The First Book of Moses, Called Genesis Crossway

The biggest barrier to faith is life itself. Divorce. Cancer. Infertility. Death. There are times in our lives in which God seems very far away. We don't understand His silence. We only feel the intensity of our pain and the echoing question of 'why?' The Bible declares that God is good, but can we still believe this when our lives are falling apart? In *Keep Believing*, Dr. Pritchard affirms what the Bible declares: that God is good and His mercy endures forever. This is true regardless of our moment-by-moment experience. God has provided comfort in our times of struggle and healing in our times of hurt through the balm of His Word. You believed in the light of day; will you still believe at midnight? Search the Scriptures with Dr. Pritchard for words of encouragement and hope. Put your confidence in the God who sorrowfully watched His Son suffer at Calvary for your benefit. Know that the same loving heavenly Father has everything completely under control. He is with you and longs to comfort you as you struggle through your hard times. Take a tell-tale look at your devotion to the Lord and His never-ending love and commitment to you in *Keep Believing*. You served God in the sunshine; will you now serve him in the shadows?

"As For Me And My House, We Will Serve the Lord" HarperOne

Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outsider wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary Pilgrim's Progress, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his

journey from doubt and struggle with the church to personal faith

"An exciting vision of the future" --Michael Eric Dyson *Everything Is Spiritual* is an unexpected and compelling invitation to see your life in a whole new way. We have the great moments of our lives, the highs, those times when we soar, when it all makes sense, when it feels like it all has purpose and meaning. And then there are all those other moments—the lows and aches and failures and struggles and experiences that leave us wondering what the point of it all is. Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it 's over? Or is there more going on here? In our increasingly polarized and disoriented world, *Everything Is Spiritual* gives us a radical new take on how it all fits together, how it works, how it 's all connected. Part memoir, part extended riff on the quantum nature of reality, part history of the universe, Rob Bell takes us back through the twists and turns and struggles of his story in order to help us see the larger story so that we can reconnect with our story.

for God? - Where do I start? Bruce Wilkinson shows how, in the midst of a society without morals, a passionate relationship with Jesus is possible -- not just a "mountaintop experience," but an everyday vibrant relationship. This popular book is newly released with an updated cover!

When I Don't Desire God Crossway

What did God use to draw a radical, committed unbeliever to himself? Did God take her to an evangelistic rally? Or, since she had her doctorate in literature, did he use something in print? No, God used an invitation to dinner in a modest home, from a humble couple who lived out the gospel daily, simply, and authentically. With this story of her conversion as a backdrop, Rosaria Butterfield invites us into her home to show us how God can use this same "radical, ordinary hospitality" to bring the gospel to our lost friends and neighbors. Such hospitality sees our homes as not our own, but as God's tools for the furtherance of his kingdom as we welcome those who look, think, believe, and act differently from us into our everyday, sometimes messy lives—helping them see what true Christian faith really looks like.

The Warrior We Call Mom WaterBrook

Throughout the centuries men and women have had to choose which way to go in their lives; "will I do it my way or will I do it God's way." One of the greatest responsibilities in man's and a woman's life is to bring up their children in the Lord; and teach them to reverence the One True God, to believe and trust Him. The world also offers many ways to live life, to raise children and to prosper. This book is a not a book about my way; this book is a book about God's way. To the best of my ability these chapters are right from God's heart straight to his family. God is loving, tender, merciful and forgiving. He is gently calling everyone to his family. What is our response? Do we follow Him or do we go our own way? The choice is up to us. Keith Daniels is a father, a teacher and a Christian author. His major in college was history. He is a retired U.S. Navy veteran of the submarine service. He has spent over 30 years of his life doing biblical research including analyzing the historical background of the first century church. He spends most of the year in Rhode Island and the majority of his summers in Maine. He and his wife Diana have ten-year-old triplets; William, Stuart and Elena. He attends home bible fellowships, spends time as a workman of the word and shares what he learns. He prays daily both in the spirit and with his understanding also. The power of God is manifested in his life and in his service. His motto is "Trust God." If you have any questions about the contents of this book, you can contact him at kedtec@aol.com.

THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT'S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel. "Simultaneously reads like a thriller and like a strange, dreamlike

excursion into the subconscious." —Michiko Kakutani, *The New York Times* "Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless." —Bret Easton Ellis, bestselling author of *American Psycho* "This demonically brilliant book is impossible to ignore." —Jonathan Lethem, award-winning author of *Motherless Brooklyn* One of *The Atlantic's* Great American Novels of the Past 100 Years Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on to inspire doctorate-level courses and masters theses, cultural phenomena like the online urban legend of "the backrooms," and incredible works of art in entirely unreal mediums from music to video games. Neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Breakfast with Jesus Gideon House Books

What do indoor picnics and funny face contests have to do with loving Jesus? More than you realize! As a mom in the throes of parenting, Courtney DeFeo believes that instilling virtues in children starts with laughter, not lecture. That perspective propelled her to create this idea-packed book, in which she offers motivating reflections, real-life stories, and a sandbox full of inventive ways to help you turn your kids' hearts toward God. Each chapter focuses on one virtue that is key for developing your child's character. Along with insights into how this virtue plays out in the nitty-gritty of life, Courtney includes a memory verse, activity ideas, and discussion questions to reinforce that virtue throughout the month. Here you'll find a full year of ways to draw your children closer to God through delightful antics like Family Olympics, One Fancy Feast, and Light 'Em Up. *In This House, We Will Giggle* shows you how to capture the hearts of your children through fun—so that they experience the goodness of Christ, the joy of following Him, and the difference they can make in the lives of others. "If I could, I would put this book into the hands of every Christian in America." —Dr. David Jeremiah "Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go" (Joshua 1:9). Each day, you watch America turn further from Christian values and the core principles of liberty. It's frustrating to feel you can't assert biblical truth without facing condemnation, and fearful to witness outrage and victimhood replace respect and reason. Amidst this dissent, how can you not only stay rooted in your own faith, but continue publicly testifying for Jesus? In *We Will Not Be Silenced*, Dr. Erwin W. Lutzer prepares you to live out your convictions against a growing tide of hostility. Gain a better

understanding of nonbelievers' legitimate hurts and concerns regarding issues like racism, sexism, and poverty—and identify the toxic responses secular culture disguises as solutions. In the process, you'll see how you can show compassion and gentleness to those outside of the faith without affirming their beliefs. *We Will Not Be Silenced* will ready you to move beyond fear and boldly accept the challenge of representing Christ to a watching world that needs Him now more than ever before.

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.
