Celebrating ten
years of the Hugo-
nominated and New
York Times-
bestselling October
Daye urban fantasy
series comes a new
hardcover
anniversary edition
of the book that
started it all, with a
new bonus novella.

The world of Faerie never disappeared; it merely went into hiding, continuing to exist parallel to our own. Secrecy is the key to Faerie's survival—but no secret can be kept forever, and when the fae and mortal worlds collide, changelings are born. Outsiders from birth, these half-human, half-fae children spend their lives fighting for the respect of their immortal relations. Or, in the case of October "Toby" Daye, rejecting it completely. After getting burned by both sides of her heritage, Toby has denied the fae world, retreating into a "normal "

life. Unfortunately for her, Faerie has other ideas... The murder of Countess Evening Winterrose, one of the secret regents of the San Francisco Bay Area, pulls Toby back into the fae world. Unable to resist Evening 's dying curse, Toby must resume her former position as knight errant to the Duke of Shadowed Hills and begin renewing old alliances that may prove her only hope of solving the mystery...before the curse catches up with her. This edition features an all-new October Daye novella, *Strangers in Court*. Toby knew what she was doing when she

threw her lot in with Devin, but when the time comes to get out, she has a little less of a clue. In order to win her freedom, she must do something to impress the local nobility—and the collapse of the Queen's knowe would seem to be exactly the opportunity she's been waiting for to prove herself! Set well before the events of Rosemary and Rue, this is a rare look at Toby's past as a changeling street rat, before she discovered her destiny as a Hero of the Realm.

money, people, time, or ideas to create a thriving brand, think again. In fact, you already have FIVE powerful marketing resources you can use right now to get big-brand results at low cost ... or no cost at all.

Step One: Shift your mind set.

International branding expert Brenda Bence has created the definitive guide to branding on a tight budget. After years as a mega-brander working across four continents and 50 countries for deep-pocketed consumer giants like Procter & Gamble and Bristol-Myers Squibb, she left the corporate world to start her own business. From scratch — and with almost empty pockets — Brenda used inventive, low-cost methods to build her own international brand that now serves clients in 25 countries with offices in the U.S. and Asia.

Based on Brenda's successful low-cost branding workshops that receive rave reviews around the globe, **Smarter Branding Without Breaking the Bank** is a treasure chest of tips, tools, and techniques to help SMEs and solopreneurs achieve similar results at minimal expense.

Unwilling to simply steal that time from the living, Jenna earns every day she leeches with volunteer work at a suicide prevention hotline. But something has come for the ghosts of New York, something beyond reason, beyond death, beyond hope;

something that can bind ghosts to mirrors and make them do its bidding. Only Jenna stands in its way. Writing as A. Deborah Baker, New York Times bestselling and award-winning author Seanan McGuire introduces readers to a world of talking trees and

sarcastic owls, of dangerous mermaids and captivating queens in Over the Woodward Wall, an exceptional tale for readers who are young at heart. If you trust her you ' ll never make it home... Avery is an exceptional child. Everything he does is precise, from the way he washes his face in the morning, to the way he completes his homework – without complaint, without fuss, without prompt. Zib is also an exceptional child, because all children are, in their own way. But where everything Avery does and is can be measured, nothing Zib does can possibly be predicted, except for the fact that she can always be relied upon to be unpredictable. They live on the same street. They live in different worlds. On an unplanned detour from home to school one morning, Avery and Zib find themselves climbing over a stone wall into the Up and Under – an impossible land filled with mystery, adventure and the strangest creatures. And they must find themselves and each other if they are to also find their way out and back to their own lives. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
