Lion of Ireland was the breathtaking chronicle of Brian Boru, the Great King who led the bickering chiefs of Ireland to unity under his reign. Now, with all the fire and brilliance for which her writing is known, Morgan Llywelyn takes us there, to the battlefield where Brian died,

and to Brian's fifteen-year-old son, Donough, whose mother is the voluptuous and treacherous Gormlaith, with her lust for life and power undiminished by age: Donough, the son who is determined to make the High Kingship of Brian Boru's Ireland his own. "I know he's too young, but he's all we have left," says Fergal, and thus the boy takes his first command, on the bloody ground of Clontarf. From there he must move to establish his right to rule in Kincora and to make the kings of Ireland accept him as their High King. Yet Donough is torn--torn by his hatred for his mother and by his all-consuming passion for the beautiful pagan girl Cera, who remains beyond his reach, for the High King must have a Christian consort.... ADVENTURES IN AN OTHER-WORLDBLY NEW-AGE VENICE it is the year 1537. The great winged Lion stares over a Venice where magic thrives. The rich Venetian Republic is a bastion of independence and tolerance. Perhaps for that reason, it is also corrupt, and rotten with intrigue. But for the young brothers Marco and Benito Valdosta, vagabond and thief, Venice is simply-home. They have no idea that they stand at the center of the city's coming struggle for its very life. They know nothing of the powerful forces moving in the background. They have barely heard of Chernobog, demonlord of the North, who is shifting his pawns to attack Venice in order to cut into the underbelly of the Holy Roman Empire. All Marco and Benito know is that they're hungry and in dangerous company: Katerina the smuggler, Caesare the sell-sword, Montagnard assassins, church inquisitors, militant Knights of the Holy Trinity, Dottore Marina the Strega mage . . . and Maria. Maria might be an honest canaler, but she had the hottest temper a boy could find. Yet among the dark waters of the canals lurk far worse dangers than a hot-tempered girl. Chernobog has set a monster loose to wreak havoc on the city. Magic, murder and evil are all at work to pull Venice down. Fanatical monks seek to root out true witchcraft with fire and sword. Steel-clad Teutonic knights, wealth traders, church dignitaries and great Princes fight and plot for control of the jewel of the Mediterranean. Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel? You the reader are now at the threshold of not only a complete teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneous from any television around the world. Let not this study of the Book of Daniel be entered into with fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin W. A witty, appealing, and often outrageous portrait of some of the twentieth century's most influential and creative minds Subtitled "An Education in the Twenties," *Lions and Shadows* blends autobiography and fiction to describe the inner life of a writer evolving from precocious schoolboy to Cambridge dropout-at-large in London's bohemia. It contains thinly veiled portraits of Christopher Isherwood's contemporaries W. H. Auden, Edward Upward, and Stephen Spender, whose intimate friendships and cult of rebellion shaped the literary identity of England in the 1930s. Witty and outrageous, Isherwood pokes fun at the stars of his generation, above all himself, even as he testifies to their unique early gifts.
