Steven Gould (Author of Jumper) - Goodreads

Again, Steven Gould didn't disappoint. It's a perfect sequel of the Jumper saga and also an excellent and contemporary novel adding issues every teenager faces: new school and friends, crushes, and sex, but everything from a clean perspective and not leaving action aside.

I first read Gould's Jumper when it came out in pb more than 20 years ago. It was a great story and well executed. I found out he had a sequel after the movie "Jumper" came out. The sequel was okay, not as good as Jumper, but well done except for the change in the "Jumper" universe to match that of Griffin and the movie.
