IMU CET as you know is an exam for taking admission in to the maritime colleges. IMU Common Entrance Test (CET), which is also known as IMU CET, is conducted by Indian Maritime University, a government recognized University. The University conducts the common entrance test for admission in its undergraduate level program in the field of maritime engineering. PCM (Physics, Chemistry and Math) has important role in IMU CET and all competitive exams. Even a single question can change your rank, life and future. The questions on PCM asked in various competitive examinations aren't easy to solve without having enough practice of the concepts on which the same are based. The book is especially helpful to students who are preparing for IMU CET exam. While designing this book, the format and the nature of the examination have been taken into consideration. The book can also be used by students who are preparing for other competitive examinations.
