## A Social History of Chronic

...  
In the Kingdom of the Sick is surprising, revealing, and beautifully written.”

Jessie Gruman, President of the Center for Advancing Health “A probing, clear-thinking examination of the new medical crisis on our hands: chronic illness.

*In the Kingdom of the Sick - Your GI Journey*

Illness is the night-side of life, a more onerous citizenship.

Everyone who is

born holds dual citizenship, in the kingdom of the well and in the kingdom of the sick.

Although we all prefer to use only the good passport, sooner or later each of us is obliged, at least for a spell, to identify ourselves as citizens of that other place.

Living With Chronic Pain 'In The Kingdom Of The Sick'. April 9, 2013 • In the United States, an orphan disease is one that affects fewer than 200,000 patients. These conditions often involve chronic pain or fatigue, and can be controversial and difficult to diagnose. Yet they affect around 30 million Americans.

Author Laurie Edwards is one such patient.
