The Book of Crows Unbound Publishing
"Doogie Howser, M.D. meets *The Fault in Our Stars* in this tender romcom." —Teen Vogue
The youngest doctor in America, an Indian-American teen makes her rounds—and falls head over heels—in Sona Charaipotra's contemporary romantic comedy *Symptoms of a Heartbreak*. Sixteen-year-old Saira has always juggled family, friendships, and her Girl Genius celebrity. Now, as the youngest med school graduate ever, she can finally achieve

her mission to treat young people dealing with cancer. But proving herself in life-or-death situations is tough when everyone from her boss to her patients can't see past her age to trust her skills. And working in the same hospital as her mom isn't making things any easier! Life gets even more complicated when Saira falls for a teenage patient. To improve his chances, she risks her lifelong dream—and it could cost her everything. In her solo debut, Sona Charaipotra brings us a compelling #ownvoices protagonist who 's not afraid to chase what she wants. *Symptoms of a Heartbreak* goes from romantic comedy highs to tearjerker lows and is the ultimate cure-all for every reader needing an infusion of something heartfelt. An Imprint Book "Fans of YA contemporary don't want to miss this one." —Buzzfeed

Crooked Crows In the Company of Crows and

Ravens

Here he is, husband and father, scruffy romantic, a shambolic scholar--a man adrift in the wake of his wife's sudden, accidental death. And there are his two sons who like him struggle in their London apartment to face the unbearable sadness that has engulfed them. The father imagines a future of well-meaning visitors and emptiness, while the boys wander, savage and unsupervised. In this moment of violent despair they are visited by Crow--antagonist, trickster, goad, protector, therapist, and babysitter. This self-described "sentimental bird," at once wild and tender, who "finds humans dull except in grief," threatens to stay with the wounded family until they no longer need him. As weeks turn to months and the pain of loss lessens with the balm of memories, Crow's efforts are rewarded and the little unit of three begins to recover: Dad resumes his book about the poet Ted Hughes; the boys get on with it, grow up. Part novella, part polyphonic fable, part essay on grief, Max Porter's extraordinary debut combines

compassion and bravura style to dazzling effect. Full of angular wit and profound truths, *Grief Is the Thing with Feathers* is a startlingly original and haunting debut by a significant new talent.

A Feast for Crows Imprint

"David Quammen is simply the best natural essayist working today."--Tim Cahill, author of *Lost in My Own Backyard* "Lively writing about science and nature depends less on the offering of good answers, I think, than on the offering of good questions," said David Quammen in the original introduction to *Natural Acts*. For more than two decades, he has stuck to that credo. In this updated version of curiosity leads him from New Mexico to Romania, from the Congo to the Amazon, asking questions about mosquitoes (what are their redeeming merits?), dinosaurs (how did they change the life of a dyslexic Vietnam vet?), and cloning (can it save endangered species?). This revised and expanded edition best-loved "Natural Acts" columns, which first appeared in *Outside* magazine in the early 1980s, and includes recent pieces such as "Planet of Weeds," an influential new *Natural Acts* is an eye-opening journey that will please both Quammen fans and newcomers to his work. Song lyrics have been redacted from this ebook owing to permissions issues.

Crow Planet Penguin
Katherine Addison, author of *The Goblin Emperor*, returns with *The Angel of the Crows*, a fantasy novel of alternate 1880s London, where killers stalk the night and the ultimate power is naming. This is not the story you think it is. These are not the characters you think they are. This is not the book you are expecting. In an alternate 1880s London, angels inhabit every public building, and vampires and werewolves walk the streets with human beings in a well-regulated truce. A fantastic utopia, except for a few things: Angels can Fall, and that Fall is like a nuclear bomb in both the physical and metaphysical worlds. And human beings remain human, with all their kindness and greed and passions and

murderous intent. Jack the Ripper stalks the streets of this London too. But this London has an Angel. The Angel of the Crows. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
The Merciful Crow Greystone Books
"Crows and people share similar traits and social strategies. To a surprising extent, to know the crow is to know ourselves."--from the Preface
From the cave walls at Lascaux to the last painting by Van Gogh, from the works of Shakespeare to those of Mark Twain, there is clear evidence that crows and ravens influence human culture. Yet this influence is not unidirectional, say the authors of this fascinating book: people profoundly influence crow

culture, ecology, and evolution as well. John Marzluff and Tony Angell examine the often surprising ways that crows and humans interact. The authors contend that those interactions reflect a process of "cultural coevolution." They offer a challenging new view of the human-crow dynamic—a view that may change our thinking not only about crows but also about ourselves. Featuring more than 100 original drawings, the book takes a close look at the influences people have had on the lives of crows throughout history and at the significant ways crows have altered human lives. In *The Company of Crows and Ravens* illuminates the entwined histories of crows and people and concludes with an intriguing discussion of the crow-human relationship and

how our attitudes toward crows may affect our cultural trajectory. Yale University Press 120 species of crows, jays and their allies exist in the world today. Many are exceedingly beautiful in colour, grace and form, whereas others are black and somewhat sinister in appearance. In no other group of perching birds has evolution produced such a degree of variation, from the tiny Hume's Ground-Jay of the steppe-highlands of Tibet to the huge Thick-billed Raven of the mountains of Ethiopia. Some have had a long association with people and appear in tales of mythology and superstition, while others have been regarded as agricultural pests. The great majority, however, remain largely unknown, their only contact with humanity being the destruction of their specialised habitats. As a consequence, more than 20 species are now regarded as

internationally endangered, some of which are very poorly known. The 30 superb colour plates by Hilary Burn in this book depict them all; each plate is accompanied by an informative caption page summarising the criteria required to identify the species, alongside colour world distribution maps. Some of these birds, bearing such evocative names as the Banggai Crow, Mesopotamian Crow and Flores Crow, have never been illustrated before. The authoritative text by Steve Madge treats each species in depth, summarising identification techniques and concisely reviewing all aspects of corvid behaviour, distribution, population and taxonomy. The author has had first-hand experience of most of the species during his travels throughout the world, travels in which he gradually became fascinated by this very special, but somewhat ignored, group of birds. Crows and Jays

is a combination of scientifically accurate information and an identification guide, planned to give anyone, whether a birdwatcher or biologist, a greater understanding of the lives of these beautiful, yet very complex, group of birds. It will surely be a standard work of reference for many years to come.

As the Crow Flies Houghton Mifflin Harcourt

A treasure trove of stories, poems, and information on the brainy, black-feathered bird that's rich in insight and humor. This revised and expanded edition of Candace Savage's best-selling book about ravens and crows is enhanced by additional paintings, drawings, and photos, as well as a fascinating selection of first-person stories and poems about remarkable encounters with crows. In one

story, a pack of crows brilliantly thwarts an attack by a Golden Eagle; in another, a mischievous crow rescues the author from grief. And in a third piece, after nursing a battered baby crow back to health until it flies off with other crows, Louise Erdrich hauntingly describes her altered awareness as she listens for the "dark laugh" of crows while she works. Based on two decades of audacious research by scientists around the world, the book also provides an unprecedented, evidence-based glimpse into corvids' intellectual, social, and emotional lives. But whether viewed through the lens of science, myth, or everyday experience, the result is always the same. These birds are so smart—and so mysterious—they take your breath away. Published in

Partnership with the David Suzuki Institute. Praise for *Crows* "A beautifully crafted celebration of these birds." —Nature "A deft juxtaposition of interesting anecdotes and firsthand accounts of scientific discoveries." —Canadian Literature "Surprising avian revelations are contained within the pages of Savage's glorious festival of crow arcana." —Alberta Views Ka Simon and Schuster "Ka is a beautiful, often dreamlike late masterpiece." —Los Angeles Times "One of our country's absolutely finest novelists." —Peter Straub, New York Times bestselling author of *Interior Darkness* and *Ghost Story* From award-winning author John Crowley comes an exquisite fantasy novel about a man who tells the story of a crow named Dar Oakley and his impossible lives and deaths in the land of Ka. *A Crow alone is no Crow.*

Dar Oakley—the first Crow in all of history with a name of his own—was born two thousand years ago. When a man learns his language, Dar finally gets the chance to tell his story. He begins his tale as a young man, and how he went down to the human underworld and got hold of the immortality meant for humans, long before Julius Caesar came into the Celtic lands; how he sailed West to America with the Irish monks searching for the Paradise of the Saints; and how he continuously went down into the land of the dead and returned. Through his adventures in Ka, the realm of Crows, and around the world, he found secrets that could change the humans' entire way of life—and now may be the time to finally reveal them.

When the Crows Caw Macmillan

Though not generally perceived as graceful, crows are remarkably so—a single curve undulates from the tip of the bird's beak to the

end of its tail. They take flight almost without effort, flapping their wings easily and ascending into the air like spirits. Crow by Boria Sax is a celebration of the crow and its relatives in myth, literature, and life. Sax takes readers into the history of crows, detailing how in a range of cultures, from the Chinese to the Hopi Indians, crows are bearers of prophecy. For example, thanks in part to the birds' courtship rituals, Greeks invoked crows as symbols of conjugal love. From the raven sent out by Noah to the corvid deities of the Eskimo, from Taoist legends to Victorian novels and contemporary films, Sax's book ranges across history and culture and will interest anyone who has ever been intrigued, puzzled, annoyed, or charmed by these wonderfully intelligent birds.

The Queen of Crows Penguin

The ghost of a recently deceased chocolatier believes he was murdered, and it's up to young witch Brynn Warren to use her magical gifts and old-fashioned sleuthing skills to find out how he really met his bitter end in this enchanting new Evenfall

Witches B&B Mystery. After spending months unable to use her powers, Brynn Warren is once again using her gift and working at her family's bed-and-breakfast. Her heart is full, and although one of her aunts wonders if it might be a little more full with a bit of romance in her life, Brynn is certain that finding love again is not in her future. In fact, she can't imagine anyone being more certain of anything...except for maybe, the recently deceased Mortimer Sweete. He's certain he's been murdered, and he wants Brynn's help to bring his killer to justice. Mort is positive he knows who killed him: his business partner's wife, Cookie, who had been trying to get them to sell the candy shop for months. But Brynn doesn't share his conviction. After all, the coroner ruled his death natural causes, and Mort did have health problems in life. But with Cookie putting up a For Sale sign for the shop already, Brynn knows she can't just let it go. Trying to solve a might-be murder while attempting to stop her aunt from meddling in her personal life seems like a

recipe for disaster. If Brynn wants to bring Mort's spirit peace, she'll have to rely on all her skills—both magical and mundane—to uncover the truth.

In the Company of Crows and Ravens Yale University Press
Birds of mystery, intelligence, and curiosity, ravens and crows have fascinated humans for untold centuries. In this first in a series of beautifully illustrated books that celebrate the power and beauty of the animal kingdom, Catherine Feher-Elston considers the raven in the contexts of mythology, folklore, history, and science. From the raven's role as trickster in Native American religion to his ability to captivate ornithologists and biologists with his intriguing behaviors, Ravensong pays tribute to the elegance and grandeur of two of America's most ubiquitous avian species.

A Court of Crows St. Martin's Paperbacks
Unapologetically f*cked up.

Heartlessly cruel. Broken beyond repair. Corvus, Rook, and Grey - The Crows. Bred in a world of gang wars, violence, and secrets, they rule the bloody town of Thorn Valley and all the people in it...too bad for me I've never been good at kissing ass or keeping quiet. Even if their savage spirits awaken something inside of me I thought was long dead, I can't break. I won't. They think they scare me, that I'll run and hide, but the joke's on them. The Crows aren't the first monsters I've faced, and they won't be the last. There are worse evils out there waiting to take their stab at Ava Jade Mason. I say let them try. I'm tired of running. Tired of holding back my darkness. Thorn Valley isn't ready for a new boogie man. Too bad I'm already here. Crooked Crows is a dark enemies-to-lovers reverse harem romance, meaning the main character will have more than one love interest. Warning: This series contains foul language, explicit sexual content, graphic depictions of gang violence, and jealous/possessive themes. Recommended for readers aged

eighteen and up. Please read responsibly.

The Angel of the Crows Graywolf Press

A young queen in peril. A city under siege. An elven mercenary with a dark desire. Nineteen-year-old Eris Telari was never supposed to rule Brucia. She's always been more interested in swordplay than courtly intrigue. After her brother's assassination, however, Eris has no choice but to take up the crown and defend her city against an invasion led by an undefeated elven warlord. With Brucia's forces decimated, and a siege looming, Eris needs help. Who better to repel the elven invaders than a band of elven mercenaries? Their leader, Ruith, is as charming as he is deadly, and used to getting what he wants. Six thousand swords strong, his Crows have a reputation for winning against impossible odds. He won't take a fight he can't win, and now he has his sights set on Eris? Is it her kingdom he wants? Or her? With assassins and traitors still lurking around every corner, and an army nearly twenty thousand strong at her

gates, Eris cannot afford to turn away the Crows' assistance. Even with their help, the battle for Brucia will be hard-won. And the most dangerous threat may already be inside her walls and vying for a place at her side?

Up with the Crows Simon and Schuster

A University of Washington professor of wildlife science taps the findings of his extraordinary research into crow intelligence to offer insight into their ability to make tools and respond to environmental challenges, explaining how they engage in human-like behaviors from giving gifts and seeking revenge to playing and experiencing dreams. Ravensong Orion Children's Books

The life history, language and culture of the American crow.

Six of Crows CreateSpace

THE BOOK BEHIND THE FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental

epic cycle of high fantasy. Now, inand carrion eaters start to gather, A Feast for Crows, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. A FEAST FOR CROWS It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades,

picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . . and their lives. For at a feast for crows, many are the guests—but only a few are the survivors. Ab-sa-ra-ka, Home of the Crows Dark Horse Comics In an isolated fortress, the Master of Crows battles an ancient god for possession of his soul. Renegade and

heretic, he dreams of ways to defeat the god and destroy the priesthood who would execute him. Sent by her masters to betray him, a woman comes who possesses a weapon he can use to triumph over both...but only at the ultimate sacrifice. A tale of love and allegiance.

----- This fantasy romance was previously published with a different cover in 2009 by Amber Quill Press. This is the second edition.

The Hunger of Crows Tor Books Magic is against the law. He must use it anyway. The Crow King has outlawed magic.

Despite the kingdom's edict, Gwyn plunges into the ancient and deadly True Wood to find a magical cure for his dying brother. Within the shadowed realm, he must fend off more than violent and fallen fae-like Ilidreth when he learns

the king is out to stop him at whatever cost. On his desperate quest, he is joined by a unicorn, a quirky girl, and the maddest of the fallen fae. Together they must outrun enchanted crows and enemy armies, and face the ghosts of a shattered age, all while racing to save Gwyn's brother. Meanwhile, war brews between countries, and a secret order of mages hunts Gwyn down. Yet none of this can prepare Gwyn for the harrowing truth behind the fall of the Ilidreth long, long ago, and what it means for his life and his homeland.
