Ka Crooked Lane Books
“ Crows and people share
similar traits and social

strategies. To a surprising extent, to know the crow is to know ourselves. ” —from the Preface From the cave walls at Lascaux to the last painting by Van Gogh, from the works of Shakespeare to those of Mark Twain, there is clear evidence that crows and ravens influence human culture. Yet this influence is not unidirectional, say the authors of this fascinating book: people profoundly influence crow culture, ecology, and evolution as well. John Marzluff and Tony Angell examine the often surprising ways that crows and humans interact. The authors

contend that those interactions reflect a process of “ cultural coevolution. ” They offer a challenging new view of the human-crow dynamic—a view that may change our thinking not only about crows but also about ourselves. Featuring more than 100 original drawings, the book takes a close look at the influences people have had on the lives of crows throughout history and at the significant ways crows have altered human lives. In *The Company of Crows and Ravens* illuminates the entwined histories of crows and people and concludes with an

intriguing discussion of the crow-human relationship and how our attitudes toward crows may affect our cultural trajectory. [*A Court of Crows*](#) Tor.com A glorious Collector's Edition of New York Times bestselling, epic fantasy novel, *SIX OF CROWS*. Beautifully designed, with an exclusive letter from the author and six stunning full-colour character portraits. This covetable hardback with red sprayed edges is a perfect gift for fans, and a perfect way to discover the unforgettable writing of

Leigh Bardugo. Criminal prodigy Kaz Brekker is offered a chance at a deadly heist: break into the Ice Court - a military stronghold that has never been breached - and retrieve a hostage whose knowledge could change Grisha magic forever. To succeed would mean riches beyond his wildest dreams - but he can't pull it off alone . . . A convict with a thirst for revenge. A sharpshooter who can't walk away from a wager. A runaway with a privileged past. A spy known as the Wraith. A Heartrender

using her magic to survive the slums. A thief with a gift for unlikely escapes. Six dangerous outcasts. One impossible heist. Together they might just be unstoppable - if they don't kill each other first. 'Fast, thrilling heist fantasy, boasting a brilliant new cast of characters.' METRO 'A full-throttle adventure . . . crackling dialogue and sumptuous description. Bardugo dives deep into this world.' - NEW YORK TIMES

In a quiet suburban town, after a horrific car accident kills her mother and estranges her from her friends, seventeen-year-old Evie is struggling to find herself in the midst of anxiety, depression and survivor's guilt. After a particularly emotional night she meets Sebastian, and as they get to know each other she begins to think that maybe deep inside her there is still hope. And then she finds out he has a secret. With her world turned upside down once

more, Evie will need to figure out what happens next...

Ab-sa-ra-ka, Home of the Crows Unbound

Publishing

Explores the interactions between crows, ravens, and humans, focusing on the influence humans have had on the birds and the way crows have altered human lives.

Dog Days, Raven Nights
iUniverse

A treasure trove of stories, poems, and information on the brainy, black-feathered bird that 's rich in insight and

humor. This revised and expanded edition of Candace Savage ' s best-selling book about ravens and crows is enhanced by additional paintings, drawings, and photos, as well as a fascinating selection of first-person stories and poems about remarkable encounters with crows. In one story, a pack of crows brilliantly thwarts an attack by a Golden Eagle; in another, a mischievous crow rescues the author from grief. And in a third piece, after nursing a battered

baby crow back to health until it flies off with other crows, Louise Erdrich hauntingly describes her altered awareness as she listens for the " dark laugh " of crows while she works. Based on two decades of audacious research by scientists around the world, the book also provides an unprecedented, evidence-based glimpse into corvids ' intellectual, social, and emotional lives. But whether viewed through the lens of science, myth, or

everyday experience, the result is always the same. These birds are so smart—and so mysterious—they take your breath away. Published in Partnership with the David Suzuki Institute. Praise for *Crows* “ A beautifully crafted celebration of these birds. ” —Nature “ A deft juxtaposition of interesting anecdotes and firsthand accounts of scientific discoveries. ” —Canadian Literature “ Surprising avian revelations are contained

within the pages of Savage ' s glorious festival of crow arcana. ” —Alberta Views
Crows and Jays Allen & Unwin
Lyanda Lynn Haupt's sublime tribute to the crow and an invitation to engage with the wildlife in our midst. There are more crows now than ever. Their abundance is both an indicator of ecological imbalance and a generous opportunity to connect with the animal world. *Crow Planet* reminds us that we do not need to head to faraway places to encounter "nature." Rather,

even in the suburbs and cities where we live we are surrounded by wild life such as crows, and through observing them we can enhance our appreciation of the world's natural order. *Crow Planet* richly weaves Haupt's own "crow stories" as well as scientific and scholarly research and the history and mythology of crows, culminating in a book that is sure to make readers see the world around them in a very different way. *In the Company of Crows and Ravens* A&C Black
1920s New York The

Diviners have joined forces The visions were all true The dead are here After the horrifying explosion that claimed one of their own, the Diviners find themselves wanted by the US government, and on the brink of war with the King of Crows. While Memphis and Isaiah run for their lives from the mysterious Shadow Men, Isaiah receives a startling vision of a girl, Sarah Beth Olson, who could shift the balance in their struggle for peace. Sarah Beth says she knows how to stop the King of Crows - but she will need the Diviners' help to do it. Elsewhere, Jericho has returned after his escape from Jake Marlowe's estate, where he has learned the shocking truth behind the King of Crows' plans. Now the Diviners must travel to Bountiful, Nebraska, in hope of joining forces with Sarah Beth and stopping the King of Crows and his army of the dead forever. But as rumours of towns becoming ghost-towns and the dead developing unprecedented powers begin to surface, all hope seems lost. In this sweeping finale, the Diviners will be forced to confront their greatest fears and learn to rely on one another if they hope to save the nation - and world - from catastrophe...

West Coast of Scotland. A young couple take shelter in the woods, never to be seen again...

DCI Jack Russell is brought in to investigate. Nearing retirement, he agrees to undertake one last case, which he believes can be solved as a matter of routine. But what Jack discovers in the forest leads him to the conclusion that he is following in the

footsteps of a psychopath who is just getting started. Jack is flung headlong into a race against time to prevent the evolution of a serial killer...

A Murder of Crows

Greystone Books

What lurks in the corners of the house originates in the corners of the mind.

When Kim inherits an old family house in rural Sweden, there are notes posted everywhere. On the walls, the doors, even the ceiling. Reminders.

And drawings. Of the

monsters that still haunt this house and the land on which it sits. But the monsters aren't just outside; they're in Kim's head, in the traumatic memories of an upbringing as different, other, alone. Dive into this stunning graphic novel full of darkness, reconciliation, and exploration of the self.

From acclaimed creators Anders Fager and Peter Bergting.

Corvus, Rook, and Grey -
The Crows. Bred in a
world of gang wars,
violence, and secrets,
they rule the bloody town
of Thorn Valley and all
the people in it...too bad
for me I've never been
good at kissing ass or
keeping quiet. Even if
their savage spirits
awaken something inside
of me I thought was long
dead, I can't break. I
won't. They think they
scare me, that I'll run and
hide, but the joke's on

them. The Crows aren't
the first monsters I've
faced, and they won't be
the last. There are worse
evils out there waiting to
take their stab at Ava
Jade Mason. I say let
them try. I'm tired of
running. Tired of holding
back my darkness. Thorn
Valley isn't ready for a
new boogie man. Too bad
I'm already here. Crooked
Crows is a dark enemies-
to-lovers reverse harem
romance, meaning the
main character will have
more than one love
interest. Warning: This

series contains foul
language, explicit sexual
content, graphic
depictions of gang
violence, and
jealous/possessive
themes. Recommended
for readers aged eighteen
and up. Please read
responsibly.
Symptoms of a Heartbreak
Dark Horse Comics
The ghost of a recently
deceased chocolatier
believes he was murdered,
and it's up to young witch
Brynn Warren to use her
magical gifts and old-
fashioned sleuthing skills to
find out how he really met

his bitter end in this enchanting new Evenfall Witches B&B Mystery. After spending months unable to use her powers, Brynn Warren is once again using her gift and working at her family's bed-and-breakfast. Her heart is full, and although one of her aunts wonders if it might be a little more full with a bit of romance in her life, Brynn is certain that finding love again is not in her future. In fact, she can't imagine anyone being more certain of anything...except for maybe, the recently deceased Mortimer Sweete. He's certain he's been

murdered, and he wants Brynn's help to bring his killer to justice. Mort is positive he knows who killed him: his business partner's wife, Cookie, who had been trying to get them to sell the candy shop for months. But Brynn doesn't share his conviction. After all, the coroner ruled his death natural causes, and Mort did have health problems in life. But with Cookie putting up a For Sale sign for the shop already, Brynn knows she can't just let it go. Trying to solve a might-be murder while attempting to stop her aunt from meddling in her

personal life seems like a recipe for disaster. If Brynn wants to bring Mort's spirit peace, she'll have to rely on all her skills—both magical and mundane—to uncover the truth.

The Language of Crows
Houghton Mifflin
Harcourt

Here he is, husband and father, scruffy romantic, a shambolic scholar--a man adrift in the wake of his wife's sudden, accidental death. And there are his two sons who like him struggle in their

London apartment to face the unbearable sadness that has engulfed them. The father imagines a future of well-meaning visitors and emptiness, while the boys wander, savage and unsupervised. In this moment of violent despair they are visited by Crow--antagonist, trickster, goad, protector, therapist, and babysitter. This self-described "sentimental bird," at once wild and

tender, who "finds humans dull except in grief," threatens to stay with the wounded family until they no longer need him. As weeks turn to months and the pain of loss lessens with the balm of memories, Crow's efforts are rewarded and the little unit of three begins to recover: Dad resumes his book about the poet Ted Hughes; the boys get on with it, grow up. Part novella, part polyphonic

fable, part essay on grief, Max Porter's extraordinary debut combines compassion and bravura style to dazzling effect. Full of angular wit and profound truths, *Grief Is the Thing with Feathers* is a startlingly original and haunting debut by a significant new talent. *Gifts of the Crow* Simon and Schuster "Doogie Howser, M.D. meets *The Fault in Our Stars* in this tender romcom." —*Teen Vogue*

The youngest doctor in America, an Indian-American teen makes her rounds—and falls head over heels—in Sona Charaipotra's contemporary romantic comedy *Symptoms of a Heartbreak*. Sixteen-year-old Saira has always juggled family, friendships, and her *Girl Genius* celebrity. Now, as the youngest med school graduate ever, she can finally achieve her mission to treat young people dealing with cancer. But proving

herself in life-or-death situations is tough when everyone from her boss to her patients can't see past her age to trust her skills. And working in the same hospital as her mom isn't making things any easier! Life gets even more complicated when Saira falls for a teenage patient. To improve his chances, she risks her lifelong dream—and it could cost her everything. In her solo debut, Sona Charaipotra brings us a compelling #ownvoices protagonist who's not

afraid to chase what she wants. *Symptoms of a Heartbreak* goes from romantic comedy highs to tearjerker lows and is the ultimate cure-all for every reader needing an infusion of something heartfelt. An Imprint Book "Fans of YA contemporary don't want to miss this one." —Buzzfeed
Crooked Crows
Polygon
“Crows and people share similar traits and social strategies. To a surprising extent, to

know the crow is to know ourselves.” —from the Preface From the cave walls at Lascaux to the last painting by Van Gogh, from the works of Shakespeare to those of Mark Twain, there is clear evidence that crows and ravens influence human culture. Yet this influence is not unidirectional, say the authors of this fascinating book: people profoundly influence crow culture, ecology, and evolution as well. Angell examine the often surprising ways that crows and humans interact. The authors contend that those interactions reflect a process of “cultural coevolution.” They offer a challenging new view of the human-crow dynamic—a view that may change our thinking not only about crows but also about ourselves. Featuring more than 100 original drawings, the book takes a close look at the influences people have had on the lives of crows throughout history and at the significant ways crows have altered human lives. In the *Company of Crows and Ravens* illuminates the entwined histories of crows and people and concludes with an intriguing discussion of the crow-human relationship and how our attitudes toward crows may

affect our cultural trajectory.

When the Crows Caw
Penguin

Crows are familiar birds to almost everyone. They are a wide-ranging group whose activities often bring them into contact with man, frequently to their detriment.

However, they are a successful family, both in terms of numbers and species, which includes the Blue Jay and Magpie of North America, the Rook of England, the House Crow of India and

the Little Raven of Australia. They exhibit great diversity in colour, size and patterns of behaviour. In this second edition, Derek Goodwin has retained the basic format of his earlier work, with all relevant aspects of their appearance, biology and behaviour being described, but he has added up-to-date information as appropriate, much of which was sent to him from readers of the first edition.
