Nikolai 2 (Her Russian Protector #6) Farrar, Straus, and Giroux
The first-ever authoritative A-Z celebration of the 500 greatest names in men's fashion - 200 years of men's style through the work of designers, brands, photographers, icons, models, retailers, tailors, and stylists around the globe
Sinn Fein Rebellion Handbook. Easter 1916 Her Russian Protector
Book 5 in the Her Russian Protector series After losing her older brother in a violent robbery, wedding gown designer Bianca Bradshaw refuses to date men with criminal ties. She's never been tempted to cross that line-until Sergei. The Russian behemoth works as an enforcer for mob boss Nikolai Kalasnikov and fights as his champion in the underground bare-knuckle circuit. Sergei is absolutely the last complication she needs in her life-but he's the only man who makes her body ache with desire. And right now she needs his help. When he learns

some creep is bothering Bianca, Sergei Sakharov vows to protect her at all costs. He's been trying to get close to the plus-sized beauty for months but she rejects him at every turn. He's determined to show her that he's worth more as a man than his criminal connections. But Sergei's loyalty to his family-both blood and criminal-put him at odds with the future he wants with Bianca. He has to choose-the woman he desperately loves or his loyalty to the man who saved his life. Because the darkness of the underworld he inhabits is about to spill into Bianca's life and the hardest choice may be the only one that allows him to protect her...
Boxing Phaidon
From beloved indie musician Andrew McMahon comes a searingly honest and beautifully written memoir about the

challenges and triumphs of his life and career, as seen through the lens of his personal connection to three pianos. Andrew McMahon grew up in sunny Southern California as a child prodigy, learning to play piano and write songs at a very early age, stunning schoolmates and teachers alike with his gift for performing and his unique ability to emotionally connect with audiences. McMahon would go on to become the lead singer and songwriter for Something Corporate and Jack's Mannequin, and to release his debut solo album, Andrew McMahon in the

Wilderness, in 2014. But behind this seemingly optimistic and quintessentially American story of big dreams come true lies a backdrop of overwhelming challenges that McMahon has faced—from a childhood defined by his father's struggle with addiction to his very public battle with leukemia in 2005 at the age of twenty-three, as chronicled in the intensely personal documentary Dear Jack. Overcoming those odds, McMahon has found solace and hope in the things that matter most, including family, the healing power of music and the one instrument he's always turned to: his

piano. Three Pianos takes readers on a beautifully rendered and bitter-sweet American journey, one filled with inspiration, heartbreak, and an unwavering commitment to shedding our past in order to create a better future.

Sherlock Holmes and the Irish Rebels Independently Published

Danny is dangerous. Not, like, drives a fast car dangerous or alcoholic gambler like my dad dangerous. He's mafia dangerous. Russian bratva. Vory v zakone. He belongs to Nikolai Kalasnikov's family, the most powerful mob syndicate in Houston. Months ago, we shared a secret, thrilling kiss before Danny disappeared with only a brief goodbye, sent away by his boss to handle family

business. And then someone tried to kill me and my family. Now, my dad is missing. My stepmom is in jail. My younger siblings are in foster care. Loan sharks and Triad gangsters are threatening me, and I've never needed Danny more. But, when he finally comes back into town, he finds me half-naked and dancing on a stage for one his enemies. Suddenly, that dark, dangerous glare is on me, and—it leaves me quaking, my entire body trembling with a desperate need to be claimed and possessed by him. But Danny's protection comes with a high price. Because once you're part of the underworld, there's only one way out...

Three Pianos Phaidon Press
It is early 1916 and the world is at war. Sherlock Holmes is well into his spy persona as Altamont following the capture of the German spy Von Bork at the opening of the Great War. Watson is called to London by Mycroft Holmes

and is asked to join Sherlock, who has infiltrated the Irish Volunteers. War within the United Kingdom could deal a decisive blow to the war effort and Holmes must find out the rebels plans, and if possible, stop the rebellion which appears imminent. He has need of Watson once again.

In Kelly's Corner (Fighting Connollys #1) Night Works Books

A unique novel about life in a 14th-century convent by one of England's most original authors. Sylvia Townsend Warner's *The Corner That Held Them* is a historical novel like no other, one that immerses the reader in the dailiness of history, rather than history as the given sequence of events that, in time, it comes to seem. Time ebbs and flows and characters come and go in this novel, set in the

era of the Black Death, about a Benedictine convent of no great note. The nuns do their chores, and seek to maintain and improve the fabric of their house and chapel, and struggle with each other and with themselves. The book that emerges is a picture of a world run by women but also a story—stirring, disturbing, witty, utterly entrancing—of a community. What is the life of a community and how does it support, or constrain, a real humanity? How do we live through it and it through us? These are among the deep questions that lie behind this rare triumph of the novelist's art.

In Finn's Heart Reaktion Books

Shawn Baker's *Carnivore Diet* is a revolutionary,

paradigm-breaking nutritional strategy that takes contemporary dietary theory and dumps it on its head. It breaks just about all the “rules” and delivers outstanding results. At its heart is a focus on simplicity rather than complexity, subtraction rather than addition, making this an incredibly effective diet that is also easy to follow. The Carnivore Diet reviews some of the supporting evolutionary, historical, and nutritional science that gives us clues as to why so many people are having great success with this meat-focused way of eating. It highlights dramatic real-world transformations experienced by people of all types. Common disease conditions that are often thought to be lifelong and progressive are often reversed on this diet, and in this book, Baker discusses

some of the theory behind that phenomenon as well. It outlines a comprehensive strategy for incorporating the Carnivore Diet as a tool or a lifelong eating style, and Baker offers a thorough discussion of the most common misconceptions about this diet and the problems people have when transitioning to it.

Kostya Penguin

Robert Hughes has trained his critical eye on many major subjects, from the city of Barcelona to the history of his native Australia. Now he turns that eye inward, onto himself and the world that formed him. Hughes analyzes his experiences the way he might examine a Van Gogh or a Picasso. From his relationship with his stern and distant father to his Catholic upbringing and school years; and from his development as an artist, writer, and critic to his growing appreciation of art and his exhilaration at leaving Australia to discover a new

life, Hughes' memoir is an extraordinary feat of exploration and celebration.

The Corner That Held Them Macmillan

"When people say they want to read a really good novel, the kind you just can't put down, this is the kind of book they mean. Exceptional." —STEPHEN KING "Berney's emotional, empathetic writing keeps . . . the pages turning."

—ENTERTAINMENT WEEKLY, "Required Reading" NAMED A BEST BOOK OF THE YEAR BY Entertainment Weekly • Washington Post • AARP • Newsweek • Dallas Morning News • South Florida Sun-Sentinel • Chicago Public Library • Real Book Spy • CrimeReads • Litreactor • Library Journal • LitHub • Booklist Winner of the Barry, Macavity, and Anthony Awards, the

Hammett Prize, the Left Coast Crime "Lefty" Award for Best Mystery Novel, the Oklahoma Book Award for Best Fiction Novel, and the CWA Ian Fleming Steel Dagger award for Best Thriller Novel! Set against the assassination of JFK, a poignant and evocative crime novel that centers on a desperate cat-and-mouse chase across 1960s America—a story of unexpected connections, daring possibilities, and the hope of second chances from the Edgar Award-winning author of *The Long and Faraway Gone*. Frank Guidry's luck has finally run out. A loyal street lieutenant to New Orleans' mob boss Carlos Marcello, Guidry has learned that everybody is expendable. But now it's his turn—he knows too much about the crime of the century: the assassination of President John F.

Kennedy. Within hours of JFK's murder, everyone with ties to Marcello is turning up dead, and Guidry suspects he's next: he was in Dallas on an errand for the boss less than two weeks before the president was shot. With few good options, Guidry hits the road to Las Vegas, to see an old associate—a dangerous man who hates Marcello enough to help Guidry vanish. Guidry knows that the first rule of running is "don't stop," but when he sees a beautiful housewife on the side of the road with a broken-down car, two little daughters and a dog in the back seat, he sees the perfect disguise to cover his tracks from the hit men on his tail. Posing as an insurance man, Guidry offers to help Charlotte reach her destination, California. If she accompanies him to Vegas,

he can help her get a new car. For her, it's more than a car— it's an escape. She's on the run too, from a stifling existence in small-town Oklahoma and a kindly husband who's a hopeless drunk. It's an American story: two strangers meet to share the open road west, a dream, a hope—and find each other on the way. Charlotte sees that he's strong and kind; Guidry discovers that she's smart and funny. He learns that she determined to give herself and her kids a new life; she can't know that he's desperate to leave his old one behind. Another rule—fugitives shouldn't fall in love, especially with each other. A road isn't just a road, it's a trail, and Guidry's ruthless and relentless hunters are closing in on him. But now Guidry doesn't want to just survive, he wants to really

live, maybe for the first time. Everyone's expendable, or they should be, but now Guidry just can't throw away the woman he's come to love. And it might get them both killed.

Enter the world of the most notorious gambling den in London, where matches are made...

unusually. Welcome to the world of THE LYON'S DEN: The Black Widow of Whitehall Connected World, where the

underground of Regency London thrives... and

loves. Heiress to a fortune, Jenny Hambling needs a husband, before she is made to marry a man she despises. The Lyon's Den is her only

option to buy a husband fast. But she runs into the last man she wants to

meet, Miles, The Duke of Goldthorpe. He ruined

Jenny's debut by calling her a Mill Girl. Now he will ruin her bargain with his

friend. Three years ago, Miles saw Jenny and tumbled head over heels in love. Doubting his feelings, he called her a name he later regretted, but he arrived at her house too late to apologize. Jenny had gone home. Philosophically, Miles put the whole incident down to a brief infatuation and went on with his life. But infuriatingly, he could never forget her. Now, he can do no less than make amends for her disastrous first season. Thrown together, Jenny and Miles find their attraction as strong as ever. But their lives have moved on, and they find themselves in a new place. Miles is a duke with all the pomp and responsibility that entails. Jenny has an industrial

empire to manage in the north. The obstacles seem too great. But are they really? Read Free in Kindle Unlimited! Isaias,

who passed a prestigious national calculus test as a junior and leads the quiz bowl team, is the hope of Kingsbury High in Memphis, a school where many students have difficulty reading. But Kingsbury's dysfunction, expensive college fees, and forms printed in a language that's foreign to his parents are all obstacles in the way of getting him to a university. Isaias also doubts the value of college and says he might go to work in his family's painting business after high school, despite his academic potential. Is Isaias making a rational choice? Or does he simply hope to avoid pain by deferring dreams that may not come to fruition? This is what journalist Daniel Connolly attempts to uncover in *The Book of Isaias* as he follows Isaias, peers into a tumultuous final

year of high school, and, eventually, shows how adults intervene in the hopes of changing Isaias' life. Mexican immigration has brought the proportion of Hispanics in the nation's youth population to roughly one in four. Every day, children of immigrants make decisions about their lives that will shape our society and economy for generations.

1916 Simon and Schuster Boxing is one of the oldest and most exciting of sports: its bruising and bloody confrontations have permeated Western culture since 3000 BC. During that period, there has hardly been a time in which young men, and sometimes women, did not raise their gloved or naked fists to one other. Throughout this history, potters, sculptors, painters, poets, novelists, cartoonists, song-writers, photographers and film-makers have been there to

record and make sense of it all. reveals to us just how and why
In her encyclopaedic investigation, Kasia Boddy sheds new light on an elemental sports and struggle for dominance whose weapons are nothing more than fists. Boddy examines the shifting social, political and cultural resonances of this most visceral of sports, and shows how from Daniel Mendoza to Mike Tyson, boxers have embodied and enacted our anxieties about race, ethnicity, gender and sexuality. Looking afresh at everything from neoclassical sculpture to hip-hop lyrics, *Boxing* explores the way in which the history of boxing has intersected with the history of mass media, from cinema to radio to pay-per-view. The book also offers an intriguing new perspective on the work of such diverse figures as Henry Fielding, Spike Lee, Charlie Chaplin, Philip Roth, James Joyce, Mae West, Bertolt Brecht, and Charles Dickens. An all-encompassing study, *Boxing* ultimately

boxing has mattered so much to so many.
The Book of Isaias Vintage Ingram Spark
Nikolai Bloomsbury Publishing USA
A "dark and funny debut" (Seattle-Times) about a young police officer struggling to maintain a sense of reality in a town where the dead outnumber the living. Colma, California, the "cemetery city" serving San Francisco, is the resting place of the likes of Joe DiMaggio, Wyatt Earp, and William Randolph Hearst. It is also the home of Michael Mercer, a by-the-book rookie cop struggling to settle comfortably into adult life. Instead, he becomes obsessed with the mysterious fate of his

predecessor, Sergeant Wes Featherstone, who spent his last years policing the dead as well as the living. As Mercer attempts to navigate the drama of his own daily life, his own grip on reality starts to slip-either that, or Colma's more famous residents are not resting in peace as they should be.

Off Kilter New York Review of Books

When pawn broker Abby Kirkwood discovers the evidence of a chilling drug cartel hit on one of the video cameras hocked in her store, she turns to the only man she can trust-Jack Connolly. The smolderingly sexy former Marine runs a successful gym down the street and coaches her brother's special needs baseball team. He's the one man who is always there when she needs him. If anyone can protect her family,

it's commanding, capable Jack. The moment he learns someone is threatening Abby and her brother, Jack sees red. To save the woman he's secretly loved for years, he'll do whatever it takes, even if it means facing off with a Mexican drug cartel and making deals with the same Albanian mob outfit that tried to ruin his family. He finally has sweet, feisty Abby right where she was always meant to be-writhing with pleasure in his bed and safely sheltered in his arms. The vicious cartel assassin hot on her heels has no idea what he's up against. The Connolly brothers are standing strong together-and no one touches their family.
