Benford has explores the theme of the dip relations between our ancient past and the extragalactic aliens that visited our planet and the solar system eons away , in a very original narrative which captures the interest of the reader. The creation of some simpatic and nice characters like the Snark lives a sense of melancholic sadness at his departure towards the vast "ocean of the night".

In the Ocean of Night eBook by Gregory Benford ...

Benford's In the Ocean of Night is the 1st installment of a 6 part series originally published in the 1970's. The significance is that the theme deals with alien contact and machine intelligence so the story has a primitive quality today that comes naturally from inherent limitations of its perspective of that time.

Ocean or sea symbolizes the

collective unconscious.
Everything the ocean presages
and represents in our dreams
refers to what happens within
us. If the ocean is calm so
is also our life. Peaceful
and quiet sea or ocean
represents easy life. If it
is troubled, then same is and
with our inner self. Troubled
ocean or sea represents
complications and problems. .
To fall into the ocean
presages ...
