a lie because when you lie you try your best nobody realizes your being untrue. When someone is ironic, the intention is to let the other person notice this. Thus irony is transparent where a lie is, at least, opaque. The second major difference is the intention to deceive which is constitutive for the lie, but not when you use irony. You also can not compare irony with mockery; mockery always tries to hurt someone directly, irony in contrast always is detached and uses some kind of adjustment. In this work I will try to define irony and try to find and analyze some of the ironic passages from Oscar Wilde's comedy "The Importance of Being Earnest." The eccentric Oscar Wilde, who lived from 1854 until 1900 was one of the leading representatives of the aesthe

The original CliffsNotes study guides offer a look into critical elements and ideas within classic works of literature. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. CliffsNotes on *The Importance of Being Earnest* offers a concise look at this Victorian farce, which tweaks the complacency and aristocratic attitudes prevalent among the wealthy upper class of the time. Hidden identities, fierce repartee, underlying passions, and surprises punctuate this lively play. This study guide shows, through its expert commentaries, just how three sets of lovers clear up mishap and misunderstandings and end up happily ever after. Other features that help you figure out this survey of Victorian social issues include: A close look at the author's life, which itself was rife with scandal and ruin Summaries and commentaries, act by act Descriptive character analyses A character map that reveals key relationships Critical essays on Victorian views on compassion, religion,

marriage, and more A review section that tests your knowledge, and suggested essay topics Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

**Variability in Early Communicative Development** St. Martin's Press

Essay from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Amsterdam, language: English, abstract: Oscar Wilde's plays are characterized by satirical wit that exposes and derides the norms, values and beliefs of Victorian society. Although it could be argued that his comedies were mainly designed to amuse the aristocratic audience, his characters challenge the dominant gender roles in a revolutionary way. In her article "Gender roles in the 19th century," Kathryn Hughes explains, that "during the Victorian period men and women's roles became more sharply defined than at any time in history." It can be said that the clear division of two gender roles is created by a social system and the prevailing cultural beliefs of a society.

The Importance of Living Gramwardog LLC

Over one hundred presentations from the thirty-fourth Charleston Library Conference (held November 5-8, 2014) are included in this annual proceedings volume. Major themes of the meeting included patron-driven acquisitions versus librarian-driven acquisitions; marketing library resources to faculty and students to increase use; measuring and demonstrating the library's role and impact in the retention of students and faculty; the desirability of textbook purchasing by the library; changes in workflows necessitated by the move to virtual collections; the importance of self-publishing and open access publishing as a collection strategy; the hybrid publisher and the hybrid author; the library's role in the collection of data, datasets, and data curation; and data-driven decision making. While the Charleston meeting remains a core one for acquisitions, serials, and collection development librarians in dialog with publishers and vendors, the breadth of coverage of this volume reflects the fact that the Charleston Conference is now one of the major venues for leaders in the information community to shape strategy and prepare for the future. Over 1,600 delegates attended the 2014 meeting, ranging from the staff of small public library systems to CEOs of major corporations. This fully indexed, copyedited volume provides a rich source for the latest evidence-based research and lessons from practice in a range of information science fields. The contributors are leaders in the library, publishing, and vendor communities.
