What a Beautiful Name Baker Books

With a voice of reason and grace, pastor Caleb Kaltenbach challenges the church to choose the path of hope in response to polarizing cultural issues that are straight from the front pages of today’s newspapers. Divergent politics, immigration issues, bullying, re-defining family, racism, terrorism, new ways of categorizing people, and multiple other issues are negatively impacting our communities today. Some feel the country we live in now isn't the same

one they lived in twenty years ago. Culture is consistently changing, and many Christians are nervous about what tomorrow will bring. However, we don't need to worry, because we serve the God of tomorrow. Culture will always change, but God never changes. God owns tomorrow. He has been in tomorrow, prepared tomorrow, and will walk with us into tomorrow. He will help us handle our ever-shifting culture as we journey forward. Every cultural issue we deal with today is something that Jesus dealt with in his day. The issues are the same, they just look different. Yet Jesus trusted the God of Tomorrow and knew that he was in complete control. Because of his trust in God, Jesus engaged culture in a very intentional way, and we can do likewise. God of Tomorrow includes discussion questions at the end of each chapter, providing a great platform for small groups to dialogue about these culturally-relevant topics.

However, according to David Mathis, such "habits of grace" are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it's hearing God's voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God's children today.

Authentic Christianity Thomas Nelson
You know him as the rotund merry-maker in the red suit. But set aside the childhood myth. In this portrait, you'll encounter the true St. Nicholas, a figure revered for his astonishing miracles and a humility that redirected all attention to God's glory. You'll be amazed to find St. Nicholas always turning up at just the right time—rescuing sailors from the certain death of a violent sea, saving three young women from a life of prostitution, and guarding an infant from the burns of a boiling bath. A tireless defender of God's truth and His

people, St. Nicholas's wonderful and mysterious deeds illustrate, time and again, a heart for the weak, the poor, and the endangered—truly "the patron saint of practically everybody" and one of the most fascinating figures in all of Christian history. We learn about life through the lives of others. Their experiences, their trials, their adventures become our schools, our chapels, our playgrounds. Christian Encounters, a series of biographies from Thomas Nelson Publishers, highlights important lives from all ages and areas of the Church through prose as accessible and concise as it is personal and engaging. Some are familiar faces. Others are unexpected guests. Whether the person is D.L. Moody, Sergeant York, Saint Nicholas, John Bunyan, or William F. Buckley, we are now living in the world that they created and understand both it and ourselves better in the light of their lives. Their relationships, struggles, prayers, and desires uniquely illuminate our shared experience.

Rest and War Crossway

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow,

more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Weight of Glory Thomas Nelson

The *Unquenchable Worshipper* issues a passionate call for a return to an unadulterated, first-love lifestyle of worship. In his first book release, respected worship leader and songwriter Matt Redman writes: "The revelation of God is the fuel for the fire of our worship. And there is always more fuel for the fire. When we open the eyes of our heart, God's revelation comes flying at us from so many different angles." Open the eyes of your heart and let the gut-level message of *The Unquenchable Worshipper* cause you, like martyred missionary Jim Elliot, to say, "Saturate me with the oil of Thy Spirit, that I may be aflame. Make me Thy fuel O flame of God." It's time to dive into the heart of worship—will you take the plunge?

An important contribution to studies in literature and religion, *The Divine Face in*

Four Writers traces the influence of Christian and Classical prototypes in ideas and depictions of the divine face, and the centrality of facial expressions in characterization, in the works of William Shakespeare, Fyodor Dostoyevsky, Hermann Hesse, and C.S. Lewis. Maurice Hunt explores both the human yearning to see the divine face from post-Apostolic time to the 20th century, as reflected in religion, myth, and literature by writers such as Augustine, Shakespeare, Hardy and Dostoyevsky, as well as the significance of the hidden divine face in writings by Spenser, Milton, Hesse, and Lewis. A final coda briefly detailing Emmanuel Levinas's system of ethics, based on the human face and its encounters with other faces, allows Hunt to focus on specific moments in the writings of the four major writers discussed that have particular ethical value.

Paul and Jesus Thomas Nelson

Most believers understand that worship is not a compartmentalized aspect of the Christian experience, but rather it is the motivation--the driving force--behind all that we do and are. We exist to worship God. For years we have been basking in God's love and worshipping Him with uplifted hands and hearts. Now we need to go deeper and see that God is also an awesome, mysterious being who should engender our silent, even dumbstruck, reverence for His holiness, His "otherness." Until we are undone by the knowledge

of who God is in all His glory, we will only touch the edges of true worship. Matt Redman says, "When we face up to the glory of God, we find ourselves face down in worship." This book shows the biblical record of those who found themselves prostrate before God.
