Looking Into the Ocean

HarperCollins

They're all lost: a teenage girl from the wrong side of the sand, a grieving father with a chip on his shoulder, a ne'er-do-well mother addicted to men, and most literally, a six-year-old girl last seen happily swinging her red sand bucket. Folly Beach is a barrier island near Charleston, South Carolina made famous for making people disappear.

Legends of sunken ships, quarantined drifters, war-time burial grounds, and lost Indian tribes have nicknamed the town, Coffin Island. However, much of the folklore has been entombed by colorful beach shops, greasy crab shacks, and bustling sunbathers. That is until the summer of 2019 when young fossil-hunter, Teal McHone, becomes the last person to lay eyes on a child who was snatched from the shoreline on a hot July evening. Suddenly the small beach town once again lives up to its dark reputation, and the kidnapping ignites a chain of sinister events along the SC coast. Will Teal realize just

what she saw in time to save the girl? Or will she lose sight of what's wrong and right, intrigued in equal parts suspicion and adoration with the missing child's father? Can Teal discover the truth in time? Can she discover herself in time? This coming-of-age, romantic thriller will keep the pages turning as Teal fights to unearth all that's hidden underneath both the sands and souls on this tiny southern beach. The pull of the ocean tempers the pace of her awakening, as well as the fates of all caught up in its enigmatic motion. The question is this: Will the strengthening tide, governed by the moon, pull the lost further out to sea, or finally deliver them safely back to shore?

NATIONAL BESTSELLER •

From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student

in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

Tobacco Sun Aspect
Winner of the 2016 Whiting Award One of Publishers Weekly's "Most Anticipated Books of Spring 2016" One of Lit Hub's "10 must-read poetry collections for April" "Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his pose narrative and lyric, his diction formal and insouciant.

From the outside, Vuong has fashioned a poetry of inclusion.”—The New Yorker “Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that captures, with elegance, the raw sorrows and joys of human existence.”—Buzzfeed’s “Most Exciting New Books of 2016” “This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world.”—2016 Whiting Award citation “Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power.”—LitHub “Vuong’s powerful voice explores passion, violence, history, identity—all with a tremendous humanity.”—Slate “In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal measure as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when he writes, ‘Your father is only your father/ until one of you forgets. Like how the spine/ won’t remember its wings/ no matter how many times our knees/ kiss the pavement.’”—Publishers Weekly “What a treasure [Ocean Vuong] is to us. What a perfume he’s crushed and rendered of his heart and soul. What a gift this book is.”—Li-Young Lee Torso of Air Suppose you do change your life.

universal...Not so much briefly gorgeous as permanently stunning.”
—Ron Charles, The Washington Post
Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling
On Earth We’re Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family’s history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest

exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: *GQ*, *Kirkus Reviews*, *Booklist*, *Library Journal*,
