between them is huge. One is a man, the other a woman. In this riveting novel, Danielle Steel explores what that means as she takes readers into the rarefied world of those at the pinnacle of international business and reveals the irrevocable choices they make, what drives them, and how others perceive them. The heady drug of power impacts everything they do. **POWER PLAY** Even though Harvard-educated Fiona Carson has proven herself under fire as CEO of National Technology Advancement, a multibillion-dollar high-tech company based in Palo Alto, California, she still has to meet the challenges of her world every day. Devoted single mother, world-class strategist, and tough negotiator, Fiona weighs every move she makes, and reserves any personal time for her children. Isolation and constant pressure are givens for her as a woman in a man's world. Miles away in Marin County, Marshall Weston basks in the fruits of his achievements. At his side is his wife, Liz, the perfect corporate spouse, who has gladly sacrificed her own law career to raise their three children and support Marshall at every step. Smooth, shrewd, and irreproachable, Marshall is a model chief executive, and the power he wields only enhances his charisma and is his drug of choice. And to maintain his position, he harbors secrets that could destroy his life at any moment. His world is one of high risks. Like many women in her position, Fiona has sacrificed her personal life for her career, while Marshall dances dangerously close to the edge and flirts with scandal every day. Both must

face their own demons, and fight off those who are jealous of their success. Their lives as CEOs of major companies come at a high price. And just how high a price are they willing to pay? Who are they willing to sacrifice to stay on top? Those they love, or themselves? Danielle Steel's gripping, emotionally layered novel explores the seductive and damaging nature of power. Success and greed, trust and deception, love and loss—all come to a head in this compelling drama of family, careers, infidelity, and the sacrifices some people make to hold on to power . . . or to let it go. Praise for Power Play “ In peak form, Steel examines the effects of power on the lives of male and female CEOs in this insightful, all-too realistic novel . . . to dramatize just how differently men and women handle

corporate power and personal responsibility. ” —Booklist
“ Connecting two powerful CEOs through their children's romantic involvement, the author uses her signature low-key . . . style to examine personal and professional morality. . . . Appealing fare from Steel. ” —Kirkus Reviews
The Unpredictable Consequences of Love
Doubleday Canada
Thomas Kilbride is a map-obsessed schizophrenic so affected that he rarely leaves the self-imposed bastion of his bedroom. But with a computer program called Whirl360.com, he travels the world while never so much as stepping out the door. He pores over and memorizes the streets of the world. He examines every address, as well as

the people who are frozen in time on his computer screen. Then he sees something that anyone else might have stumbled upon--but has not--in a street view of downtown New York City: an image in a window. An image that looks like a woman being murdered.

Thomas's brother, Ray, takes care of him, cooking for him, dealing with the outside world on his behalf, and listening to his intricate and increasingly paranoid theories. When Thomas tells Ray what he has seen, Ray humors him with a half-hearted investigation. But Ray soon realizes he and his brother have stumbled onto a deadly conspiracy. And now they are in the crosshairs.

The Sins of the Mother Atlantic

Books Ltd

NEW YORK TIMES

BESTSELLER Every woman makes choices. And no one has made more difficult choices than Olivia Grayson. The enormously successful businesswoman missed out on much of her children's lives while she built her legendary home-furnishings empire. In Danielle Steel's character-rich new novel, Olivia faces the past, tries to balance the present, and makes amends where due, while still running her vastly successful business.

THE SINS OF THE MOTHER

As a way of making up to them for time lost, Olivia spends months every year planning a lavish holiday that everyone in her family will enjoy. This summer she has arranged a dream trip in the Mediterranean on a luxurious yacht, which she hopes will be the most memorable vacation of all. Her lavish gesture every year expresses her love for them, and regret at all the important times she missed during her children's younger years. Her younger daughter, Cassie, a hip London

music producer, refuses the invitation altogether, as she does every year. Her older daughter, Liz, lives in her mother's shadow, with a terror of failure as she tries to recapture her dream of being a writer. And her sons, John and Phillip, work for Olivia, for better or worse, with wives who wish they didn't. In the splendor of the Riviera, this should be a summer to remember, with Olivia's children, grandchildren, and daughters-in-law on board. But as with any family gathering, there are always surprises, and no matter how glamorous the setting things don't always turn out as ones hopes. Family dynamics are complicated, old disappointments die hard, and as forgiveness and surprising revelations enter into it, new bonds are formed, and the future takes on a brighter hue. And one by one, with life's irony, Olivia's children find themselves committing the same "sins" for which they blamed their mother for so many years. It is a summer of compassion, important lessons, and truth. The *Sins of the Mother* captures the

many sides of family love: complex, challenging, funny, passionate, and hopefully enduring. Along the way, we are enthralled by an unforgettable heroine, a mother strong enough to take more than her fair share of the blame, wise enough to respect her children for who they really are, and forgiving enough to love them unconditionally. **BONUS:** This edition includes an excerpt from Danielle Steel's *Winners*. *2020 Beaches* Penguin
No one knows you better than a sister—your dreams, your fears, your mistakes, and all your secrets. It was just that way when Jess and her older sister, Emily, were children. Born barely a year apart, they were deeply entwined, complementing each other in their differences. When Jess felt awkward and shy, Emily, the consummate big sister, was happy to take the lead.

After a long estrangement, they've become close again. Jess moves into the comfortable Isle of Wight home Emily shares with her husband, step-daughter, and toddler. Any misgivings about the past are swept away and forgotten. And then, on New Year's Eve, little Daisy disappears while in Jess's care. Jess is in shock, unable to remember what happened. Emily, traumatized, watches helplessly as her life unravels. But as the search intensifies and the police detective's questions grow more pointed, a different picture emerges. Behind the image of a seemingly happy family—Daisy's doting teenage sister, Chloe, loving father and husband, James, and

siblings Emily and Jess—there are devastating deceptions and long-ago choices that can never be unmade. And underlying everything is the story of what really happened to drive Emily and Jess apart years ago. Unfolding through shifting perspectives, *Little Sister* is a brilliantly plotted, dark, and constantly surprising tale of love, rivalry, and broken loyalty that reveals how far one sister might go to protect—or destroy—another . . .

Out of Mind Penguin

In this book, Dr. Li and his author team plan to emphasize why mouse models are useful in vivo systems for understanding disease mechanisms and developing therapeutic strategies in blood cancers. The authors do not intend

to cover all types of blood cancers; instead, they will focus on some major ones such as leukemias and lymphomas. However, the authors will try to cover as much as they can the cancer types and point out that many blood cancers need to be studied in mouse disease models although they are still not available at present. A major focus in the book will be to show what we can or cannot learn from mouse disease models and to also show the critical contributions of mouse models in therapeutic drug development.

Night Train To Lisbon

Pinnacle Books

Jill Mansell's bestseller

THE UNPREDICTABLE CONSEQUENCES OF LOVE is an unforgettable tale of sunny days on the beach, Cornwall in the

summer and secrets about to be revealed. Perfect for readers of Lucy Diamond and Veronica Henry. In the idyllic seaside town of St Carys, Sophie is putting the past firmly behind her. When Josh arrives in St Carys to run the family hotel, he can't understand why Sophie has zero interest in letting any man into her life. He also can't understand how he's been duped into employing Sophie's impulsive friend Tula, whose crush on him is decidedly unrequited. St Carys has more than its fair share of characters, including the charming but utterly feckless surfer Riley Bryant, who has a massive crush on Tula.

Riley's aunt is superstar impossible to resist' author Marguerite Marshall. And Marguerite has designs on Josh's grandfather...who in turn still adores his glamorous ex-wife, Dot... Just how many secrets can one seaside town keep? What readers are saying about The Unpredictable Consequences of Love: 'The way in which the various stories played out - with all their twists and turns, laughs and real sadness - against the vividly drawn Cornish setting made for quite engrossing reading' Goodreads reviewer, 5 stars 'Wonderfully witty, highly compelling and absolutely

Goodreads reviewer, 5 stars 'So much love is flowing in this little seaside town and each of the characters are loveable and entertaining. The perfect read with no flaws and had me hooked from start to finish' Amazon reviewer, 5 stars A Stranger in the House Dell A NEW YORK TIMES BESTSELLER Another thrilling domestic suspense novel from the New York Times bestselling author of The Couple Next Door and Not a Happy Family " A Stranger in the House will have you sleeping with the lights on for weeks. " —Bustle " Smart and

suspenseful . . . you'll never see the ending coming. ” —PureWow

In this neighborhood, danger lies close to home. Karen and Tom Krupp are happy—they ’ ve got a lovely home in upstate New York, they ’ re practically newlyweds, and they have no kids to interrupt their comfortable life together. But one day, Tom returns home to find Karen has vanished—her car ’ s gone and it seems she left in a rush. She even left her purse—complete with phone and ID—behind. There's a knock on the door—the police are there to take Tom to the hospital where his wife has been admitted. She had

a car accident, and lost control as she sped through the worst part of town. The accident has left Karen with a concussion and a few scrapes. Still, she ’ s mostly okay—except that she can ’ t remember what she was doing or where she was when she crashed. The cops think her memory loss is highly convenient, and they suspect she was up to no good. Karen returns home with Tom, determined to heal and move on with her life. Then she realizes something ’ s been moved. Something ’ s not quite right. Someone ’ s been in her house. And the police won't stop asking questions. Because in

this house, everyone's a stranger. Everyone has something they'd rather keep hidden. Something they might even kill to keep quiet. Little Sister Springer Science & Business Media

A huge international bestseller, with over 2 million copies sold worldwide, *Night Train to Lisbon* is an utterly compelling novel about one man's escape from a humdrum life in search of passion and spontaneity. *Night Train to Lisbon* tells the story of mild-mannered, middle-aged Classics scholar Raimund Gregorius. When, one afternoon, he walks out of his class while in the middle of giving a lesson, his uncharacteristic impulsiveness surprises him as much as his

students. This break from his usually predictable routine is driven by two chance encounters that morning on his way to work - the first with a mysterious Portuguese woman, and the second with a book discovered in a forgotten corner of an old bookshop, the journal of an enigmatic Portuguese aristocrat. With the book as his talisman, Mundus finds himself boarding the night train to Lisbon on a journey to find out more about its author, Amadeu del Prado - who was this man whose words both haunt and compel him, seeming somehow clairvoyant? His investigations lead him all over the city, and bring him into contact with those who were entangled in Prado's life. Gradually, he makes

unexpected friends and the picture of an extraordinary man emerges: a difficult, brilliant, charismatic man, a doctor and a poet, and a rebel against Salazar's dictatorship. And as Prado's story comes to light so, too, Gregorius himself begins his life anew. Hurtling through the dark, *Night Train to Lisbon* is a rich tale, wonderful told, propelled both by the mystery at its heart and its evocative subject.

Trust Your Eyes Hachette UK

The Bill provides for the Post Office to be converted from a statutory corporation to a public limited company, with ownership remaining with the Crown. It introduces a new system of licensing and regulation for postal services operators and providers, and gives the

independent regulator, the new Postal Services Commission, new powers and duties to protect and promote the interests of users. The Post Office Users' National Council is replaced by the Consumer Council for Postal Services, to bring postal services into line with consumer representation in the other utilities.

Don't Let Go

Fifteen years ago, two teenagers were mysteriously found dead by the old railroad tracks in a small affluent town in New Jersey. One of them was Nap Dumas' twin, Leo, and the other, the town's sheriff's daughter. Most people concluded it a double suicide, others, just didn't buy it. Nap has dedicated his life to finding out

what really happened that summer and when his missing ex-girlfriend's fingerprints show up at a crime scene, he's thrown into a labyrinth of dark family secrets and lies. Teaming up with the now retired sheriff, the two embark on a search for the truth where they will discover that conspiracies big and small can kill.
