Punishing Thirst - Grumpy
Hero Dante Drago saves
the day — for a price — he
demands Savanna López
stand in as his Fake Fiancé
in this steamy Mafia
Romance. Dante: She
needs rescuing, but the
very thought of having
Savanna caged up,
beholden to me, makes my
pulse quicken and certain
parts of my anatomy swell.
From the second I meet
her, I know I'll devour her
faster than a piece of the
delicious carrot cake she
makes. She's on the run.
I'll keep her secret, but she
owes me one. She'll be

under my lock and key, except for her shifts at the bakery. The only problem with my plan is that it backfires. Now she has my baby inside her, and there are two people to look after instead of one. Lord knows, I'm no angel. But I have to defend her, and keep our baby safe. Commanding Thirst - Made Man, Antonio Drago forgot most of what he learned in school — but bookworm Daphne Pruitt swallows him up heart and soul in this second chance, mafia romance. Antonio: Ever since walking her home every day from school, I fell hard for her. It was wrong then, but now she's of age. And she needs my help again. Her sister's in deep with the Cartel, and has gone missing. Right on schedule, it's Daphne's job to save her. It's time someone took care of my baby girl for a

change. I never professed to be above bribery, and I'm a dark devil after all, because once I specify my demands I can no longer resist her. Right then I know I'll shock the hell out of her like I've been wanting to do since that first day I walked her home from high school. There. I admitted it. I'm a rotten scoundrel. The question is, will she forgive me? Obsessive Thirst - An Italian mobster. A missing fiancé. A forbidden obsession he cannot resist. Enzo Drago: I watch her like a hawk. Someone has to. My best friend's daughter has a knack for getting herself into trouble. Turns out, protecting her isn't as easy as I expected. She doesn't realize I'm obsessed with her. Watching over her when she has no clue I'm there. Taking photos to stare at later on, privately, satisfying

my urges while looking at her hot pics. My vow to keep my hands off her is impossible when she follows me around like a lost puppy. Does she tempt me on purpose? Or is that the wishful thinking of a beaten and battered, middle-aged gangster? Tessa's clueless about how much trouble her outstanding debt to the Dragos will bring. I kept them at bay as long as I could, but we're not running a charity operation here. Crazy chemistry aside, I'm the wrong guy for her — a monster disguised in an expensive suit. But no matter how hard I try to resist, I can't stop thinking of making her my toy. Showing her the rules of my game. Risking just one touch to fulfill a forever fantasy. She is sunshine and I am darkness, and I assumed I controlled the stakes between us. But now

Tessa's in real trouble. You can bet your life on it, there's going to be hell to pay. Captive Thirst - A cartel princess in disguise. An attempted kidnapping. One arranged marriage to strengthen the crime family syndicate. Carlos Drago: Her scent gave her away. Pure female. She hid her true identity, so she could race my colt, and I'll be damned if she didn't win. When enemies tried to snatch her up and stuff her in a trunk, I drove them off and took her home. The problem is, she makes me feel. Gabriela has no idea about my plans for us both, and when she finds out, that spark in her smile that I love so much might go away. Ours will be a marriage that unites our families. The very thought of her unhappiness makes this fearsome soldier, whose body is a deadly weapon, deeply,

irrevocably afraid. I can't lose her. Though my hands are scarred with murder, I lull her to sleep every night and kiss her eyes. She is my weakness. Despite being stronger than iron, I cannot resist her. When trouble comes looking for her, I hunt it down. She's my family now. Nobody hurts my family and lives. No one. First Contact (In Her Name, Book 1) In Her Name: Empire

A darkly imaginative writer in the tradition of Joe Abercrombie, Peter V. Brett, and Neil Gaiman conjures a gritty mind-bending fantasy, set in a world where delusion becomes reality . . . and the fulfillment of humanity's desires may

well prove to be its undoing. When belief defines reality, those with the strongest convictions—the crazy, the obsessive, the delusional—have the power to shape the world. And someone is just mad enough to believe he can create a god . . . Violent and dark, the world is filled with the Geisteskranken—men and women whose delusions manifest. Sustained by their own belief—and the beliefs of those around them—they can manipulate their surroundings. For the High Priest Konig, that means creating order out of the chaos in his city-state, leading his believers to focus on one thing: helping a young man, Morgen, ascend to become a god. A god they

can control. Trouble is, there are many who would see a god in their thrall, including the High Priest's own doppelgangers, a Slaver no one can resist, and three slaves led by possibly the only sane man left. As these forces converge on the boy, there's one more obstacle: time is running out. Because as the delusions become more powerful, the also become harder to control. The fate of the Geisteskranken is to inevitably find oneself in the Afterdeath. The question, then, is: Who will rule there?
