In Search Of Our Mothers' Gardens by Walker, Alice

In the exploration and analysis of Walker's essays in the book "In Search of our Mothers' Gardens", it is

essential that we look deep into the multiple themes of identity, historical racism, independence, and inspiration and the unique way she has dealt with all of these. A striking aspect of the book is the unique resonance of 'womanism' (a coinage by the author herself) in the chapters replete with her relentless search for black women's roots and role models.
