The King's Blood Houghton Mifflin Harcourt P
"Everything I look for in a fantasy." -- George R.
R. Martin All paths lead to war. . . Marcus' hero
days are behind him. He knows too well that even
the smallest war still means somebody's death. When
his men are impressed into a doomed army, staying

out of a battle he wants no part of requires some
unorthodox steps. Cithrin is an orphan, ward of a
banking house. Her job is to smuggle a nation's
wealth across a war zone, hiding the gold from both
sides. She knows the secret life of commerce like a
second language, but the strategies of trade will
not defend her from swords. Geder, sole scion of a
noble house, has more interest in philosophy than in
swordplay. A poor excuse for a soldier, he is a pawn
in these games. No one can predict what he will
become. Falling pebbles can start a landslide. A
spat between the Free Cities and the Severed Throne
is spiraling out of control. A new player rises from
the depths of history, fanning the flames that will
sweep the entire region onto The Dragon's Path --

the path to war. The Dagger and the Coin The

The great war cannot be stopped. The tyrant Geder Palliako had
led his nation to war, but every victory has called forth another
conflict. Now the greater war spreads out before him, and he is
bent on bringing peace. No matter how many people he has to
kill to do it. Cithrin bel Sarcour, rogue banker of the Medean
Bank, has returned to the fold. Her apprenticeship has placed
her in the path of war, but the greater dangers are the ones in
her past and in her soul. Widowed and disgraced at the heart of
the Empire, Clara Kalliam has become a loyal traitor, defending
her nation against itself. And in the shadows of the world,
Captain Marcus Wester tracks an ancient secret that will change
the war in ways not even he can foresee. Return to the critically

"Rich in politics, intrigue, and betrayal, *Dagger and Coin* is a complex
feminist fantasy featuring a tough and prickly ex-princess that I
couldn't help but adore."—Heidi Heilig, author of *The Girl from
Everywhere* The sequel to *Sword and Verse* follows a familiar
face—Soraya—as she attempts to rebuild a nation after the downfall of
the monarchy. Readers who love Rae Carson and Kristen Cashore
won't be able to put this fantasy down. Soraya Gamo was meant to

be queen of Qilara, until an Arnath slave rebellion upended the social order and destroyed the capital city. Now, improbably, she sits on the new ruling council beside Mati, Raisa, and Jonis from Book 1, and must work with her former enemies. She finally holds the political power she always wanted—but over a nation in ruins. As she helps to rebuild Qilara, she can, at last, use what everyone once told her to hide: her brain. But not everyone is ready to accept that the Arnathim are no longer enslaved to the Qilarites. So when a slave ship arrives in the city, full of Arnathim captured before Qilara fell, the civil unrest that has been bubbling since the rebellion erupts. Forced to confront her own prejudices, Soraya struggles to gain the trust of the Arnath people she once disregarded and establish peace in what has become chaos. With the threat of attacks high, Gelti, a former guard captain, trains Soraya in self-defense. As the two grow close, tension within the city ramps up, with danger, betrayal, and deception meeting Soraya everywhere she turns. Friends become foes, adversaries become companions, and the clashing of classes threatens to unravel all the good Soraya has been trying to do. Can Soraya, raised to be a submissive Qilarite lady, learn to be a true leader? Or will the sins of her past forever haunt the footsteps of her future?

WAR AND MADNESS CAST SHADOWS OVER THE LANDS DRAGONS ONCE RULED. Geder Palliako's star is rising. He is a hero of Antea, protector to the crown prince, and darling of the court. But storms from his past are gathering, and with them, a war that will change everything. Cithrin bel Sarcour founded a powerful bank on stolen wealth, forged papers, and ready blades. Now every move she makes is observed, recorded, and controlled. Unless Cithrin can free herself from her gilded cage, the life she made will be for naught; war may provide just the opportunity she needs. An apostate priest sees the hidden hand behind all: a long-buried secret of the dragon empire threatens everything humanity has built. An age of madness and death approaches, with only a few doomed heroes to stand in its way. Bestselling author Marisa Silver takes Dorothea Lange 's Migrant Mother photograph as inspiration for a story of two women—one famous and one forgotten—and their remarkable chance encounter. In 1936, a young mother resting by the side of the road in central California is spontaneously photographed by a woman documenting migrant laborers in search of work. Few personal details are exchanged and neither woman has any way of knowing that they have produced one of the most iconic images of the Great Depression. In present day, Walker Dodge, a professor of cultural history, stumbles upon a family secret embedded in the now-famous picture. In luminous prose, Silver creates an extraordinary tale from a brief event in history and its repercussions throughout the decades that follow—a reminder that a great photograph captures the essence of a moment yet only scratches the surface of a life.

Epraim is horrified when he comes home from school one day to find his mother unconscious at the kitchen table, clutching a bottle of pills. Even more disturbing than her suicide attempt is the reason for it: the dead boy she identified at the hospital that afternoon--a boy who looks exactly like him. While examining his dead double's belongings, Ephraim discovers a strange coin that makes his wishes come true each time he flips it. Before long, he's wished his alcoholic mother into a model parent, and the girl he's liked since second grade suddenly notices him. But Ephraim soon realizes that the coin comes with consequences --several wishes go disastrously wrong, his best

friend Nathan becomes obsessed with the coin, and the world begins to change in unexpected ways. As Ephraim learns the coin's secrets and how to control its power, he must find a way to keep it from Nathan and return to the world he remembers. (For ages 12 & up) From the Hardcover edition.
