In Pursuit of Peace Cambridge University Press
Surveying the initiatives of more than five hundred groups across the past century, this timely book reveals how thousands of ordinary Israelis and Palestinians have worked together to end violence and forge connections between their peoples.

In Pursuit of Peace in Israel and Palestine
University of Texas Press

In today's world, peace is hard to come by. When personal desires are followed, serenity is forfeited. By submitting one's life to God, a peace-filled life is ensured. Maintaining peace is a choice, says Joyce Meyer, as she discusses how to be at peace with yourself, the importance of having peace with God, and the paradox that peace equals power. Joyce says peace is one of the greatest gifts God has given us, and is the only way to true happiness. Readers will find 21 Ways to Find Peace & Happiness to be a guidebook for success on their journey.

The Israeli Peace Movement McFarland
A groundbreaking, revelatory history of Abraham Lincoln's plan to secure a just and lasting peace after the Civil War—a vision that inspired future presidents as well as the world's most famous peacemakers, including Nelson Mandela, Mahatma Gandhi, and Martin Luther King, Jr. It is a story of war and peace, race and reconciliation. As the tide of the Civil War turned in the spring of 1865, Abraham Lincoln took a dangerous two-week trip to visit the troops on the front lines accompanied by his young son, seeing combat up close, meeting liberated slaves in the ruins of Richmond, and comforting wounded Union and Confederate soldiers. The power of Lincoln's personal example in the closing days of the war offers a portrait of a

peacemaker. He did not demonize people he disagreed with. He used humor, logic, and scripture to depolarize bitter debates. Balancing moral courage with moderation, Lincoln believed that decency could be the most practical form of politics, but he understood that people were more inclined to listen to reason when greeted from a position of strength. Ulysses S. Grant's famously generous terms of surrender to General Robert E. Lee at Appomattox that April were a direct expression of the president's belief that a soft peace should follow a hard war. While his assassination sent the country careening off course, Lincoln's vision would be vindicated long after his death, inspiring future generations in their own quests to secure a just and lasting peace. As US General Lucius Clay, architect of the post-WWII German occupation, said when asked what guided his decisions: "I tried to think of the kind of occupation the South would have had if Abraham Lincoln had lived." Lincoln and the Fight for Peace reveals how Lincoln's character informed his commitment to unconditional surrender followed by a magnanimous peace. Even during the Civil War, surrounded by reactionaries and radicals, he refused to back down from his belief that there is more that unites us than divides us. But he also understood that peace needs to be waged with as much intensity as war. Lincoln's plan to win the peace is his unfinished symphony, but in its existing notes, we can find an anthem that can begin to bridge our divisions today.

Benedict XV Manchester University Press
This book examines the various competing interpretations of Kant's foundational Perpetual Peace since its initial publication in the late eighteenth-century. According to Easley's analysis, there are two patterns of interpretations: 1) the text endorses peace proposals above the state level, 2) the text is in favour of peace proposals at the state level. The principal explanation for these two patterns resides in the rise and fall of hopes for peace through international organizations. It can also be attributed to the rise in the number of liberal states over time. Eric Easley

provides a comprehensive historical background and analytical framework for understanding Perpetual Peace, allowing scholars of international relations to better understand and appreciate its complex meaning and see beyond the conventionally accepted interpretations of the day. Kennedy's Kitchen Cabinet and the Pursuit of Peace Bloomsbury Publishing Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

The Unknown Pope Wipf and Stock Publishers

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor • St. Louis Post-Dispatch

"Magisterial." —The New York Times
In this extraordinary volume, Jean Edward Smith presents a portrait of Dwight D. Eisenhower that is as full, rich, and revealing as anything ever written about America's thirty-fourth president. Here is Eisenhower the young dreamer, charting a course from Abilene, Kansas, to West Point and beyond. Drawing on a wealth of untapped primary sources, Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur. Then the whole panorama of World War II unfolds, with Eisenhower's superlative generalship forging the Allied path to victory. Smith also gives us an

intriguing examination of Ike's finances, details his wartime affair with Kay Summersby, and reveals the inside story of the 1952 Republican convention that catapulted him to the White House. Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive. Derided by his detractors as a somnambulant caretaker, Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful, decisive leader. He managed not only to keep the peace, but also to enhance America's prestige in the Middle East and throughout the world. Unmatched in insight, Eisenhower in War and Peace at last gives us an Eisenhower for our time—and for the ages. NATIONAL BESTSELLER Praise for Eisenhower in War and Peace “ [A] fine new biography . . . [Eisenhower's] White House years need a more thorough exploration than many previous biographers have given them. Smith, whose long, distinguished career includes superb one-volume biographies of Grant and Franklin Roosevelt, provides just that. ” —The Washington Post “ Highly readable . . . [Smith] shows us that [Eisenhower's] ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements. ” —The Wall Street Journal “ Always engrossing . . . Smith portrays a genuinely admirable Eisenhower: smart, congenial, unpretentious, and no ideologue. Despite competing biographies from Ambrose, Perret, and D'Este, this is the best. ” —Publishers Weekly (starred review) “ No one has written so heroic a biography [on Eisenhower] as this year's Eisenhower in War and Peace [by] Jean Edward Smith. ” —The National Interest “ Dwight Eisenhower, who was more cunning than he allowed his adversaries to know, understood the advantage of being underestimated. Jean Edward Smith demonstrates precisely how successful this stratagem was. Smith, America's greatest living biographer, shows why, now more

than ever, Americans should like Ike. ” —George F. Will

 The #1 bestselling author explores the myriad ways readers can experience a life overflowing with tranquility.
 Finding Peace, Happiness, and Joy Partridge Publishing Singapore
 The long-awaited book from best-selling spiritual guide Joyce Rupp, creatively leads readers to explore how the image of the door can guide them in a process of discovering their true self. Joyce Rupp brings new life to the ageless spiritual image of the door, weaving insights from East and West with the wisdom of contemporary spiritual writers, poets, and novelists in a practical format that is just right for contemporary readers. Structured as a daily prayer guide for everyday use over six weeks, each day offers a thematic reflection, a guided meditation, an original prayer, a thoughtful question, and a related scripture quote. A built-in guide for small groups makes this the perfect resource for groups of all kinds as well as individuals.
 Maintaining Order, Making Peace Rowman & Littlefield Publishers
 This timely collection of chapters written by international experts bridges the gap between peace psychology and restorative justice. The Editors combined their respective fields of expertise to start a much-needed debate on the potential but also risks that are associated when implementing restorative justice in the peace psychology field. The volume highlights how psychological theory and research can inform and evaluate the potential of restorative practices in formal and informal educational settings as well as the criminal justice space. The chapters cover both negative and positive peace across levels while introducing the reader to various case studies from across the world. All in all, the book explores how restorative justice can promote positive peace through its connection fostering dialogue, empathy, forgiveness, and other key psychological elements of peace.
 Women and Peace in the Islamic World Springer
 The Israeli peace movement has been in decline since the 2000s. In particular, the liberal Zionist groups, who call for peace for the sake of the security and continuity of Israel, have become paralysed and almost voiceless since the second Intifada. However, despite the stagnation around the Israeli-Palestinian Peace Process, this book argues that other important groups have emerged that present new ways to challenge the status

quo. These are radical groups that act in solidarity with the Palestinians and human rights organisations and whose aim is to reveal the realities of the occupation and hold the government to account. Leonie Fleishmann argues that these groups have been, and remain, the agenda setters, pushing the more moderate groups to mobilise more quickly and encouraging them to take up more confrontational ideas. Using social movements theory, and based on 50 interviews and participant observation, this book sheds light on contemporary Israeli peace activism.
 In Pursuit of Peace East African Educational Publishers
 Lydia feels like a failure. With a multitude of jobs and college courses under her belt, Lydia knows its time to make something of her life. But everything she tries fails. As a new Christian, Lydia is intrigued with the idea that God has a specific plan for her, but it sure would be nice if Hed reveal it! Gideon Andrews, on the other hand, was living a nice, well-organized life. Then his mom moved in and a friend started pressuring him to marry his widowed daughter. But even that was manageable-until he met Lydia. Suddenly, his world turns upside down. He feels bound by duty and pity to Maria but cannot get the irresistible Lydia out of his heart and mind. Will Gideon learn the difference Between responsibility and love before its too late? Will Lydia realize that pleasing God is all she needs?
 Restorative Justice: Promoting Peace and Wellbeing FaithWords
 Girl, read your Bible. You can eat all the kale, buy all the things, lift all the weights, take all the trips, trash all that doesn't spark joy, wash your face and hustle like mad, but if you don't rest your soul in Jesus, you'll never find peace and purpose. You've had enough of the hustle. You've given up trying to meet social media's impossible standards, and you're done living a life ruled by busyness. But where do you go from here? For Alisha Illian, it wasn't until she learned to abide in God's truth that she finally found fulfillment. In Chasing Perfect, Alisha shares how God awakened her heart to prioritize what matters to Him. She'll help you learn what it means to look beyond each day's diversions and live in surrender to the Savior. You'll see

why it ' s so important to... separate yourself from the self-first attitude of self-help culture savor each blessing God has given you schedule—rather than squeeze in—daily time to spend with God You don ' t have to keep filling your calendar to the brim with unsatisfying distractions. Chasing Perfect will help you submit to God and experience His perfect renewal and rest.

In Pursuit of PeaceFaithWords
Enemies of Peace Bloomsbury
Publishing

When the Israeli prime minister and the PLO chairman shook hands on the White House lawn in 1993, Israeli peace activists had good reason to celebrate this major step on the long road to peace. This book tells the story of the Israeli peace movement and the role it played in that pursuit of peace. It is an eloquent, fascinating account of a remarkably diverse and determined cast of activists: from war-weary soldiers to hard-headed politicians, careful scholars to impassioned artists. Drawing on his experience in the peace movement, Bar-On provides intimate portraits of groups like Peace Now, Yesh Gvul, and the Women in Black, he also provides a sweeping historical synthesis of the course of the Israeli-Arab conflict, especially between 1967 and 1993.

Connecting with the Enemy Mary K. Williams

Inspired by the Grotian tradition in international law of the 'idea of peace', 'Promoting Peace through International Law' aims to explain how peace may be achieved by utilising the existing international and national normative and institutional legal frameworks. It explores

how negative and positive dimensions of peace are interrelated.

Unofficial peace diplomacy Random House Trade Paperbacks

John F. Kennedy ' s advisors were enormously influential in the shaping of American foreign policy at a crucial time. After struggling in his first year as president, Kennedy employed the guidance of a core group including McGeorge Bundy, Robert Kennedy, Robert McNamara, Maxwell Taylor and Theodore Sorensen. This " kitchen cabinet " led to strong leadership in confronting serious challenges arising from the Soviet Union, Cuba, Southeast Asia and Berlin.

Finding Tranquility Holy Fire Publishing

When Joseph Ratzinger chose the Papal name Benedict XVI he consciously bought into a legacy that has stretched over nearly 1500 years. From Bonosus in 575 to Bendict XV in 1914 the Benedictine legacy has been one of turmoil. Benedict XV is one of the least known Popes of the 20th century, but one of the most important. Elected in 1914 after the outbreak of the First World War he dedicated his Papacy to achieving peace throughout Europe. In August 1917 he offered a 'Peace Note' to the warring powers to bring about the cessation of hostilities, engaged in humanitarian activities and was instrumental in setting up the Save the Children Fund. Benedict sought to heal the wounds created by the 'Modernist crisis' of his predecessor, Pius X reign, but only after the end of World War I was he able to focus on matters within the church. Despite his innate conservatism he took up progressive positions on both the Easter Rite Churches and Catholicism's missionary outlook. He died relatively young yet his reign is one of the most important of any in the twentieth Century. This is the first biography of Pope Benedict XV published in English in over forty years. The author has made use of hitherto unavailable archival sources, particularly those of the Vatican previously unpublished private papers of his family.

The Transformation of Peace Praeger

This study explores three generations of approaches to ending conflict and examines how, in the context of the failings of the Westphalian international system, their peacekeeping, mediation and negotiation, conflict resolution and peacebuilding approaches as well as UN peace operations, and asks via an empirical and theoretical analysis, what role such approaches have

played and are playing in replicating an international system prone to intractable forms of conflict.
