collection of letters written by a convict to an author, Norman Mailer. The convict, Jack Henry Abbott, spent all of his adult life behind bars and there he read profusely and became somewhat of an accomplished writer himself. This book is his musings organized by topic.

When *In the Belly of the Beast* was written, Jack Abbott had spent most of his life in the criminal justice system, first as a juvenile then as an adult. His well written autobiographical work tells many harrowing tales and how Abbott's life was destroyed. Very good book.
