Elegance. In this thought-provoking exploration of why certain events, products, and people capture our attention and imaginations, Matthew E. May examines the elusive element behind so many innovative breakthroughs in fields ranging from physics and marketing to design and popular culture.

In Pursuit of Elegance

With most rushing off to come up with ideas, In Pursuit of Elegance is timely in that it makes you pause long enough to question such an old school way of innovating. Go slower to go faster. Well worth the time!

The answer is elegance. Matthew May

explores why certain events, products, and people capture our imaginations and our loyalty. Defining elegance as the elusive combination of unusual simplicity and surprising power, he pinpoints the four key elements that characterize it—seduction, subtraction, symmetry, and sustainability—illustrating why what’s “not there” often matters more than what is.
