### The Basics of Periodization For Soccer

In Season: For in season training,  
just reduce your training volume  
and cut back to only one strength  
workout and one speed/power  
workout per week. You can adjust  
the number of endurance training  
sessions as well, depending on the  
number of practices or games you  
have each week. Adjust Your  
Training Depending Upon Practices  
Or Games.
