Illness is the night-side of life, a more onerous citizenship. Everyone who is born holds dual citizenship, in the kingdom of the well and in the kingdom of the sick. Although we all prefer to use only the good passport, sooner or later each of us is obliged, at least for a spell, to identify ourselves as citizens of that other place.

Title: *In the Kingdom of the Sick: A Social History of Chronic Illness in America* Authors: Laurie Edwards Year: 2013. Quick Summary: The subtitle of this book sums it up perfectly – this is meant as a history lesson regarding the concept of chronic illness in the United States.

*In the kingdom of the sick - Blog - Reeve Foundation* Living With Chronic Pain

'In The Kingdom Of The Sick'. April 9, 2013 • In the United States, an orphan disease is one that affects fewer than 200,000 patients. These conditions often involve chronic pain or fatigue, and can be controversial and difficult to diagnose. Yet they affect around 30 million Americans. Author Laurie Edwards is one such patient.

*Kingdom of the Sick: A History of Leprosy and Japan* – UH Press

*In the Kingdom of the Sick*. There has been an alarming rise in illnesses that defy diagnosis through clinical tests or have no known cure. Millions of people, especially women, with illnesses such as irritable bowel syndrome, chronic pain, and chronic fatigue syndrome face
