chapter organization breaks material into manageable portions, improving your ability to retain important information. Connect Teachers Edition 3 Goyal Brothers Prakashan For success in practice, Mosby's Fundamentals of Therapeutic Massage, 5th Edition provides you with a solid foundation in the fundamentals of massage therapy. Expert author Sandy Fritz shares her wealth of clinical expertise, keeping a consistent focus on clinical reasoning with an increased emphasis on competency-based outcomes. In addition to teaching you how to skillfully apply massage techniques,

this text also covers important practice management topics such as ethics, legal issues, sanitation, hygiene, business practices, and professional development. Two DVDs bound in the book provide over three hours of video on techniques, body mechanics, case studies, and more, plus anatomy and physiology animations. Log in to the companion Evolve website for interactive games and learning exercises. Hundreds of full-color photos and illustrations visually clarify key concepts and demonstrate proper technique, draping procedures, body mechanics, and more. A combined workbook/textbook format encourages critical thinking with

activities, short essays, fill-in-the-blank questions, labeling exercises, and more to help you review concepts from the book. General Protocol sections in the book, on the Evolve website, and on the companion DVD provide a guide for assessment and massage application, intervention and positioning recommendations, and a modifiable, step-by-step sequence to help you learn to develop care plans for specific clients. Electronic documentation coverage prepares you for today's increasingly digital workplace with examples from electronic record-keeping and office management software programs. Comprehensive coverage of content

covered on the National Certification Exam (NCE), the National Certification Exam for Therapeutic Massage and Bodywork (NCETMB), and the Massage and Bodywork Licensing Examination (MBLEx) ensures you are ready to pass certification and licensure exams. Updated insurance reimbursement section features discussions of insurance procedures, appropriate charting, necessary paperwork, and how to manage reimbursement. Expanded massage therapy career content discusses the many career tracks available to massage therapists. Detailed Body Mechanics chapter addresses the use of proper body mechanics for a long and successful career

and the most effective treatment. Practical Case Studies chapter offers case studies that help you understand how to apply key concepts to real-world clinical practice. Completely updated content keeps you current with the latest information needed to pass your exams and succeed in practice. NEW! Foot in the Door feature throughout the text outlines the professional traits valued by prospective employers. Available as a Pageburst digital textbook with additional interactive learning tools and electronic assets. Sold separately. Interchange Level 2 Teacher's Edition with Assessment Audio CD/CD-

Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament

instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95),

where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).
