History of the Indies
Multnomah
Over the course of two

award-winning collections and a critically acclaimed novel, *The Croning*, Laird Barron has arisen as one of the strongest and most original literary voices in modern horror and the dark fantastic. Melding supernatural horror with hardboiled noir, espionage, and a scientific backbone, Barron's stories have

garnered critical acclaim and have been reprinted in numerous year's best anthologies and nominated for multiple awards, including the Crawford, International Horror Guild, Shirley Jackson, Theodore Sturgeon, and World Fantasy awards. Barron returns with his third collection, *The Beautiful Thing That Awaits Us All*. Collecting interlinking tales of sublime cosmic horror, including "Blackwood's Baby," "The Carrion Gods in Their Heaven," and "The Men from Porlock," *The Beautiful Thing That Awaits Us All* delivers enough spine-chilling horror to satisfy even the most jaded reader. *The Fear Of The Lord* Harvest House Publishers John Dewey's *Democracy and Education* addresses the challenge of providing quality public education in a democratic society. In this

classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, *Democracy and Education* is regarded as the seminal work on public education by one of the most important scholars of the century.

Key messages by today's leading Christian voices on what it means to possess a passion for Jesus Christ What exactly is it that instills passion in a person's soul? What brings the fire to make a difference, the desire for significance, the power to live a life that matters? And

who will lead us in this quest toward the future of the Church? In this remarkable book, some of today's most gifted communicators highlight the dedicated generation that is rising up to show us how to lean toward the centrality of Jesus Christ and His bright light of glory that brings purpose to our own lives and proper glory to God the Father. Since it first began in 1995, Passion has had the privilege of encountering millions of believers under the age of 25, a sea of men and women whose lives have been transformed by the power of the Holy Spirit. Their voice is getting louder as they rise, united as a generation, bringing hope and light to the world. Author and general editor Louie Giglio has brought together these incredible authors to share their thoughts on what it means

to burn with a passion for Christ. As delivered to Passion Conferences, the book includes contributions from Giglio himself as well as multiple chapters from: Francis Chan John Piper Beth Moore Judah Smith Christine Caine The wave is growing into a global awakening. Join the movement.

Let Every Breath You Take Be an Act of Worship
Worship is more than singing on Sunday morning. While that's part of it, worship is the essence of what makes us truly human. God sparked this desire within our hearts from the day He first breathed life into Adam and Eve. Since then, every single human who has walked this planet has participated in this God-given ability, and

divine quest. While many have squandered their gift, there are those who find the wonder-filled life of communion with God no matter the time or place. True freedom comes when worship flows through us as naturally as the air we breathe, when the words and actions in our lives resonate with our Creator so deeply that every inhalation is full of meaning. When we understand the holiness of the God who knows the stars by name—and His overwhelming love for each one of us—how can we offer anything less? In *The Air I Breathe*, Louie Giglio explains in passionate prose what it means to truly live a life of worship, offering insight and guidance for finding our

personal path towards connecting with the God of the Universe.

According to Warren Wiersbe, *The Supremacy of God in Preaching* "calls us back to a biblical standard for preaching, a standard exemplified by many of the pulpit giants of the past, especially Jonathan Edwards and Charles Spurgeon." This newly revised and expanded edition is an essential guide for preachers who want to stir the embers of revival. Piper has added valuable new material reflecting on his thirty-three years of preaching at Bethlehem Baptist Church, offering a glimpse of what a lifetime of putting God first has done for the faith of the hundreds of thousands who have heard him preach over the years.

Heaven Is So Real! Indescribable Kids

The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today.

Scientific research has shown numerous benefits from the emotion of awe: sharper brain function, increased sense of calm, better connection with others, greater generosity, and a stronger immune system. To live in awe means to live in health--and to face stress, anxiety, and fear with peace of heart and mind. Invitations to wonder are everywhere. They are precious gifts left in your path by the God of awe. These miracles of life amid destruction whisper hope and release healing. Our spirits are lifted each time we connect with the God who gives beauty for ashes. Author and creativity coach Faith Blatchford invites readers to meditate for 40 days on the glorious God of wonders, and rediscover their childlike awe through Scripture, reflection, imagination, and prayer. In these pages, you will encounter God as he reveals himself from the Garden of Eden to the Revelation of John. This God is the same yesterday, today, and forever, and he is waiting for you in the wonder!

How Great Is Our God

Habits of Grace Simon and Schuster

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and

therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

From bestselling author and beloved pastor Louie Giglio, *Indescribable* for Little Ones introduces young children to God's amazing creation. Kids will be in awe as they discover that everything, from the ants on the ground to the stars in the sky, was made by God. Interactive features, such as pull tabs and wheels, make the discovery extra fun!

Indescribable Baker Books
With a voice of reason and grace, pastor Caleb Kaltenbach challenges the church to choose the path of hope in response to polarizing cultural issues that are straight from the front pages of today's newspapers. Divergent politics, immigration issues, bullying, re-defining family, racism, terrorism, new ways of categorizing people, and multiple other issues are negatively impacting our communities today. Some feel the country we live in now isn't the same one they lived in

twenty years ago. Culture is consistently changing, and many Christians are nervous about what tomorrow will bring. However, we don't need to worry, because we serve the God of tomorrow. Culture will always change, but God never changes. God owns tomorrow. He has been in tomorrow, prepared tomorrow, and will walk with us into tomorrow. He will help us handle our ever-shifting culture as we journey forward. Every cultural issue we deal with today is something that Jesus dealt with in his day. The issues are the same, they just look different. Yet Jesus trusted the God of Tomorrow and knew that he was in complete control. Because of his trust in God, Jesus engaged culture in a very intentional way, and we can do likewise. God of Tomorrow includes discussion questions at the end of each chapter, providing a great platform for small groups to dialogue about

these culturally-relevant topics.

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann, Ph.D. He traces LSD's path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. In *LSD: My Problem Child*, we follow Dr. Hofmann's trek across Mexico to discover sacred plants

related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmann's powerful conclusion that mystical experiences may be our planet's best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend "the wonder, the mystery of the divine, in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people." More than sixty years after the birth of Albert Hofmann's problem child, his vision of its true potential is more relevant, and more needed, than ever.

The Beauty Chasers

Multnomah

A new collection of essays by Stefan Zweig: tributes to the great artists and thinkers of the Europe of his day Stefan Zweig was one of the twentieth century's greatest authors and a tireless champion of freedom, tolerance and friendship across borders. Encounters and Destinies collects his most impassioned and moving tributes to his many illustrious friends and peers: literary, philosophical and artistic luminaries from across the Old Europe that Zweig loved so much, and which he grieved to see so cruelly destroyed by two world wars. Including pieces on Rainer Maria Rilke, Marcel Proust, Sigmund Freud, Maxim Gorky and

Arturo Toscanini, this essential collection is also Zweig's tribute to the ideal of friendship: an ideal he clung to as the world he knew was torn apart.
