The Heart of the World is a short film written and

directed by Guy Maddin, produced for the 2000 Toronto International Film Festival. Maddin was one of a number of directors commissioned to make four-minute short films that would screen prior to the various feature films at the 2000 festival. After hearing rumours that other directors were planning films with a small number of shots, Maddin decided that his film would instead contain over 100 shots per minute, and enough plot for a feature-length
